

What Started As A Volunteer Career For Connolly Turned Fulltime

TUPELO, Miss. — In 1990 when her daughter Jennifer started Kindergarten, Julie Connolly signed up as a volunteer. In 1993, she officially became a full-time employee at Thomas Street.

29 years later, she is still going strong, now serving as the SAM/MSIS Data Manager in Technology.

“Julie wears many hats in this department,” director T.J. Higgins said. “She is a very dedicated employee who is very knowledgeable with MSIS and SAM. She is a phenomenal trainer who has the patience and knowledge to make sure the data entry people have the knowledge and support to do their jobs.”

A native of Findlay, Ohio, who is now a self-proclaimed Southerner, Julie and her husband, Bryan, had two kids graduate from Tupelo High School — Jennifer and son Justin.

This week’s TPSD Staff Spotlight, sponsored by Sunny 93.3 and Buffalo Wild Wings, is Julie Connolly of Technology.
