Program Information

Mission Statement

Little Eagles Daycare provides quality child care and accessible early learning in a warm, nurturing, and educational environment to meet the needs for children and families of Madison and the surrounding communities.

The primary purpose is to:

- provide a structured, safe environment;
- provide a caring, supportive environment for children to learn and play;
- provide opportunities for healthy social and emotional development;
- encourage independence and self-worth; and
- offer a free-choice atmosphere of educational and recreational activities.

Goals, Objectives and Activities

Weekly lesson plans will be developed and evaluated in writing by each teacher annually. These plans will:

- include large group time, small group time, fine motor experiences, creativity, sensory, science, dramatic play, gross motor, music and outside / gym time play;
- promote the intellectual, physical, social and emotional progress of each child;
- specify activities designed to promote the development of a child in a manner consistent with the child's cultural background;
- be documented in the child's record and conveyed to the parent during conferences;
- include daily schedule for indoor and outdoor activities;
- provide for activities that are both quiet and active, teacher directed and child initiated;
- provide for a variety of activities that require the use of varied equipment and materials; and
- be available to parents for review on request.

Program Activities

For preschoolers, our goals are similar to those indicated for toddlers, although we focus more on pre-reading and pre-math skills. A few examples are sorting, patterning, color awareness, calendar activities, classification, estimating, number and letter recognition and naming, rhyming, picture naming, alliteration and letter sounds. In our weekly lesson plans we also include art (fine motor), outdoor/gym time (large motor), stories and reading, songs, sand and water play (sensory), food projects, creative movement, imitating, and pretending. Staff promote socialization skills by concentrating on manners, privacy rules, non-violent conflict resolution, empathizing, sharing, imagining, and communication skills.

Program Enrichment

Little Eagles Daycare will utilize a curriculum and assessments in the program. Teachers will hold conferences with families twice a year in the fall and spring, or as needed, to go over the growth and progress that their child has made while in the program. Conferences will include an evaluation of the child's intellectual, physical, social, and emotional development.

Certification Capacity

20 Preschoolers (33 months to Kindergarten)

Ratio

1 adult per 10 children

Preschool certification through the State of Minnesota DHS Licensing (651) 431-6283.

Location

Little Eagles Preschool is located in the east wing of the MMN Elementary School at 316 4th Street, Madison, MN 56256. Phone number is (320)698-3161.

Operational Schedule

- Little Eagles Preschool is open five days per week, Monday through Friday.
- Hours of operation are **School year:** 6:00 a.m. through 6:00 p.m.
- **Summer hours:** 6:00AM – 6:00PM Monday thru Thursday and 6:00AM – 5:00PM Friday's
- Little Eagles Preschool is closed on the following holidays: Good Friday, Memorial Day, Independence Day, Labor Day, Thanksgiving Day, the day after Thanksgiving, Christmas Eve Day, Christmas Day, New Year's Eve Day and New Year's Day (If this holiday lands on a weekend and school resumes that Monday, we use it as a floating holiday. Please see daycare calendar for closures). If a holiday lands on a weekend, we will be closed the following business day. If Christmas Eve and Christmas Day land on a weekend, we are closed the Friday before and the Monday after. For New Year's, we will base it off when school is resuming and use New Year's Day as a floating holiday.

Registration

Registration by a parent or guardian is required prior to attendance. Registration forms are available at Little Eagles Daycare and LqPV Community Education. Registration is available on a first-come, first-served basis. Little Eagles Preschool follows strict ratio guidelines and once all classroom slots are filled, children will be placed on a waiting list and the parents will be notified as daily slots become available.

At the time of registration, parents will be given a packet with important forms that will need to be completed before your child is officially enrolled in Little Eagles Preschool. A \$30 non-refundable registration fee, per child, will be required for registration and to be added to the waitlist, if applicable. Each child's file will contain a registration form, emergency card, health care summary, immunization statement and parent/guardian consent forms.

Within 30 days of admission, Little Eagles Preschool must obtain a *Health Care Summary* signed by the child's source of medical care. For children already admitted, an updated *Health Care Summary* signed by the child's source of medical care must be updated at least annually for children under 24 months of age and whenever a child 24 months of older advances to an older age category. An Immunization Record must be submitted documenting current immunizations, a signed notarized statement of parental objection to the immunizations or a medical exemption.

Wait List

A Wait List application, accompanied by the non-refundable \$30 registration/waiting list fee, is the first step in applying for any of Little Eagles' child slots. Applicants are placed on the wait list according to the date of the waitlist application and fee is received. When openings occur, families are contacted according to the information supplied by the parents at the time of application, and offered the slot. Telephones not answered and messages not returned will cause us to go to the next name on the wait list.

As openings in the classrooms occur, enrollment of children is determined by the following criteria:

- Internal movement-moving a child from a younger group to an older group;
- Child of a staff member;
- Previously enrolled child returning from an approved leave of absence;
- Sibling of a currently enrolled child;
- Center waiting list.

Updating Enrollment Records

Each fiscal year (July 1st), Little Eagles Preschool completes an audit of enrollment records. Forms must be updated every year. There is also a \$30.00 registration fee applied on July 1st each year for updating records and keeping your child enrolled. Forms must be completed and turned in by date determined by Director to keep your child enrolled in Little Eagles. Other records must be updated throughout the year, such as physicals and immunization records. When visiting your child's physician for a yearly "well-child" appointment, please request a copy of your child's physical and most recent immunization records. You may bring the records in yourself, or have your physician fax them to us at 320-598-3001.

Arrivals and Departures

Parents and authorized adults must accompany children into and out of the center at all times, and must sign children in and out when coming and going.

- Parents are encouraged to keep routine arrival and departure schedules for optimum staffing.
- Parents will notify the director when children will not be in attendance, dropped off late, or picked up early to ensure proper staffing.
- The staff person responsible in walking the child to the bus/transportation vehicle will sign out children that receive special services and are transported by that third party. After the student arrives back at the center, the staff person responsible in resuming care will sign the child back into care.

Closings

All enrollees will receive the option to sign up for "Snow Days". Our schedule is as follows for school closings. If LQPV closes the night before or the day of due to weather (snow or frigid temperatures), Little Eagles is ONLY open from 8:00AM – 4:00PM. If LQPV is let out early due to weather (any related weather), Little Eagles closes at 4:00PM. If LQPV has a late start, Little Eagles opens at 8:00AM and closes at regular time unless school closes. In the case of a natural disaster, Little Eagles will follow the school schedule. If LQPV is closed due to a natural disaster, we will be closed.

Clothing and Items to be Provided by Parents/Guardians

Children often become so involved in activities at the center that they forget about the types of clothing they are wearing. To meet the children's needs to fully participate in the program and be successful in dressing themselves, parents should keep the following in mind when dressing their children for Little Eagles Preschool:

- Be simple enough so the child can put it on and take it off easily.
- Be loose enough to provide freedom of movement.
- Be durable and washable enough to permit vigorous play.
- Be inexpensive so that soiling, damage, or loss will not cause great concern.
- Be appropriate to present weather conditions.
- ALL clothing should be labeled with the child's name.

