Security Officer Hiring Process
Proceso de Contratación del Oficial de Seguridad

• All security officers with a class A license have police powers including this use of deadly force. Missouri State Code of Regulations Chapter 17

• The hiring process begins with the job applicant completing a job application that is screened by the Human Resources Department.

• After completing the application, the job applicant is required to successfully pass a multiple-choice test and written analysis test. This is critical to ensure that the applicant has the skills and ability to perform the job.

• Todos los agentes de seguridad con licencia clase A tienen facultades policiales incluyendo este uso de fuerza letal. Código de Regulaciones del Estado de Missouri Capítulo 17

• El proceso de contratación comienza cuando el solicitante de empleo completa una solicitud de empleo que es revisada por el Departamento de Recursos Humanos.

• Después de completar la solicitud, el solicitante de empleo debe aprobar con éxito una prueba de opción múltiple y una prueba de análisis escrito. Esto es fundamental para garantizar que el solicitante tenga las habilidades y la capacidad para realizar el trabajo.
Security Officer Hiring Process
Proceso de Contratación del Oficial de Seguridad

• Panel oral board (Interview)

• All job applicants must pass a pre-employment drug screen, pre-employment psychological screening, and a pre-employment physical abilities test.

• Pre-employment criminal history record check conducted by the School District.

• Applicants must be able to obtain a class A private security license from KCPD. The applicant must pass a Security Officer test as well as a background check. This license gives Officers police powers including the use of deadly force. This process takes place annually for each Officer.

• Panel panel oral (Entrevista)

• Todos los solicitantes de empleo deben pasar una evaluación de drogas previa al empleo, una evaluación psicológica previa al empleo y una prueba de habilidades físicas previa al empleo.

• Verificación de antecedentes penales previa al empleo realizada por el distrito escolar.

• Los solicitantes deben poder obtener una licencia de seguridad privada de clase A de KCPD. El solicitante debe pasar una prueba de oficial de seguridad, así como una verificación de antecedentes. Esta licencia otorga a los oficiales poderes policiales, incluido el uso de fuerza letal. Este proceso se realiza anualmente para cada Oficial.

District-wide Emergency Operations Plan (EOP)

Plan de Operaciones de Emergencia para Todo el Distrito

• 1. Working with the MSBA to create a district-wide emergency operations plan. Trabajar con la MSBA para crear un plan de operaciones de emergencia para todo el distrito.

• 2. In conjunction with the overall district-wide EOP each district location will have a specific EOP tailored to the needs of that location. Junto con el EOP (Plan de Operaciones de Emergencia para Todo el Distrito) general de todo el distrito, cada ubicación del distrito tendrá un EOP específico adaptado a las necesidades de esa ubicación.

• The EOP plans are based on templates from the MSBA and are the recommended EOP for each school district in Missouri. Los planes EOP se basan en plantillas de la MSBA y son los EOP recomendados para cada distrito escolar de Missouri.
The guidelines are a reference tool to use in case of emergency and for the proper execution of emergency drills. Las guías son una herramienta de referencia para usar en caso de emergencia y para la correcta ejecución de los simulacros de emergencia.

A copy of these guidelines should be posted next to the exit door of every instructional area, including the main office, auxiliary offices, auditorium, cafeteria, gym, and library. Se debe colocar una copia de estas pautas junto a la puerta de salida de cada área de instrucción, incluida la oficina principal, las oficinas auxiliares, el auditorio, la cafetería, el gimnasio y la biblioteca.
• Safety & Security will provide the administrator of each building with enough copies to disseminate throughout their schools. Seguridad y Protección proporcionará al administrador de cada edificio suficientes copias para distribuir en sus escuelas.

What is Blueprint 2030?

Blueprint 2030 is a plan to increase academic achievement and enhance the student experience.

