

Gaylord Community Schools
Section 98c-Learning Loss Plan
2022-2023

Accelerated Learning Plan

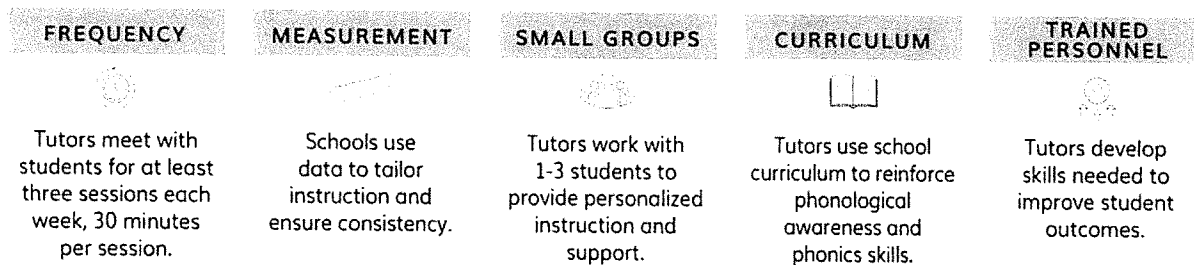

- Research upstream thinking
- Academic Committee formed: 43 teachers, 8 administrators, 14 days of work
- Development of High Dosage Tutoring Program

High Dosage Tutoring

https://www.michigan.gov/-/media/Project/Websites/mde/Flexible-Learning-Options/Accelerated-Learning/Targeted-Support-with-Tutoring/Targeted_Support_-_with_Tutoring.pdf?rev=a12f6ba2797041ba8adcb081d9ef12fc

<https://www.edweek.org/leadership/high-dosage-tutoring-is-effective-but-expensive-ideas-for-making-it-work/2020/08>

98c Funds will be utilized to hire additional professional staff to provide research supported high dosage tutoring during the school day. This will provide low ratio student to teacher interaction focusing on established essential standards at each grade level in reading and mathematics.

Monitoring: NWEA, iReady, other screening tools

Curriculum: Gaylord Community Schools Board Approved Tier I curriculum focusing on established Essential Standards

Personnel: Fully certified professional teaching staff (Retiree's, and current teaching staff)

Location: School buildings during the day

Supervision: Building Administrative Staff

When: Entirety of 2022-2023 school year. 15-20 hours per week, per building.