All children need a complete change of clothing at the center. Those being toilet trained should have 3 complete sets of clothing in their cubbies or lockers.

Disposable diapers and wipes for preschoolers must be provided and be labeled with the child's full name. Diaper rash ointment is optional; if needed, please provide and label with the child's full name.

For nap time, a blanket and/or soft toy is acceptable.

Food will be provided by Little Eagles Preschool. If your child requires a food not covered by our food service program, parents will need to supply that food.

Services for Children with Special Needs

Little Eagles Preschool does provide services to children with special needs, granted the needs of the individual child can be met adequately. When a child with a diagnosed special need is admitted into the program, staff shall develop an Individual Child Care Plan to meet the child's individual needs. The plan shall be developed in a joint effort with the child's parents, school district personnel, and medical or health personnel involved in the child's diagnosis or treatment. The plan shall be coordinated with the child's individual education plan (IEP) as developed by the school district or medical personnel.

Staff Supervision

All children will be under an adult's supervision at all times. No staff member may ever leave a group of children without supervision. Teacher/child ratios for each age group will be maintained at all times. If a family shows up that would put the classroom out of ratio, the staff is NOT allowed to accept the children and the parent must wait. The staff person is to then call the Director immediately. Teachers are responsible for knowing how many children are in their care at all times and will position themselves in the classroom in order to view all the children at any time. The classrooms are arranged so that children can be readily observed in all areas. The classroom is checked daily for safety of materials and arrangements.

Missing Children

If a child is missing, Little Eagles Preschool will follow the guidelines. The order in which they are completed is dependent on the age of the child and the situation.

1. Re-check attendance information including the parent notebook and sign-in/out.
2. Check with all classroom and office staff. If child accidentally got on the bus, contact the bus driver immediately to have them returned to the school.
3. Do an “all call” throughout the building and grounds, if necessary.
4. If child cannot be accounted for, one staff person will be in charge of organizing a search while another contacts police, parents, and school.

Unauthorized Pick Up

For each child’s protection, the only people authorized to pick up a child are those designated by the parent/guardian on the contract. If someone else is picking up your child, you must inform Little Eagles Preschool of this change in writing (text or message the Procure Engage App). This person must provide a picture ID in order for the student to be released.

Unsafe Pick Up

If a staff person determines that a child could be in danger if allowed to leave with someone who is not in a position to adequately supervise and care for that child the staff person will call an emergency contact to pick up the child. If the person insists on taking the child against the recommendation of staff, we will call 911 for police assistance to do what is necessary to protect the child from any perceived threat of danger. This includes anyone who is mentally incapable, incapacitated by drugs or alcohol or is suspected of abuse.

Late Pick Up/Drop-off

If a child is not picked up by closing time, parents will be contacted immediately. If there is no response, staff will call the emergency contacts listed. If there is still no response, staff will call the police for further assistance. A late charge will be assessed for all late pick-ups or drop-offs according to contract: \$10.00 for each child. A late charge will be assessed for all late pick-ups after 6:00PM for \$10 the first 5 minutes (6:00PM – 6:05PM) and \$15 for every 10 minute increments after 6:05PM. These fees will be included in the invoice and must be paid with weekly invoice amount.

Confidentiality

All staff are required to keep all knowledge about the children confidential. All confidential materials will remain in a lockable filing cabinet. Children will never be discussed in the presence of other families or children. No information can be shared with an outside agency without the written consent from the legal guardian. Parents are also expected to maintain confidentiality of identity when talking about their child’s activities at Little Eagles Preschool.

Fees, Payments and Absences

Current Pricing (2022-2023 School Year)

	Flat Rate
Preschool (33 months until 1 st day of Kindergarten)	\$160.00

Contracting

How to Contract:

- Parents will fill out the contract for their child every year and with every transition.
- Parents will fill out the specific times that are needed for their child.
- With the flat rate, all families are charged for all five days regardless if a family chooses to utilize all five days.
- If you normally pull your child for the summer, you will still be charged the contracted flat rate based on your child's age if you wish to hold your spot. If you choose to pull your child for the summer and do not want to pay the flat rate, please see the Withdrawal/Termination section. If you need a drop-in, it will be based on staff availability, classroom and ratio guidelines.

Contract Changes:

- If you need to make changes to your contract, ask the Director for an Amended Contract. Please use this option conservatively. Parents are allowed **2** contract changes in a year. This could be used for times needed, or amount of days needed if not utilizing 5 days. After that, there will be a **\$10** charge to adjust the contract. More than three changes to the contract may be considered abusive, and your contract may be changed to drop-in status only.
- Changes to the contract require a two-week written notice.

Withdrawal/Enrollment Termination

- Parents may withdraw a child from Little Eagles Daycare at any time. To withdraw, you must let the office know, **in writing**, at least **2 weeks** prior to the effective change date.
- Parents who fail to provide the notice may be liable for the equivalent of two week's tuition or fees.
- All outstanding balances must be paid in full or will be subject to collections.
- If you withdraw from Little Eagles Preschool you will need to submit a new waitlist application with the registration fee of \$30.00 to be added back to the waitlist.
- Parents must comply with the Little Eagles Preschool center's policy on required forms and meet deadlines for submission of forms or paperwork given by the Director. If parents do not comply, it will be documented and continual denial of compliance will be grounds for enrollment termination.

Drop In Child Care

- Children may attend on a drop-in only basis, or you may add drop-in care in addition to your contracted days.
- You must call no more than 24 hours in advance to ensure space is available for you to drop in.
- Drop-In availability is completely dependent on staff, classroom enrollment and ratio guidelines

Fee Assessment

At the time of enrollment or at the beginning of each school year, parents shall be asked to identify their child's weekly attendance schedule by contracting for specific days. Fees will be assessed each week coinciding with your selected contracting option. Additional charges (**past due, late pick up, finder's fee, NSF/denied charge etc.**) will be assessed at the end of each week. Families will be charged according to their contract times. A late charge will be assessed for all late pick-ups and drop-offs according to contract: \$15.00 after the first 15 minutes and \$10 for each additional 15 minutes until child is picked up. A late charge will be assessed for all late pick-ups after 6:00PM for \$15 the first 5 minutes (6:00PM – 6:05PM) and \$10 for every 10 minute increments after 6:05PM. These fees will be included in the invoice and must be paid with the weekly invoice amount. This is for staffing purposes. If a family is part of county assistance, receiving some sort of grant or other funding, those funds do not cover the late fees assessed by the families. They will be included in a different invoice. That invoice must be paid immediately. If not paid within 1 week, children will not be able to return until invoice is paid in full.

Reimbursement: Families will receive reimbursement only if Little Eagles has to close a room or asks a family to keep their child at home due to staff shortage. If your child attends for any portion of the day, no matter the length, you are charged for that day. If Little Eagles closes a room early due to staff shortage, and you choose not to attend at all, you are still charged for that day and will not receive a reimbursement. If the classroom is open for any length of time, families are charged whether they attend or not that day.