- It is the vision for education in Kansas City with 2025 and 2030 goals. It will serve as the update to the current KCPS Strategic Plan.
- Blueprint 2030 will be continuously monitored and updated after the first 5 years to ensure we are on track to achieve the vision.
The Blueprint 2030 Journey

PHASE 1 ASSESSMENT: THRU SPRING ‘21

PHASE 2 GOAL SETTING: SPRING ‘21 – WINTER ‘21/22

PHASE 3 SCENARIO PLANNING: SPRING – FALL ‘22

PHASE 4 RECOMMENDATIONS: FALL ‘22

PHASE 5 IMPLEMENTATION: BEGINNING FALL ’22 (academic vision)
                     FALL ‘23 (any school changes, phased in)

PHASE 6 EVALUATION: ANNUALLY
Phase 1: Assessment

Where are we as a district?

Key Takeaways:

- KCPS spends more resources on operations costs than peer districts, and less on K-12 classroom instruction
- More students transfer from KCPS to surrounding districts than from KCPS to charter schools
Phase 1: Assessment

Where are we as a district?

Key Takeaways:

- Over the last five years, KCPS enrollment has decreased by nearly 1,000 students.
- Birth rates continue to decline within KCPS (12% decrease over the last 10 years).
- Although elementary and middle school enrollment is projected to somewhat stabilize, high school is projected to decrease by about 1,000 students by 2030.
Phase 2: Goal Setting
Where do we want to be as a district?

Key Takeaways:

Students said they want...
- More field trips and experiences for learning outside of the classroom
- Hands-on learning opportunities
- Expanded clubs and activities for all students
- Equity among schools and other districts
- Modern facilities (instruction & athletics)

Parents said they want...
- Strong academic programs
- Safe school environment
- Schools to be welcoming
- Students to graduate college and career ready
- Support for students who are struggling
- Enrichment for students who are ahead
- Better system alignment and clear pathway from K-12

Staff said they want...
- To feel appreciated & valued
- Support and more assistance in the schools
- More time to lesson plan and collaborate with other teachers
- Leadership opportunities and ways to grow in the profession
- Better compensation
Phase 3: Scenarios
What Options Do We Have?

Phase 3 Highlights:
• 5 Community Chats
• Recorded Presentations and Gathered Feedback Online
• Focus Groups
• Student LIT Conference
• Increased outreach to non-English speakers
• Meetings with Neighborhoods & Community Organizations

Phase 3: Scenarios

What We Heard from You

Key Takeaways:

**Top 10 Academic Priorities**

1. Expand Math & Reading Interventionists
2. Expand MS Clubs & Sports, Add ES Intramurals
3. Increase Social/Emotional Supports
4. Improve Teacher Compensation
5. Expand Pre K Offerings
6. Provide PD for Teachers
7. Add Project Based Learning Opportunities
8. Expand Science Offerings & Teaching
9. Offer More Field Trips
10. Increase Staff for Parent Engagement

**Stakeholders said about the 3 scenarios...**

- It’s time we did something bold, we can’t continue the way we’ve been operating
- I like the idea of having more supports and opportunities/offerings...
- I want to go far enough so we aren’t back here again in a couple of years
- I’m worried about the number of closures
- Need to close schools, but not too many
Phase 4: Recommendations

How Do We Get There?

Academic Vision  Student Experience  Facilities
KCPS Academic Vision

Connected, Empowered and Liberated: Every Child, Every Educator, Every Family, Every Day!
Culturally Responsive Teaching

Culturally Responsive Teaching is a research-based approach to teaching. It connects students’ cultures, languages, and life experiences with what they learn in school. These connections help students access rigorous curriculum and develop higher-level academic skills.
STEAM Elementary Schools

• Students actively engage in project-based learning with real-world and personally meaningful projects

• Science labs in all elementary schools with dedicated lab technicians

• LEGO League, Robotics, Math Olympians that support technology, engineering and mathematics in all elementary schools

• Incorporating World Language across all elementary school sites beginning at kindergarten

• Instrumental music expansion of strings and winds to all elementary schools
Future Ready Secondary Schools

• In each high school, students explore a four-year course of study, or “pathway,” designed to prepare students for future college or career success based on their industry of interest.

• Incorporating additional languages across all secondary school sites.

• Students engage in competency-based learning and demonstrate mastery of the content in authentic ways.

