Committee Reports:

- Jefferson Socks are IN!!! They are \$15 a pair.
- Bookfair was very successful, especially given the circumstances of Snow Day fiasco.
- Yearbook: had a misunderstanding about contract. But contract is signed and Lifetouch is getting it set up. Need to ensure teachers are getting pictures of students.
- Glow Run tentative date of March 24th. Decided to move up in month to ensure it is dark when we run. Set for Thursday March 9th since there is no school the 10th. (Froyo takeover is March 10th anyways.) Registration at 6:30 and start at 7. Plan to send envelopes for fundraising home February 1st. Do announcement kickoff at January 31st assembly. Will work on prize ideas for top earners and goals.
- Need to get proposals from contractors to get an idea of what it will cost for track. Need to talk to school board.
