# STOUGHTON AREA SCHOOL DISTRICT

October 31, 2022

**This report outlines the Stoughton Area School District's financial position through October 31, 2022.**

## **Operating Revenues**

The revenues outlined on this graph include those in the Fund 10, General Fund as well as those in the Fund 27, Special Education Fund. The blue bars represent current year budgeted revenues. In October, the district received \$761,552 in federal revenues, which included \$110,235 in IDEA Flow Through Grant funds and \$290,601 in ESSER II Grant funds. The District also finalized the tax levy totaling \$21,332,422.

## **Operating Expenditures**

The expenses reflected on this graph include Fund 10, General Fund as well as Fund 27, Special Education Fund. The current year budget by object is indicated by the blue bars. Overall, the percentage of budget expended is very comparable to the previous year (with an increase of 1.05%) and the fiscal year to date activity for expenditures is 2.52% higher than the previous year.

## **Monthly Operations (Revenues and Expenses)**

The third graph shows the monthly operating revenues in blue and the monthly operating expenses in orange. This graph illustrates that the district's expenses exceed revenues. The increase in revenues can be attributed to the aforementioned District tax levy while the increased expenditures from the previous month can be attributed to the \$277,413 in tuition payouts to all the District sponsored 4K sites.

## **Operating Cash on Hand**

This final graph shows the monthly operating cash on hand. As illustrated by the blue bar in October, the district's cash on hand is greater than last year. This can be mainly attributed to the Fund 46 transfer of \$2,000,000 from Fund 10 to Fund 46 in July of 2021.
