Hello RAHS Families and Community –

It has been a busy month already at RAHS with lots of holiday traditions in front of us! Families, if you have not already signed up, **Student Led Conferences** are being held into the evening on Monday and Tuesday, 11/21 and 11/22 this week. Make sure you connect with your students' advisory teacher if you have not done so already.

Congratulations go out to seniors **Alexis Lee and Kellan Hoel** who were selected by staff as the **SeaTac-Tukwila Rotary Students of the Month** for November. We are really proud of the work these two scholars are doing in service to our school and the community, providing leadership in a variety of pursuits, pursuing academic excellence, and strong citizenship. Way to go Alexis and Kellan!

Our **Speech and Debate Team** is off to a great start this year! The team had a strong showing at the Tahoma tournament this weekend. Freshmen and Sophomores gained excellent insight and experience, and are eager to prepare for the next tourney! Upperclassman were led by the strong performances of **senior Alexa Weinmaster** who broke into the semi-finals in Lincoln Douglas debate, and of **senior Quinton Pho** who finished 9th overall in Open Impromptu Speaking. It was a fun tournament and competitors are excited to be back in person debating and performing. A big "thank you" to parents **Doug Weinmaster and Shannon Wood** – we appreciate your parental involvement! Nice job team – can't wait to hear about the next tournament.

A big shout out to the entire **Highline Schools Community!** Thanks to all of YOU voters, the Highline bond passed with over 65% voting in favor of the bond! This bond will allow upgrades to many of our schools, and other important initiatives that support all of our students.

However you celebrate, have a relaxing and safe Thanksgiving with family, friends and loved ones – a special time to give thanks for all we have.

PTSA Reflections Contest

The Raisbeck Aviation PTA is looking for art submissions for this year's National PTSA Reflections contest. The Reflections Contest is a themed, national contest. It encourages students to represent their school by expressing themselves through the arts. The theme this year is: "Show Your Voice!"

Students will compete in the High School Division for grades 9-12. Students can submit to more than one category but are only allowed one submission per category. The categories are: Dance, Film, Literature, Music Composition, Photography, and Visual Arts

Your contest submission, along with a [student entry form](#), must be completed and submitted by **Monday, November 29th**. After the PTSA has received all submissions, local artists will review the submissions and decide which submissions should advance to the state level. At the state level, students' submissions will compete against other high schoolers in the state. The winners at the state level will go on to compete nationally in Washington D.C.

Detailed entry rules can be found at www.wastatepta.org/events-programs/reflections under the Student Entry Rules Tab. Or you can view our PTSA's [Google Slide Presentation](#) which provides a more simple step-by-step overview of the Contest.

Any student with a disability defined under the Americans with Disabilities Act can submit to the Special Artist Division. More information can be found under the Special Artist Division Tab.

The PTSA has a small budget and can help purchase materials for any student in need. To request assistance, or if you have any other questions regarding the reflections contest, please email Raisbeckreflections@gmail.com.

Thank you,