Payment Process

Parents will be billed weekly on Friday's for the following week. Bills need to be paid within 4 business days, by Thursday of the next week of receiving the emailed invoice. A bill that is past due will be charged a \$10 late fee.

Payment options include:

- payment with a credit or debit card through our Director. Credit cards are ran bi-weekly or monthly according to our payment schedule. There is a \$2.00 fee assessed every week to help offset expenses of technology and credit card fees we incur. Any cards that are denied, will be charged a \$30.00 NSF fee.
- paying by check, make checks payable to Little Eagles. They can be left in the Little Eagles payment box located by the infant room. Returned checks will be charged a state allowed recovery fee of \$30.00.

If your account balance is **two weeks past due, services will be suspended until the account is current.** You will continue to be charged according to your contract during this suspension. If service is suspended for more than one week without payment, your child care slot will be opened up and made available to families on the waiting list. Re-enrollment will then be required and will be dependent on space availability.

Custody Issues

Staff will not be involved in custody disputes between parents. We will be unable to separate children's accounts. It is the parent's responsibility to work out the scheduling and payments for child care. The person who signs the Little Eagles Preschool contract is responsible for making payments associated with the account.

Financial Assistance

Financial assistance is available to income-eligible families. Lac qui Parle County Family Services has Daycare Assistance. It is the family's responsibility to contact LqP Family Services to request funds. MDE Early Learning Scholarships may also be available.

Absence Notification

Parents must notify **their Lead Teacher for their child's classroom by 7:00 am** or earlier if their child will be absent. This information is used when planning daily staff schedules, transportation and food service, and allows the staff to be informed of your child's whereabouts. Non-notification will result in a finder's fee charge on the invoice.

Missing Preschool Children and Associated Finder's Fee

When a registered pre-school child does not come to the Little Eagles Preschool meeting location; preschool room for School Readiness/Head Start, south door for Little Blessings), the staff member will follow these steps to determine the child's whereabouts:

1. Talk to the child's teacher (if possible) to determine the last time the child was seen, or of any schedule changes he/she is aware of.
2. Contact school and city bus drivers on whether he/she is on the bus and needs to be returned.
3. Call the parent's cell phone to verify any schedule changes.

A dated, written note explaining the steps followed will be placed in the child's file with a copy placed in the family folder.

Little Eagles Preschool is expecting the child and is not staffed to search the school facilities for them. Please remember that this policy is for the safety of your child. If we must spend time searching for a child because the parent has neglected to inform us of an absence, the parent will be charged a \$5.00 finder's fee in addition to their contract.

Parent Communication and Involvement

Parent Communication

Parents are welcome at Little Eagles Daycare at any time. They are encouraged to come in and visit or observe as their schedule allows – advance notice is not always necessary. Volunteer help is always welcome also. Staff shall occasionally ask parents to help with special projects and field trips.

Little Eagles staff can do a better job of caring for children if they work together with and communicate with parents on a frequent basis. We utilize a Procare Engage App that you will receive a link to once your child is enrolled in the program. This will allow for you to see activities as they occur, receive any messages sent my staff or the director, it also allows you to communicate easier with the staff in the classroom. We encourage parents to talk with staff about their child regarding classroom activities and behaviors while still contacting the Director regarding drop-ins.

Staff shall continually monitor each child's intellectual, physical, social and emotional development. Status reports are maintained for each child and are conveyed to parents during annual parent/teacher conferences.

Parent Conferences and Daily Reports

Little Eagles Preschool will ensure that the parent of a child is informed of the child's progress through:

- individual parent conferences with a written assessment reflecting on the child's intellectual, physical, social and emotional development which is planned and offered at least twice a year;
- documentation in the child's record that individual parent conferences were planned and offered; and
- daily written reports to the parents of infants, toddlers and preschoolers about the child's food intake, elimination, sleeping patterns and general behavior.

Emergency Contact Information

For safety reasons it is imperative that parents provide current information on their child's forms. Should any changes occur throughout the school year parents are expected to inform Little Eagles Preschool immediately.

Child Care Program Plan Review

The Child Care Program Plan is developed and evaluated in writing annually by the Community Education Director, Little Eagles Preschool Director and a Little Eagles teacher and is available for parental review at any time. If you wish to review this document, please contact the Director.

Visitors

Parents are welcome to visit the program any time during our hours of operation. All doors to the school will be locked from 8:30 a.m. to 3:15 p.m. Access to the center is available through a doorbell located on the door of the main entrance to Little Eagles Preschool. Staff must open the doors to allow entrance between the hours of 8:30 a.m. and 3:15 p.m. All visitors are required to sign in to the Little Eagles office before being permitted to enter the facility. Staff is trained to speak to all visitors that enter the center and assist them in finding the appropriate information.

Field Trips/Outings

Written permission for field trips will be received prior to the event.

Children will be under direct supervision at all times. Specific children are assigned to specific staff on all field trips following a low staff/child ratio. Children are tracked regularly on outings using a "name to face count".

Field trips are not optional as we do not staff for children to stay back, and all children who are in attendance are required to attend field trips. If a parent does not wish for their child to attend a field trip they would need to find alternate care for that time.

Playground / Outdoor Play

Daily outdoor play is scheduled for all children. Little Eagles Preschool does not go outside when ambient air temperatures are 10° or colder. Parents should ensure their child has clothing suited to the weather. This includes hat, mittens, coat, snow pants, boots, etc.

Little Eagles Preschool also monitors the Heat Index. When it is determined that the heat is excessive for young children, all children will remain their classroom for the day.

Pets

Pets will be only allowed at Little Eagles Preschol with a 1 week prior approval by the Director. Parents will be notified by a note home with the details. Little Eagles will also have a record of the pet's rabies shots on file.

Special Events

If you would like to celebrate your child's birthday with a special snack, please discuss it with a staff person in your child's room ahead of time. Our licensing requires us to only serve pre-packaged, store-bought food. You may also purchase/order from the LqP Valley Schools Food Service program.

Research and Observation

In the event of possible research, observation, or experimental procedure involving a child in the program, all parents would be required to give written permission for the child to participate. At the time that parents sign the contract they have the option to give, or deny, permission for health and behavior information about their child to be shared with Little Eagles Preschool for the purpose safety and in order to provide a positive care experience for their child.

Parent Grievance Policy

If a parent/guardian has a grievance with a staff member or policy, s/he should talk to the staff member and try to resolve any issues. If there is no resolution, the parent/guardian should bring his/her concern to the Director.

If a parent/guardian has a grievance with the Director, s/he should talk to the Director and try to resolve any issue. If there is no resolution, the parent/guardian should bring his/her concern to the Community Education Director which is Steve Sterud.

Parent Code of Conduct

Little Eagles Preschool requires the parents of enrolled children to behave in a manner consistent with decency, courtesy, and respect. One of the goals of Little Eagles Preschool is to provide the most appropriate environment in which a child can grow, learn and develop. Achieving this ideal environment is not only the responsibility of our employees, but is the responsibility of each and every parent or adult who enters the building. Parents are required to behave in a manner that fosters this ideal environment. Parents who violate the Parent Code of Conduct will not be permitted on center property thereafter.