• Marching Bands at all secondary schools
Beyond the 4 Walls (Field Trips)

• Guaranteed real-world learning experiences outside of the classroom for every KCPS student.
• Targeted experiences aligned to the grade level curriculum and college and career pathways:
  • Deanna Rose (K)
  • Missouri State Capital (5th)
  • Washington DC - Capitol Hill, Smithsonian National Mall of Museums (8th)
  • Brown vs. Board of Education Museum in Topeka, KS (High School)

Phase 1 – School Year 23-24
Longfellow Elementary

Repurposing

Academics (APR): 49.3%
Enrollment: 235
Five Year Enrollment Trend: -25
Building Score: 3.74
Deferred Maintenance: $6.55M

Rationale:
- District projections show a reduction in elementary school student enrollment, requiring fewer total elementary school facilities.
- The facility is underutilized and has high deferred maintenance for a building with lower capacity. Other elementary schools throughout the district are better positioned for potential future district growth.

Future Use:
- Repurposing

Students Transitioned To: Garcia, Hale Cook*

*Contingent upon boundary assignment and location of specialized programs/services
Central High

Conversion/KCPS Use

Academics (APR): 25%
Enrollment: 472
Five Year Enrollment Trend: -29
Building Score: 6.91
Deferred Maintenance: $14.4M

Rationale:
- District projections show a reduction in high school student enrollment, requiring fewer total high school facilities.
- Facility does not meet the current needs of the district and other High School facilities/sites are better positioned for potential future district growth.

Future Potential Use:
- Professional Learning Center
- Possible swing site for building relocations during renovations/construction

Students Transitioned To: Southeast High*

*Contingent upon boundary assignment and location of specialized programs/services
James Elementary

Repurposing

Academics (APR): 85.7%
Enrollment: 236
Five Year Enrollment Trend: -73
Building Score: 5.43
Deferred Maintenance: $4.37M

Rationale:
- District projections show a reduction in elementary school student enrollment, requiring fewer total elementary school facilities.
- Facility is one of the oldest in the district. The school has strong academics but is small and has many functional challenges that impact educational suitability, including the cafeteria.
- James is near Gladstone Elementary, and all James Elementary students will relocate to Gladstone.

Future Use:
- Repurposing

Students Transitioned To: Gladstone*

*Contingent upon boundary assignment and location of specialized programs/services
Troost Elementary

Repurposing

Academics (APR): 24.3%

Enrollment: 252

Five Year Enrollment Trend: -119

Building Score: 5.82

Deferred Maintenance: $4.33M

Rationale:

- District projections show a reduction in elementary school student enrollment, requiring fewer total elementary school facilities.
- The facility is underutilized, classrooms are very small, and continues to decline in enrollment and student academic performance is low.

Future Use:

- Repurposing

Students Transitioned To: Hartman, Banneker*

*Contingent upon boundary assignment and location of specialized programs/services
Phase 2 – School Year 24-25
Whittier Elementary

Repurposing

Academics (APR): 82.1%
Enrollment: 346
Five Year Enrollment Trend: -114
Building Score: 5.3
Deferred Maintenance: $6.28M

Rationale:
- District projections show a reduction in elementary school student enrollment, requiring fewer total elementary school facilities.
- Despite strong academic performance, Whittier is underutilized and has high levels of deferred maintenance. The educational suitability of Whittier is less than that of neighboring schools.

Future Use:
- Repurposing

Students Transitioned To: Phillips, Garfield, Rogers, Trailwoods*

*Contingent upon boundary assignment and location of specialized programs/services
Wheatley Elementary

Repurposing
Academics (APR): 38.6%
Enrollment: 358
Five Year Enrollment Trend: -62
Building Score: 5.53
Deferred Maintenance: $8.17M

Rationale:
- District projections show a reduction in elementary school student enrollment, requiring fewer total elementary school facilities.
- The facility has very high deferred maintenance and is located approximately four blocks from another elementary school that was constructed in 1994, providing greater educational suitability to support student learning.

