Competitions-- We will have an intramural comp on March 20, starting at 8:00 a.m. Our cadets will divide into 3 teams and compete in drill team, color guard, academic, and PT. Marksmanship contest will be held ahead of time. Awards were already purchased and ready. Former cadets to judge contests. Will see about how many spectators, if any, are allowed. Planning to stream on Zoom, as well. Awards ceremony at the track weather permitting at 1:00 p.m..

Discussion in regard to sack lunch or snacks for participants and judges. Jeff Cameron to head up and confer with instructors to plan food. Anita will get helpers as Jeff requests. Approximately 40 participants.

Navy Ball--Still hoping to have the ball. Calendared for May 9 at Vern Burton Center. If Vern Burton is unavailable, possibly have the event in the PAHS gym.

Scholarship committee--Heather Murphy will chair the scholarship committee. Mr. McGuffy has volunteered to be a member and we have two more spots available. Please contact Anita or Heather if you want to help. Reviewed a draft of a revised scholarship program document. This document merged two previously adopted documents that were in place, but not in agreement with each other. No substantive changes, just cleaning up. Will vote on it at our next meeting.

Car wash cards--bought 30 cards at a cost of \$300. Sold 17, bringing in \$340. Will sell at comp.
