

## EPISODE 10

Hi Joseph,

October sure was a busy (and spooky 🎃) month on our campus!

Not only were there service projects and activities galore, but we also had our famous Boom in the Night event back for the local community!

[You just have to check out this video](#) to see everything from pinking pumpkins 🎃 to science experiments like make-your-own slime and foam.

[Here's another glimpse](#) into what makes MU so special. You'll see some of the unique characteristics that distinguishes us from all other colleges.

Come to our **Fall Open House** this Saturday November 12, to experience all that Misericordia has to offer!

[Reserve your spot today!](#)

[Check us out virtually](#) to see everything else that we have going on at MU.

Stay tuned for more fun in the next Happenings@MU email!