Swearing/Cursing

No parent or adult is permitted to curse or use other inappropriate language on program property at any time, whether in the presence of a child or not. Such language is considered offensive by many people and will not be tolerated. If a parent or adult feels frustrated or angry, it is more appropriate to verbally express the frustration or anger using non-offensive language. At NO time shall inappropriate language be directed toward members of the staff.

Threatening of Employees, Children, or Other Parents of the Program

Threats of any kind will not be tolerated. In addition, all threats will be reported to the appropriate authorities and will be prosecuted to the fullest extent of the law. While apologies for such behavior are appreciated, the program will not assume the risk of a second chance. Parents must be responsible for and in control of their behavior at all times.

Physical/Verbal Punishment of Your Child or Other Children

While Little Eagles Preschool does not support nor condone corporal punishment of children, such acts are not permitted in or on program property. While verbal reprimands may be appropriate it is not appropriate for parents to verbally abuse their child. Doing so may cause undue embarrassment or emotional distress. Parents are always welcome to discuss a behavior issue with the teacher and to seek advice and guidance regarding appropriate and effective disciplinary procedures.

Parents are prohibited from addressing, for the purpose of correction or discipline, a child that is not their own. Of course, no parent or other adult may physically punish another parent's child. If a parent should witness another parent's child behaving in an inappropriate manner, or is concerned about behavior reported to them by their own child, it is most appropriate for the parent to direct their concern to the classroom teacher and/or program director. A few instances could be biting, spitting, hitting or kicking. Our staff are trained and provided a guidance on how to handle these situations:

- **Biting:** If a child is biting, the child is placed in a "calm down" session in their classroom, but away from the incident with a staff member. The staff member will talk with the child and ask why they bit and explain to them what they should have done. After set time (based on child's age), the child will apologize to the hurt individual and resume activities.
- **Spitting:** If a child spits on another child or staff, the staff member is to take the child by the hand, walk them to the sink located in each room, and explain to the child that the only place allowed to spit is in the sink. They will be on eye level with the child when speaking with them. Once the child has quit spitting and apologize to the individual, they can resume normal activities.
- **Hitting/Kicking:** Hitting or kicking will not be tolerated at any point. If a child hits another child or staff, they will be taken to the "calm down" area with a staff within their classroom and talked to. If it happens again in the same day, the parents will be notified and their child will be asked to leave for the day.

Please see the behavior policy within this packet.

Furthermore, it is wholly inappropriate for one parent to seek out another parent to discuss their child's inappropriate behavior. All behavior concerns should be brought to the classroom Lead Teacher or Director's attention if you feel the teacher's response did not meet your needs adequately. At that point, the teacher and/or director will address the issue with the other parent. Although you may be curious as to the outcome of such a discussion, teachers and/or the director are strictly prohibited from discussing anything about another child with you. All children enrolled in our program have privacy rights and are further protected by our Confidentiality Policy. You may be assured that we will not discuss anything about your child with another parent or adult visiting the center.

Smoking

For the health of all Little Eagles Preschool employees, children, and associates, smoking is prohibited anywhere on district property. Parents are prohibited from smoking in the building, on the grounds, and in the parking lot of MMN Elementary School. Parents who are smoking in their cars must dispose of the cigarette prior to entering the drop off area and parking lot.

Violations of the Confidentiality Policy

Little Eagles Preschool takes very seriously the responsibility of maintaining the confidentiality of all persons associated with the program. Parents must understand the implications of this responsibility. Parents need to recognize that the Confidentiality Policy not only applies to their child or family, but all children, families and employees associated with Little Eagles Preschool. Any parent who shares any information considered to be confidential, pressures employees or other parents for information which is not necessary for them to know, will be considered to be in violation of the Confidentiality Policy and their contract could be terminated.

Meal / Food Policy

Meals

Little Eagles Preschool provides breakfast, morning snack, lunch, and an afternoon snack for children who are in attendance at the time of serving. All meal and snacks will be provided by the LqP Valley Schools Food Service program.

All menus must comply with the nutritional requirements of the USDA, providing one-third of the child's daily nutritional needs. Menus will be given to each family monthly. Cold (bagged) lunches sent from home are accepted as long as the meal provides one-third of the child's daily nutritional needs as required by the USDA.

Food Allergy Safety

Little Eagles Preschool will obtain documentation of any known allergy from a child's parent/legal guardian or the child's source of medical care before admitting the child for care. If a child has a known allergy, Little Eagles will maintain current information about the allergy in the child's record. We will work to have an alternative food provided for that child.

Foods from Home

Our standard operational procedures prohibit foods brought into the center from homes with the following exceptions:

- Parents bring in food to celebrate a child's birthday or special occasion that is store packaged and un-opened.
- Cold lunch from home, must provide one-third of the child's daily nutritional needs as required by the USDA.

Special Feeding Needs

Little Eagles Preschool enrolls children with special needs whenever feasible for the child and the center. If a child currently enrolled develops signs of special needs, center staff continues to work with families sharing resources and support. When children have special feeding needs, program staff keeps a daily record documenting the type and quantity of food a child consumed that day and shares that information with parents.

Food Temperature

Liquids and foods that are hotter than 110° are kept out of children's reach. We check food temperatures when food arrives from the kitchen to ensure a hot food temp of 140° or higher. Food temperature notices are posted in the food preparation areas of the center.

USDA Nondiscrimination Statement

In accordance with federal civil rights law and U.S. Department of Agriculture (USDA) civil rights regulations and policies, the USDA, its Agencies, offices, and employees, and institutions participating in or administering USDA programs are prohibited from discriminating based on race, color, national origin, sex, disability, age, or reprisal or retaliation for prior civil rights activity in any program or activity conducted or funded by USDA.

Persons with disabilities who require alternative means of communication for program information (e.g. Braille, large print, audiotape, American Sign Language, etc.), should contact the Agency (State or local) where they applied for benefits. Individuals who are deaf, hard of hearing or have speech disabilities may contact USDA through the Federal Relay Service at (800) 877-8339. Additionally, program information may be made available in languages other than English.

To file a program complaint of discrimination, complete the USDA Program Discrimination Complaint Form, (AD3027) found online at: http://www.ascr.usda.gov/complaint_filing_cust.html, and at any USDA office, or write a letter addressed to USDA and provide in the letter all of the information requested in the form. To request a copy of the complaint form, call (866) 632-9992. Submit your completed form or letter to USDA by:

- (1) Mail: U.S. Department of Agriculture Office of the Assistant Secretary for Civil Rights 1400 Independence Avenue, SW Washington, D.C. 20250-9410;
- (2) Fax: (202) 690-7442; or
- (3) Email: program.intake@usda.gov

This institution is an equal opportunity provider.

Toilet Training Policies and Procedures

Underwear/Training Policy

At Little Eagles Preschool we will not put children into underwear until they have been completely accident free in our program for two full weeks.

Nap Time Training

Little Eagles Preschool requires diapers/pull-ups for rest time until the child has slept through rest time for one full month without an accident. Sometimes children “nap-train” right away when they are “awake time” trained. Most children are not able to do this and it may be many months or sometimes years before they are nap-trained.

