Buildings and Grounds Committee Minutes

May 17, 2021

6:30 P.M.

Virtual Meeting

Mr. Matthew Parido called the meeting to order at 6:30 p.m.

PRESENT: Board Members, Mr. James Byrnes, Mr. Dustin Knarr, Mr. Matthew Parido, Mrs. Melissa Herr, Mr. Scott Kimmel; Community Representatives, Mr. Michael Boyce and Mr. John Strange; Superintendent, Dr. Kevin Peart; Assistant Superintendent, Dr. Andrew Godfrey; Buildings and Grounds Director, Mr. Glenn Davis; Business Manager, Mr. Keith Stoltzfus.

DISTRICT LONG RANGE PLANNING

Mr. Stoltzfus updated the Committee on the current status of several projects. Design Development continues on the potential new Early Childhood / Kindergarten Center building including second submission to the West Lampeter Township Planning Commission on June 21, traffic study field work recently completed, interior design meetings with Dr. Westphal's team which took place last week, and updated drawings and cost estimates expected to be ready in late June or early July. As previously discussed, enrollment numbers will be a huge factor for this potential project and updates are expected for the next Committee meeting on August 16, 2021.

The Critical Capital Projects continue on schedule for bidding first round of projects in September 2021 and second round in January 2022.

RECOMMENDATION TO SELL SCHOOL BUS

Mr. Stoltzfus requested permission to sell the District-owned 2010 Thomas School Bus. It is an 84-passenger school bus with just over 120,000 miles, air brakes and diesel engine which was purchased new by the District. The Committee agreed with the recommendation, but asked that we set a minimum bid and ensure a link from our website to the auction site is available.

BUILDINGS AND CAMPUS UPDATES

Mr. Davis shared several updates including the plan to reclaim wood from the trees which were removed on campus for use in our student shop classes, numerous bottle filling stations which were recently installed in each building, installation of UV light in the ducts, and graduation preparation underway.

ITEMS FROM THE COMMITTEE

Mr. Parido asked if there were any other items from the Committee.

ADJOURNMENT

The meeting was properly adjourned at 6:50 PM.
