

Cropper GIS Consulting was hired by Billings Public Schools to facilitate and manage the project. Our firm is tasked to:

- A. Develop supporting materials to help facilitate the study.
- B. Facilitate the process of developing a student redistricting plan.
- C. Empower the community throughout the process.
- D. Leverage expertise to develop logical, efficient, and effective student redistricting options with the planning team.
- E. Recommend a redistricting plan to the School Board.