What Children Should Wear During Training

Children should wear easy on and off pants during training. We prefer sweat pant like bottoms until they are physically capable of doing snaps and buttons on their own. Please don't send them in anything that requires us to remove the top to get to the bottom. We do not allow overalls, union suits, one-piece jammies, or shirts with snaps at the crotch. Belts and suspenders are never allowed in the program for safety reasons.

Diapers and pull-ups are okay for training. We do not use pull-ups until the child is at the one week mark without accidents. We do not allow cloth diapers or underwear with plastic pants. If you have had great success at home we can do the training with the underwear and a pull-up over the underwear during the training. If the child has regular accidents in the underwear staff members will switch them back to regular diapers and try again at another time.

Prohibited Actions

Little Eagles Preschool will not put children on a “potty schedule” where they go every half hour or hour. This is very time consuming with little to no benefit. This makes children unable to go on our walks because they are not capable of lasting very long without having to come back to use the potty. This would result in our entire day centering around the potty which is not realistic in our setting nor is it the goal of our early education program.

We do not limit food or drinks to only be given at certain times, nor will we limit the amount of food or beverage below the state meal pattern requirements. We will maintain the same food and snack schedule during training. We will never withhold water from a child who is thirsty.

We do not clean out poop undergarments. We will bag urine soaked undergarments and return it to the parent at the end of the day but we will not do this with soiled undergarments. We must dispose of that immediately into the garbage. We don't do laundry of any soaked or soiled clothes. They are bagged, placed in the child's locker, and returned to the parents at pick-up time.

When a Child is ready to Potty Train

Little Eagles staff will:

1. start reading potty books and talking about going potty in the big girl or big boy potty during changing.
2. have them sit on the potty during our natural transition times (before and after meals, before and after naps, and diaper changes)
3. practice with them getting their pants up and down on their own and hand washing.
4. supervise them and watch for signs that they have to go or are going and get them off to the potty.
5. keep close communication with the parents about any indicators suggesting the child is ready.

Definition of a “Potty Trained” Child

A potty trained child is a child who can do the following:

1. Be able to TELL the adult they have to go potty BEFORE they have to go. They must be able to say the words “I have to go potty” BEFORE they have to go.
2. Be able to pull down their undergarments and pants and get them back up without assistance.
3. Be able to wipe themselves after using the toilet.
4. Be able to get off the potty by themselves.
5. Be able to wash and dry hands.
6. Be able to go directly back to the room without directions.
7. Be able to postpone going if they must wait for someone who is in the bathroom or if we are outside and away from the house.

Children who are ready to train have the ability to perceive events that are going to happen before they happen. Because we cannot allow children to go in and out of the room to freely use the potty they MUST learn they have to tell us so that we can accompany them into the room and supervise them.

At Little Eagles Preschool, we are prohibited by state regulations to allow children to go to the bathroom unaccompanied. As a result, children need to learn that they must tell an adult they have to go BEFORE they have to go. We do not accept signs that the child has to go or nonverbal behavior. Children must be able to say the words “I have to go potty”.

Behavior Guidance Policies and Procedures

Little Eagles staff guide children's behavior by providing a positive model of acceptable behavior. Children are taught to use positive and constructive communication to resolve conflict.

- Each child is provided with a positive model of acceptable behavior.
- Behavior guidance will be tailored to the developmental level of the child.
- Children are redirected away from problems toward constructive activity in order to reduce conflict.
- Children are taught how to use acceptable alternatives to problem behavior in order to reduce conflict.
- The safety of children and staff persons will be protected.
- Immediate and directly related consequences will be provided for a child's unacceptable behavior.

A few instances could be biting, spitting, hitting or kicking. Our staff are trained and provided a guidance on how to handle these situations:

- **Biting:** If a child is biting, the child is placed in a "calm down" session in their classroom, but away from the incident with a staff member. The staff member will talk with the child and ask why they bit and explain to them what they should have done. After set time (based on child's age), the child will apologize to the hurt individual and resume activities.
- **Spitting:** If a child spits on another child or staff, the staff member is to take the child by the hand, walk them to the sink located in each room, and explain to the child that the only place allowed to spit is in the sink. They will be on eye level with the child when speaking with them. Once the child has quit spitting and apologize to the individual, they can resume normal activities.
- **Hitting/Kicking:** Hitting or kicking will not be tolerated at any point. If a child hits another child or staff, they will be taken to the "calm down" area with a staff within their classroom and talked to. If it happens again in the same day, the parents will be notified and their child will be asked to leave for the day.

Prevention

Every effort will be made to make reasonable adjustments to the program to accommodate the needs of each child. Adjustments may be made in the areas of environment, activities, and the grouping of children. It may also be appropriate to evaluate whether or not the program is a proper fit for the individual child.

Positive Redirection

Staff will help the child identify acceptable alternatives to unacceptable behavior and help the child understand the impact of his/her behavior on self and others. Having multiple play and learning areas is key to the success of the children at Little Eagles Daycare.

Persistent Unacceptable Behavior

1. Staff will observe and record the behavior of the child and the staff's response to the behavior in the behavior log.
2. Develop a plan to address the behavior documented in the behavior log in consultation with the child's parent and staff when appropriate.

If a child exhibits severe behavior, the behavior will be recorded in the behavior log. Two instances of severe behavior will require a conference with the family, and other professionals when appropriate, to develop a plan to address and change the behavior. Four or more instances of severe behaviors may be grounds for dismissal from Little Eagles Daycare.

IEPs/1:1 Assistance

Little Eagles Preschool is not designed to provide long-term 1:1 assistance for children. If a child receives personal care support outside of the classroom, has an identified special need, or has a behavior plan developed; it is the parents' responsibility to identify their child's needs on the appropriate forms at the time of enrollment. An individual conference to determine if Little Eagles Preschool can meet the needs of the student may be necessary before enrollment is considered.

Separation from the Group

1. No child may be separated from the group unless the teacher has tried less intrusive methods of guiding the child's behavior, which have been ineffective, and the child's behavior threatens the well-being of the child or other children in the center.
2. A child who required separation from the group will remain within an unenclosed part of the classroom where the child can be continuously seen and heard by a program staff person.
3. The child's return to the group is contingent on the child's stopping or bringing under control the behavior that precipitated the separation.
4. The child will return to the group as soon as the behavior that precipitated the separation abates or stops.
5. A child between the ages of six weeks and 16 months must not be separated from the group as a means of behavior guidance.

Separation Report

1. All separations from the group will be notified on a daily log.
2. The log will contain notations of child's name, staff person's name, time, date and information indicating what less intrusive methods were used to guide the child's behavior and how the child's behavior continued to threaten the well-being of the child or other children in care.
3. If a child is separated from the group three times or more in one day, the parents will be notified and the parent's notification shall be indicated on the daily log.
4. If a child is separated from the group five times or more in one week or 8 times or more in 2 weeks, a plan will be developed to address the behavior documented in consultation with the child's parent and staff.

