BOARD OF TRUSTEES

Tomball ISD is governed by an elected seven-member board. School Board members are guardians of the public trust and, through the policies they make, are ultimately responsible for the success or failure of local public education. The board serves as the advocate for educational excellence for the community's youth and puts those interests first. The policies school boards make dictate the standards and philosophy by which schools are run and the criteria used to judge whether they are being run well.

ABOUT US

Tomball Independent School District is a highly regarded public school system with a reputation for excellence. It serves over 18,000 students in grades pre-kindergarten through 12 across 20 campuses.

Tomball ISD takes pride in its progressive instructional programs and maintains a strong foundation of guiding principles, beliefs, and a visionary mission of the future.

Tomball ISD encompasses 83 square miles in northwest Harris County and southwest Montgomery County, and is located 30 miles from downtown Houston.

Tomball and its school district are unique because of their heritage, traditions, and hometown appeal. Parents choose Tomball ISD because of the district's unwavering commitment to high student achievement characterized by quality instruction, equality of opportunities and resources, demonstrated results, strong parental involvement and community support. In Tomball ISD, we believe our students are leading in "Creating the Future!"

VISION

Tomball ISD students will lead in creating the future.

MISSION

Tomball ISD educates students to become responsible, productive citizens by providing innovative, individually rigorous, and personally valuable educational experiences.

GOALS

1. Tomball ISD will develop, continuously enhance and utilize rigorous college, career, and life ready curriculum that is responsive to the needs of individual learners.
2. Tomball ISD will provide multiple sources of high quality academic content that infuses technology in learning experiences and instruction.
3. Tomball ISD will attract, develop and retain high quality staff through a well –defined, personally valuable professional development plan and support structure.
4. Tomball ISD will foster a culture of caring and compassionate educators to provide a supportive learning environment.
5. Tomball ISD will promote academic success by engaging students through real world experiences while cultivating independent thinking and creative problem solving.
6. Tomball ISD will prepare our graduates to succeed in the college/career path of their choice.
7. Tomball ISD will promote an emotionally and physically safe and secure learning environment.
8. Tomball ISD will be fiscally responsible while meeting the educational and facility needs of the students.
9. Tomball ISD will inspire students to develop and exhibit character traits that are reflective of community standards.
10. Tomball ISD will actively engage and involve parents and the community.

Tomball ISD Featured in Bragging Rights Issue of Texas School Business Magazine

Multi-tiered System of Support Addresses Student Mental Health

Tomball ISD was among just 12 Texas school districts to have been recognized for their outstanding programs with the release of Texas School Business magazine's 13th Annual Bragging Rights 2019-20 special issue.

Bragging Rights, which calls for nominations and is published every December, recognizes school districts that have implemented programs that are bettering the lives of Texas' students, schools and communities.

"Nearly 200 nominations for school district programs across Texas poured in this year, and each one deserves to be noticed," says Texas School Business Editorial Director Dacia Rivers. "It's our hope that the 12 districts we chose inspire others to follow in their footsteps. The mission of Texas School Business is to share the good news happening in Texas public schools, and there's never a shortage of news-worthy school programs for us to cover."

For 45 years, Texas School Business has served as the news magazine for public education in Texas. Since 2014, it has been produced by the Texas Association of School Administrators (www.tasanet.org).

ALUMNI SPOTLIGHT

ROBERT DUGGER | THS, '13 **Current MLB Pitcher**

From a young boy, baseball was his passion.

And for Robert Dugger, the dream of one day pitching in the Major Leagues became a reality in 2019.

Raised as a Tomball, Texas kid, Dugger attended Rosehill Elementary, Tomball Intermediate, Tomball Junior High and Tomball High School ('13). He made the most of his experience in this community and still to this day, returns home in the offseason.

"I love this community and its small-town atmosphere. Everybody knows everybody and it's like a big family," Dugger said.

Photo by Michael Reaves/Getty Images

Baseball played a huge role in Dugger's high school experience. He wrapped up his THS baseball career in 2013 by leading his team to the Texas UIL 4A State Championship and an impressive 35-4 overall record. That season also marked the first state championship for any team sport in Tomball history. In that outing, he threw a complete game in which he allowed only one run while striking out six, along with going 3-for-4 at the plate, including a three-run inside-the-park home run.

"That was a great moment in my life and I'm sure for everyone who was a part of that time," he said. "It meant a lot to me not only overcoming adversity but to bring home a State Championship to Tomball was awesome. Everyone was ecstatic and knew who we were. It was a great experience."