Future Use:
- Repurposing

Students Transitioned To: Phillips, Rogers*

*Contingent upon boundary assignment and location of specialized programs/services
King Elementary

Conversion/KCPS Use

Academics (APR): 47.1%
Enrollment: 360
Five Year Enrollment Trend: -48
Building Score: 7.14
Deferred Maintenance: $3.77M

Rationale:
- King shares a campus site with Paseo Academy, a school that currently serves 7-12 grade students.
- The school has low academic performance and declining enrollment.
- Repurposing the current King Elementary would allow for the addition of a new middle school and dedicated high school and would allow for the first new elementary school since 1994.

Future Use:
- New home of Paseo Middle School

Students Transitioned To: Hartman, Faxon/New Construction King, Melcher/New Construction King*

*Contingent upon boundary assignment and location of specialized programs/services
Phase 3 – School Year 26-27
Northeast High

Conversion/KCPS Use

Academics (APR): 32.4%

Enrollment: 605

Five Year Enrollment Trend: -60

Building Score: 5.31

Deferred Maintenance: $6.16M

Rationale:
- District projections show a reduction in high school student enrollment, requiring fewer total high school facilities.
- The facility is underutilized and continues to decline in enrollment and student academic performance is low.

Future Use:
- Swing site for building relocations during renovation/construction
- Other KCPSuse TBD

Students Transitioned To: East (expanded), Southeast (expanded)*

*Contingent upon boundary assignment and location of specialized programs/services
Faxon Elementary

Conversion/KCPS Use

Academics (APR): 67.1%

Enrollment: 285

Five Year Enrollment Trend: -17

Building Score: 5.55

Deferred Maintenance: $2.75M

Rationale:
- District projections show a reduction in elementary school student enrollment, requiring fewer total elementary school facilities.
- The facility is underutilized and continues to decline in enrollment and an unsatisfactory educational suitability building score.

Future Use:
- Possible relocation for Success Academy K-5
- Possible Parent Empowerment Center

Students Transitioned To: New Construction King*

*Contingent upon boundary assignment and location of specialized programs/services
Melcher Elementary

Repurposing

Academics (APR): 75.0%
Enrollment: 310
Five Year Enrollment Trend: -53
Building Score: 3.91
Deferred Maintenance: $5.64M

Rationale:
- District projections show a reduction in elementary school student enrollment, requiring fewer total elementary school facilities.
- The school has high academic performance but declining enrollment.
- The facility is underutilized and has a high amount of deferred maintenance.

Future Use:
- Repurposing

Students Transitioned To: New Construction King*

*Contingent upon boundary assignment and location of specialized programs/services

Importance of Transition Teams and Implementation

Successful implementation will require **extensive, thoughtful work to merge school communities** and create cohesion during the implementation of Blueprint 2030.

In 2016, KCPS created **transition teams** at all schools impacted by the Master Plan – any school identified for closure or any school receiving 25% or more new students due to closure or boundary adjustments. The hard work of parents, students, staff and community members paid off.

KCPS will learn from past successes and shortcomings to create a **transition plan for all schools impacted by Blueprint 2030**. This work will include:

- Dedicated staff to ensure and oversee the transition process
- Community-wide call to assist with the transition process
- Events and activities to bring schools together, honor closing buildings/traditions
Benefits of Blueprint 2030 Implementation

- Redirect $13.2M to Academic Vision investments
- Access to expanded and equitable learning opportunities
- Project-based learning will help students to make real world connections
- World Language exposure in elementary, expansion in secondary
- STEAM elementary schools
- Instrumental music in elementary and secondary schools
- Resources dedicated to field trips and outside of school experiences
- College and Career Pathways
- New or renovated facilities that support Academic Vision
- More clubs and activities
- Increased electives and offerings
- Fully staffed KCPS schools
- More supports in schools for students and staff
Closing Remarks & Next Steps

- Community Meetings
- Staff Meetings
- Student Town Halls
- Planning for Transition Teams at all impacted schools
- Plan for retention of all teachers and school-based staff

Feedback will be collected and used to inform final recommendations in December 2022