Prohibited Actions by Staff

1. inflicting physical pain (i.e. rough handling, shoving, hair pulling, ear pulling, shaking, slapping, kicking, biting, pinching, hitting, spanking, etc.)
2. subjection to emotional abuse (i.e. name-calling, ostracism, shaming, shouting, threatening, ridiculing, or using language that threatens, humiliates, or frightens the child, etc.)
3. separation from a group
4. punishment for lapses in toilet habits
5. withholding food, light, warmth, clothing or medical care as punishment
6. the use of physical restraint, other than to physically hold a child when containment is necessary to protect a child or others from harm
7. the use of mechanical restraints, such as tying
8. making derogatory remarks about a child or the child's family

Allergy Prevention and Response

Little Eagles Preschool will obtain documentation of any known allergy from a child's parent/legal guardian or the child's source of medical care before admitting the child for care. If a child has a known allergy, Little Eagles will maintain current information about the allergy in the child's record.

Individual Child Care Program Plan for Allergy

There will be an Individual Child Care Program Plan in place with each child's known allergy. The plan will include, but not limited to, a description of the allergy, specific triggers, avoidance techniques, symptoms of an allergic reaction, and procedures for responding to an allergic reaction, including medication, dosages, and a doctor's contact information.

Little Eagles Preschool will be responsible for carrying out the individual child care program plan review and follow the plan. Documentation of staff's review will be kept on site. Each individual child care program plan will be reviewed and updated at least annually or following any changes made to allergy-related information in the child's record. Each staff person who is responsible for carrying out the individual child care program plan will be informed of any changes. Documentation that the staff person was informed of any changes will be kept on site.

A child's allergy information will be available at all times. In each classroom and the area where food is prepared and served, there is a posting indicating which children are currently affected by allergies. Information will also be readily available when on field trips or during transportation.

Little Eagles will notify the child's parent/legal guardian as soon as possible in any instance of exposure or allergic reaction that requires medication or medical intervention. Each staff member will be trained in the use of Epi-Pens, and will call emergency medical services when epinephrine is administered to a child in Little Eagle's care.

Health & Safety Policies

Transportation Policy

Little Eagles does not transport any children in a vehicle and does not take responsibility for buckling an infant in their own car seat. If a child needs to be transported to a hospital due to injury or sickness, an ambulance will be called and the child is transported by the ambulance crew.

Citation: Minnesota Statutes, section 245H.13, subdivision 6, item A and B.

Notice of a Sick Child

If a child becomes sick at Little Eagles Daycare, parents will be called immediately. For the protection of all children, we cannot accept or keep a child who is displaying any of the following conditions:

1. a contagious illness or condition that has not had sufficient treatment to reduce the health risk to others.
2. chicken pox until the lesions are crusted over and the child is no longer infectious.
3. has vomited two or more times in the previous 24 hours.
4. has had three or more abnormally loose bowel movements within the previous 24 hours.
5. has contagious conjunctivitis (pink eye) or pus draining from the eye.
6. has a bacterial or strep infection or impetigo and has not completed 24 hours of antimicrobial therapy.
7. is unusually tired or has unexplained lethargy.

Continued...

8. has lice, ringworm, or scabies that is untreated.
9. has a 100.4°F fever or higher temperature of undiagnosed origin before fever reducing medication is given or when accompanied by behavior changes or other indications of illness.
10. has an undiagnosed rash or a rash that may be attributable to a contagious illness or condition.
11. has significant respiratory distress, uncontrolled coughing, wheezing, or difficulty breathing.
12. is not able to participate in program activities with reasonable comfort or displays persistent irritability or crying.
13. requires more care than staff can provide without compromising the health and safety of other children in care.

If a child becomes ill while at the center, the child will be placed on a cot in an area that is isolated from the other children in care but still within view and hearing distance of a staff person at all times. The parent will be called and asked to pick up the child as soon as possible. A sick child will need to be picked up within an hour of contacting the family. A sick child will be supervised until s/he is picked up.

A child must be **free of fever or diarrhea for 24 hours before returning to the center** and can no longer be in the contagious stage of a communicable disease. A doctor's note is required for a child to return in cases of undiagnosed rashes, skin lesions, running eyes, and other potentially communicable diseases. In the case of Head Lice, the child may not return to the center until two treatments have been completed (the first treatment when discovered, and the second treatment 7-9 days after the first) and all nits are removed from the hair. The director or teacher will check the hair for nits on his/her first day back to be sure the nits are gone.

Contagious Disease Notification

If a child is diagnosed as having a contagious disease or condition, the parent/guardian is **required** to inform the center of the diagnosis **within 24 hours** of diagnosis so that a notice of possible exposure to illness or contagious condition can be posted to alert other parents. Conditions to be reported include: ringworm, scabies, pink eye, impetigo, lice, measles, chickenpox, strep infections, etc.

Little Eagles will notify Countryside Public Health if notified of any suspected case of reportable disease within 24 hours of receiving the parent's report.

Head Lice Policy

Children found to have live lice in their hair will be sent home and parents will be required to shampoo their hair with an appropriate lice killing shampoo product and remove all nit eggs before readmission to Little Eagles. Parents must also repeat the treatment at day 7.

Once head lice has been diagnosed or discovered on your child or a child in the room, it is important to respond quickly so that the spread of lice to others can be prevented.

Procedure:

1. Staff will check for evidence of live lice and/or nit eggs when children have observable problems with their hair (i.e. itching, scaling, dry scalp, dandruff, etc.).
2. Lice checks will occur individually in another room. Each lice check will be recorded, noting the date, time, students and results of the checks.

Continued...

3. If live lice and/or viable nit eggs are found, the child's parent will be contacted and the child will be sent home for treatments.
4. All students returning to Little Eagles Daycare from treatment at home will be checked by staff. Hair will be checked on day 7, 14, 21 and 28 to prevent reinfestation. Parents are required to repeat the lice killing treatment at day 7.
5. A classroom check will be initiated whenever lice are found on one of the children in that room.

Administration of Medicine

If the parent requests that staff administer medication or preventive treatment (diapering products, sunscreen, insect repellent, etc.) to a child while s/he is at Little Eagles Preschool, the parent or guardian must:

1. fill out and sign a Medication Authorization Form.
2. provide written instructions from a licensed physician or dentist for the administration of each prescription medication.

All medicine must be kept in its original container and have a legible label stating the child's name. The medicine must be given only to the child whose name is on the label. The medicine must not be given after an expiration date on the label, and any unused portion must be returned to the child's parent or destroyed. Little Eagles must ensure that the administration of medicine is recorded with the name of the child, name of medication, date, time, dosage and the name and signature of the person who dispensed the medicine. This record is available to the parent and maintained in the child's record.

Non-prescription medicine such as sunscreens and insect repellents supplied by Little Eagles Preschool may be used on more than one child. A product to control or prevent diaper rash, including pre-moistened commercial wipes that cannot be dispensed in a manner that prevents cross contamination of the product and container as determined by Public Health, must be labeled with the child's name and used only for the individual whose name is written on the label.

Medicines, insect repellents, sunscreen and diaper rash control products must be stored according to direction on the original container and so they are inaccessible to children.