Needless to say, Dugger's future was bright in baseball. He was awarded an opportunity to continue playing at Cisco College for two years before transferring to Texas Tech for one year.

In 2016 for the Red Raiders, he put together a 6-1 record with three saves over 30 appearances, while recording a 2.67 ERA, landing him a spot on the All-Big 12 Honorable Mention Team as a relief pitcher.

His efforts were noticed by MLB scouts and Dugger eventually was drafted in the 18th round of the 2016 MLB Draft by the Seattle Mariners. In 2017, he was traded to the Miami Marlins organization.

By 2019, Dugger had worked his way into a non-roster invitee to Marlins' Spring Training. A strong first-half led him to be named a Southern League Midseason All-Star and Dugger's dream of playing for a Major League team was starting to come true.

By August 2019, the Miami Marlins selected Dugger's contract and he made his MLB debut on August 5 against the New York Mets.

"I was stunned when I got the call. I definitely shed some tears. It was an unreal experience," he remembered.

For Dugger now, his journey is just beginning, but his memories of Tomball keep him grounded and appreciative of his upbringing.

"Tomball was a great place to grow up. I enjoyed my time in high school and still return home as much as I can today," Dugger said. "I like to make up for lost time with my family and girlfriend during the offseason so it is nice to spend as much time with them as I can. I also train at two facilities in the area (DST and Texas Baseball Ranch) so everything I want and need is here in my hometown. It's truly a blessing."

HAPPY HOLIDAYS

From the Board of Trustees & Dr. Salazar-Zamora

Happy Holidays

We look forward to welcoming students back on January 8, 2020!

Dear Tomball ISD Staff, Families and Community Members,

The holiday season always reminds us of how much there is to celebrate with family and friends. As we wrap up the first half of this school year I would like to share with all of you some of the outstanding accomplishments this year has already brought to our Tomball ISD family.

The construction of the new elementary school is fully underway with walls going up every day. The area around the new school is also being prepared for the new junior high school and stadium. It is so exciting to see the fruits of this bond which our community overwhelmingly supported in 2017. I am happy to share with you that the following names have been selected for the new elementary school and the facility - Grand Oaks Elementary, which will be located on the newly-named Elmer and Dorothy Beckendorf Complex. Opening along with the new elementary school next fall will be the newly approved and first of its kind in Texas, Academy for Energy and International Business. The new academy in an innovative program in partnership with BJ Services through which participating high school students will take specialized courses in the fields of energy or business which are scheduled at the BJ Services facility on 2920. This will allow the Tomball ISD students and teachers to have access to industry professionals as the class completes coursework leading to industry certifications. The program will open with the ninth grade class of 2020-2021 and students from both Tomball High School and Tomball Memorial High School are welcomed to apply. They will complete most of their coursework at their regular high school campus and will be transported to and from the BJ Services facility for particular specialty and core courses.

Along with new facilities, the district is putting the final touches on a new five-year Strategic Plan which will see us through 2025. The Strategic Plan which was structured by a large committee of community stakeholders such as parents, teachers, students, community members, and local business owners embodies the aspirations of this amazing district as we move towards our vision of Tomball ISD students leading in the creation of the future.....

BEHIND THE SCENES HERO

DORIS GAGE

TOMBALL ISD CUSTODIAN
ROSEHILL ELEMENTARY

Doris Gage has served Tomball ISD for 28 years on the custodial team and will be retiring in December 2019. She currently works at Rosehill Elementary. Over the years, Doris has spent time at Lakewood Elementary, Beckendorf Intermediate, Tomball Junior High and Tomball High School.

Following retirement, Doris plans to spend time with her mother and take time to enjoy being a new grandma. When she isn't working, Doris enjoys reading and spending time with her daughter.

When asked why she loves working for Tomball ISD ...

"Working in Tomball ISD is very special because of the people I've come to meet over the years. Getting to know the children and people from around the world who have made their way to Tomball has made my job wonderful."

HEATHER STRICKLAND

TOMBALL ISD HUMAN TALENT
CERTIFICATION SPECIALIST

Heather Strickland has played an instrumental role on the Tomball ISD Human Talent team for the past seven years. She currently serves as the Certification Specialist and also assists with position control with staffing for the district.

Outside of work, Heather enjoys watching her daughter dance at competitions, traveling and spending time with her family.

When asked why she loves working for Tomball ISD ...

"Definitely the staff. We have lived in Tomball for 16 years and have raised one child through the TISD schools and our youngest is still attending with nothing but great experiences. My co-workers are the best thing about my job and I could not be successful without them."
