

November 2022

Dear Y11-13 Parents/Guardians,

Most of you are aware of the University and Careers education at Southlands. Much has happened already this term to support your son/daughter's exploration of future pathways, including: the successful University Fair at Southlands in early October; Year 12's onsite visit to The American University of Rome; Year 12's participation of the virtual Globeducate Unifrog university fair last Thursday; a PSHE lecture on public speaking from a Professor at John Cabot University and a Careers Talk from a Friend of Southlands on working in the STEM industry.

The Sixth Form Enrichment lesson on Wednesdays, 3-45-5pm, remains an important opportunity for students to receive support, learning and expertise, as well as a focus on physical and mental wellbeing. Attendance is monitored and can influence references.

Following the Y11 IB Options Presentation and Y11 and Y13 Parent Teacher meetings, I am delighted to communicate some upcoming key dates and events I have become aware of.