Biting Policy

Biting is a behavior that usually appears between the ages of one and three years. While biting is an age-appropriate behavior, it is important to remember it is also an unacceptable behavior in a childcare environment. Children bite for a variety of reasons: teething, sensory exploration, cause and effect, imitation, crowding, seeking attention, frustration and stress. Biting is not something to blame on children, their parents or their teachers. There are a variety of strategies we implement at Little Eagles Daycare to prevent and stop biting. This is the process followed when a child bites:

- The biting child is stopped and told, "Stop biting. Biting hurts" in a firm voice. Teachers should remain calm, being careful not to show anger or frustration towards the child.
- The biting child is removed from the situation. Depending upon the observed motive for the bite, the separation may include re-direction or meeting the child's needs. As little attention as possible will be placed on the biting child, to avoid reinforcing the behavior.
- Appropriate first aid will be provided to the child who was bitten. Bite will be washed with soap

All information is confidential and names of the children involved in the incident are not shared between parents. In addition, biting is always documented on an Incident/Accident Report, which is completed and signed by a teacher and parent. A copy is provided to the parent and the original kept in the child's permanent enrollment file in the office.

First Aid/CPR Policies and Procedures

Staff are required, while employed at Little Eagles Preschool, to maintain current certifications in Infant and Child CPR, First Aid and AED. At least one certified staff member is always present with each group of children.

Little Eagles will ensure that a first aid kit is available within the center. The kit must contain sterile bandages, band-aids, sterile compresses, scissors, cold pack, an oral or surface thermometer and adhesive tape. A current first aid manual will be included. The first aid kit and manual must be accessible to the staff in the center and taken on field trips.

Instructions for carrying out emergency, accident and injury policies will be made available to all staff members at the time of hire and in their employee handbook, and will also be given to the parents at the time of enrollment as a part of their parent handbook. Detailed instructions for specific instances/emergencies will be available in all classrooms.

Emergency Policy

In the event of an emergency, serious injury, or illness requiring medical attention at the center, the staff will contact the parents/guardians. If staff cannot reach the parents/guardians, they will call the person(s) listed on the child's emergency card. If emergency contacts are unavailable, staff will call 911 for further assistance. In cases of life-threatening emergencies, Little Eagles staff will immediately call 911. The doctor and dentist information listed in your registration packet may also be utilized if necessary.

Hazard Policy

The building and facility will be free from hazards of snow, ice or debris. Any sharp items will be kept out of the reach of children or locked in an area they do not have access to.

Drill Policy

Fire Drills: Fire drills will be held monthly and recorded with the time and date. Staff and children will utilize the evacuation routes that are posted in each classroom.

Tornado Drills: Tornado drills will be held during the months of April through September. Staff and children will follow the evacuation routes that are posted in each classroom.

Evacuation Drill: An Evacuation drill will be held annually with the LqPV School district. Staff and children will follow the evacuation routes that are posted in each classroom.

Blizzards

If a blizzard should set in during the day, children will be kept at Little Eagles Daycare until they can be safely picked up by a parent or authorized adult. Little Eagles will close at 4:00PM on those days. **If a blizzard/frigid temps is planned for the next day and the LqPV School District cancels school the night before, the center will ONLY be open from 8:00AM – 4:00PM and you must sign up for snow/weather days each year.** If school has a late start that is called the **night before**, Little Eagles will open at 8:00AM. If a late start is called the day of **BEFORE 6:00AM**, again, Little Eagles will open at 8:00. If a late start is called **AFTER 6:00AM**, we will open at our normal time.

Emergency Preparedness

A Child Care Emergency Plan (attached) will be given to families during enrollment and available for viewing anytime. Little Eagles Daycare will review and make any modifications annually and/or when needed. The plan includes procedures for evacuation, relocation, shelter-in-place, and lockdown and how Little Eagles Daycare will notify parents of the event and how to reunite when safe to do so.

Handling and Disposal of Bodily Fluids

Surfaces that come in contact with potentially infectious bodily fluids, including blood and vomit, must be cleaned and disinfected. Blood contaminated material must be disposed of in a plastic bag with a secure tie. Sharp items used for a child with special care needs must be disposed of in a “sharps container.” The sharps container must be stored out of reach of children. Disposable gloves, disposable bags, and eye protection will be available to handle and dispose of bodily fluids.

Nap & Rest Policy

Nap time is a scheduled part of the daily schedule for preschoolers and is required by DHS certification guidelines for child care centers. All preschoolers are required to lie on a cot to rest or sleep for at least thirty minutes.

The environment is darkened, and restful music is played. Staff will not awake children before they are ready to wake up on their own. Staff will raise the blinds and turn on the lights mid-afternoon.

Confinement Limitations

A child who has completed a nap or rested quietly for 30 minutes, is not required to remain on a cot. The staff will have a quiet activity prepared for the child to do during rest time if they do not nap.

Placement of Equipment

Naps and rest must be provided in a quiet area that is physically separated from children who are engaged in an activity that will disrupt a napping or resting child. Cots and mats must be placed so they are clear of aisles and unimpeded access for both adults and children on at least one side of each piece of napping and resting equipment. Cots and mats must be placed directly on the floor and must not be stacked when in use. The furniture and equipment will be structurally sound and is appropriate to the age and size of a child who uses the area.

Bedding

Separate bedding must be provided for each child in care. Bedding must be washed weekly and when soiled or wet. Blankets must be washed weekly and when soiled or wet.

Maltreatment of Minors Mandated Reporting Policy

Who Should Report Child Abuse and Neglect

- Any person may voluntarily report abuse or neglect.
- If you work with children in a licensed facility, you are legally required or mandated to report and cannot shift the responsibility of reporting to your supervisor or to anyone else at your licensed facility. If you know or have reason to believe a child is being or has been neglected or physically or sexually abused within the preceding three years you must immediately (within 24 hours) make a report to an outside agency.

CONTINUED...

Where to Report

- If you know or suspect that a child is in immediate danger, call 911.
- All reports concerning suspected physical or sexual abuse or neglect occurring within a certified center shall report the information to the commissioner. The certification holder must inform the commissioner within 24 hours of:
 - the death of a child in the program; and
 - any injury to a child in the program that required treatment by a physician or advanced practice registered physician.
- Reports regarding incidents of suspected abuse or neglect of children occurring within a family or in the community should be made to the Lac qui Parle County Social Services agency at 320-598-7594 or local law enforcement at 320-598-3720.
- If your report does not involve possible abuse or neglect, but does involve possible violations of Minnesota Statutes or Rules that govern the facility, you should call the Department of Human Services, Licensing Division at (651) 431-6500.

What to Report

- Definitions of maltreatment are contained in the Reporting of Maltreatment of Minors Act (Minnesota Statutes, section 626.556) and should be attached to this policy.
- A report to any of the above agencies should contain enough information to identify the child involved, any persons responsible for the abuse or neglect (if known), and the nature and extent of the maltreatment and/or possible licensing violations. For reports concerning suspected abuse or neglect occurring within a licensed facility, the report should include any actions taken by the facility in response to the incident.
- An oral report of suspected abuse or neglect made to one of the above agencies by a mandated reporter must be followed by a written report to the same agency within 72 hours, exclusive of weekends and holidays.
- Little Eagles will report to the commissioner within 24 hours of
 - The death of a child in the program
 - Any injury to a child in the program that required treatment by a physician.

