Principal’s Message

November is here and a time to give thanks for what we have and a time of giving to those in need.

I am thankful for the Emerson PTA and all they do for our school. The Emerson PTA coordinated the annual Día de los Muertos (Day of the Dead) celebration. The celebration moved indoors this year due to rainy weather and didn’t skip a beat. Participants enjoyed nichos, altars, art, food, crafts, music, and dancing. Thanks to our business partner Rico Brand who donated burritos and their time to make this celebration a success. Thanks to all who attended this wonderful community event.

The Emerson virtual food drive is underway. Look for a link on the Emerson website to contribute toward our $3000 goal. A donation of $1 will stretch to purchase $8 worth of food. Your contributions go directly to the Utah Food Bank to support families experiencing food insecurity during the holiday season. The Emerson theme of making a positive impact on the community is alive and well. The food drive continues through November 23.

I am thankful for our amazing faculty and staff. I learn from them every day and feel lucky to work with this exceptional team.

Finally, I am thankful for our amazing students. They are our purpose and reason for doing this work each day.

Happy Thanksgiving.

Ms. Reynolds
