JORF n°0183 du 8 août 2021

Texte n° 6

Initial version

Publics concerned: students in the Terminale class of secondary education in public and private schools under contract to the public education system; academy rectors; vice-rectors; heads of secondary education establishments; staff teaching in general secondary schools.

Subject: creation of the international teaching curricula to implement in the Première and Terminale classes of general education, in place of the international sections of the Terminale cycle allowing students, candidates for the general baccalaureate, to prepare for the international option of the baccalaureate known as the "French International Baccalaureate" (BFI).

Entry into force: the decree enters into force the day after its publication.

Notice: This decree provides that, in general education, the international sections of the Terminale cycle become classes leading to the French International Baccalaureate. A plurality of pathways (bilingual, trilingual, and quadrilingual) is established. This decree modifies the title of the international option of the baccalaureate, which becomes the "French International Baccalaureate", issued to candidates enrolled in this Terminale cycle course entitled "classes leading to the French International Baccalaureate".