Failure to Report

A mandated reporter who knows or has reason to believe a child is or has been neglected or physically or sexually abused and fails to report is guilty of a misdemeanor. In addition, a mandated reporter who fails to report maltreatment that is found to be serious or recurring maltreatment may be disqualified from employment in positions allowing direct contact with persons receiving services from programs licensed by the Department of Human Services and by the Minnesota Department of Health, and unlicensed Personal Care Provider Organizations.

Retaliation Prohibited

An employer of any mandated reporter shall not retaliate against the mandated reporter for reports made in good faith or against a child with respect to whom the report is made. The Reporting of Maltreatment of Minors Act contains specific provisions regarding civil actions that can be initiated by mandated reporters who believe that retaliation has occurred.

Internal Review

When the facility has reason to know that an internal or external report of alleged or suspected maltreatment has been made, the facility must complete an internal review within 30 calendar days and take corrective action, if necessary, to protect the health and safety of children in care. The internal review must include an evaluation of whether:

- (i) related policies and procedures were followed;
- (ii) the policies and procedures were adequate;
- (iii) there is a need for additional staff training;
- (iv) the reported event is similar to past events with the children or the services involved; and
- (v) there is a need for corrective action by the license holder to protect the health and safety of children in care.

Primary and Secondary Person or Position to Ensure Internal Reviews are Completed

The internal review will be completed by the Lac qui Parle Valley Community Education Director. If this individual is involved in the alleged or suspected maltreatment, the Superintendent of Schools will be responsible for completing the internal review.

Documentation of the Internal Review

The facility must document completion of the internal review and make internal reviews accessible to the commissioner immediately upon the commissioner's request.

Corrective Action Plan

Based on the results of the internal review, the license holder must develop, document, and implement a corrective action plan designed to correct current lapses and prevent future lapses in performance by individuals or the license holder, if any.

Staff Training

The license holder must provide training to all staff related to the mandated reporting responsibilities as specified in the Reporting of Maltreatment of Minors Act (Minnesota Statutes, section 626.556). The license holder must document the provision of this training in individual personnel records, monitor implementation by staff, and ensure that the policy is readily accessible to staff, as specified under Minnesota Statutes, section 245A.04, subdivision 14.

The mandated reporting policy must be provided to parents of all children at the time of enrollment in the child care program and must be made available upon request.

Program Drug and Alcohol Policy

(MN Statute 245A.604, subdivision 1c)

Little Eagles Daycare prohibits license holders, employees, subcontractors, volunteers, when directly responsible for persons served by the program, from abusing prescription medication or being in any manner under the influence of a chemical that impairs the individual's ability to provide service or care. Little Eagles Daycare must train employees, subcontractors and volunteers about the program's drug and alcohol policy. Document of this training will be included in each staff person's personnel record.

General Statement of Policy

1. Use or possession of controlled substances, toxic substances, and alcohol before, during, or after school hours, at school or in any other school location, is prohibited as general policy. Paraphernalia associated with controlled substances is prohibited, including paraphernalia related to E-cigs and vaping.
2. A violation of this policy occurs when any student, teacher, administrator, other school district personnel, or member of the public uses or possesses alcohol, toxic substances, controlled substances in any school location.
3. The school district will act to enforce this policy and to discipline or take appropriate action against any student, teacher, administrator, school personnel, or member of the public who violates this policy.

Exceptions

1. A violation of this policy does not occur when a person brings onto a school location, for such person's own use, a controlled substance which has a currently accepted medical use in treatment in the United States and the person has a physician's prescription for the substance. The person shall comply with the relevant procedures of this policy.
2. A violation of this policy does not occur when a person possesses an alcoholic beverage in a school location when the possession is within the exceptions of Minn. Stat. § 624.701, Subd. 1a (experiments in laboratories; pursuant to a temporary license to sell liquor issued under Minnesota laws or possession after the purchase from such a temporary license holder).

Procedures

- Students who have a prescription from a physician for medical treatment with a controlled substance must comply with the school district's student medication policy.
- Employees who have a prescription from a physician for medical treatment with a controlled substance are permitted to possess such controlled substance and associated necessary paraphernalia, such as an inhaler or syringe. The employee must inform his or her supervisor. The employee may be required to provide a copy of the prescription.
- Each employee shall be provided with written notice of this Drug-Free Workplace/Drug-Free School policy and shall be required to acknowledge that he or she has received the policy. [Note: The Drug-Free Workplace Act requires that school district employees be notified by a published statement of the prohibition of the use of controlled substances and actions that will be taken against employees for violations of such prohibition. 41 U.S.C. § 8103; 34 C.F.R. Part 84. An acknowledgment will document satisfaction by the school district of this federal requirement.]
- Employees are subject to the school district's drug and alcohol testing policies and procedures.
- Members of the public are not permitted to possess controlled substances in a school location except with the express permission of the superintendent.
- Possession of alcohol on school grounds pursuant to the exceptions of Minn. Stat. § 624.701, Subd. 1a, shall be by permission of the school board only. The applicant shall apply for permission in writing and shall follow the school board procedures for placing an item on the agenda.

Enforcement

Students

1. A student who violates the terms of this policy shall be subject to discipline in accordance with the school district's discipline policy. Such discipline may include suspension or expulsion from school.
2. The student may be referred to a drug or alcohol assistance or rehabilitation program and/or to law enforcement officials when appropriate.

Employees

- As a condition of employment in any federal grant, each employee who is engaged either directly or indirectly in performance of a federal grant shall abide by the terms of this policy and shall notify his or her supervisor in writing of his or her conviction of any criminal drug statute for a violation occurring in any of the places listed above on which work on a school district federal grant is performed, no later than five (5) calendar days after such conviction. Conviction means a finding of guilt (including a plea of nolo contendere) or imposition of sentence, or both, by any judicial body charged with the responsibility to determine violations of the federal or state criminal drug statutes.
- An employee who violates the terms of this policy is subject to disciplinary action, including non-renewal, suspension, termination, or discharge as deemed appropriate by the school board.
- In addition, any employee who violates the terms of this policy may be required to satisfactorily participate in a drug and/or alcohol abuse assistance or rehabilitation program approved by the school district. Any employee who fails to satisfactorily participate in and complete such a program is subject to non-renewal, suspension, or termination as deemed appropriate by the school board.

Employees continued...

- Sanctions against employees, including non-renewal, suspension, termination, or discharge shall be pursuant to and in accordance with applicable statutory authority, collective bargaining agreements, and school district policies.

The Public

- A member of the public will not be allowed to use or have in possession paraphernalia for e-cigarettes or vaping.
- A member of the public who violates this policy shall be informed of the policy and asked to leave. If necessary, law enforcement officials will be notified and asked to provide an escort.
