BOARD OF TRUSTEES

Tomball ISD is governed by an elected seven-member board. School Board members are guardians of the public trust and, through the policies they make, are ultimately responsible for the success or failure of local public education. The board serves as the advocate for educational excellence for the community's youth and puts those interests first. The policies school boards make dictate the standards and philosophy by which schools are run and the criteria used to judge whether they are being run well.

ABOUT US

Tomball Independent School District is a highly regarded public school system with a reputation for excellence. It serves over 18,000 students in grades pre-kindergarten through 12 across 20 campuses.

Tomball ISD takes pride in its progressive instructional programs and maintains a strong foundation of guiding principles, beliefs, and a visionary mission of the future.

Tomball ISD encompasses 83 square miles in northwest Harris County and southwest Montgomery County, and is located 30 miles from downtown Houston.

Tomball and its school district are unique because of their heritage, traditions, and hometown appeal. Parents choose Tomball ISD because of the district’s unwavering commitment to high student achievement characterized by quality instruction, equality of opportunities and resources, demonstrated results, strong parental involvement and community support. In Tomball ISD, we believe our students are leading in “Creating the Future!”

VISION

Tomball ISD students will lead in creating the future.

MISSION

Tomball ISD educates students to become responsible, productive citizens by providing innovative, individually rigorous, and personally valuable educational experiences.

GOALS

1. Tomball ISD will develop, continuously enhance and utilize rigorous college, career, and life ready curriculum that is responsive to the needs of individual learners.
2. Tomball ISD will provide multiple sources of high quality academic content that infuses technology in learning experiences and instruction.
3. Tomball ISD will attract, develop and retain high quality staff through a well –defined, personally valuable professional development plan and support structure.
4. Tomball ISD will foster a culture of caring and compassionate educators to provide a supportive learning environment.
5. Tomball ISD will promote academic success by engaging students through real world experiences while cultivating independent thinking and creative problem solving.
6. Tomball ISD will prepare our graduates to succeed in the college/career path of their choice.
7. Tomball ISD will promote an emotionally and physically safe and secure learning environment.
8. Tomball ISD will be fiscally responsible while meeting the educational and facility needs of the students.
9. Tomball ISD will inspire students to develop and exhibit character traits that are reflective of community standards.
10. Tomball ISD will actively engage and involve parents and the community.

BENCH DEDICATION CEREMONY HELD FOR SAMMY LOPEZ (THS, '18)

Tomball Memorial High School student Davis Duerer from Troop 471 designed, built and dedicated a bench for his Eagle Scout project in memory of his friend & Cougar Sammy Lopez (THS, '18).

A bench dedication ceremony at Connections Academy was held in memory of Sammy.

PRINCIPAL PARTNERS FOR A DAY APPLICATIONS AVAILABLE

Parents, business, and civic leaders are invited to serve as Principal Partners in Tomball ISD on **Tuesday, November 19.**

This program allows community leaders to partner with a Tomball ISD campus principal and serve as a Principal for a Day.

APPLY TO BE A PRINCIPAL PARTNER

TOMBALL ISD CAMPUSES TAKE PART IN STATE OF THE SCHOOLS

Each of our campus principals had the opportunity to share their story in front of district administrators at State of the Schools.

From celebrations to priorities to progress & measurements, each campus provided insight into their present status and future goals and plans moving into this school year.

IMPACT STORY

Tomball ISD Brings ASPIRE Program to District

Tomball ISD has partnered with MD Anderson's Preventative Disease Department to implement ASPIRE into our district.

What is ASPIRE?

ASPIRE is a bilingual, interactive, online tool that helps middle and high school teens learn about being tobacco free.

Who developed ASPIRE?

The University of Texas MD Anderson Cancer Center

Why did Tomball ISD implement ASPIRE?

Tomball ISD staff identified a need for an educational program for students that addressed the dangers of using e-cigarettes especially with the increase of student usage. Medical professionals have documented the increased occurrences of vaping related illnesses.

How does ASPIRE work?

ASPIRE aims to motivate teens to be tobacco-free by offering:

- Videos, animations, and interactive activities
- Testimonials from peers, doctors, smokers and non-smokers
- Information on short and long-term health consequences of tobacco/nicotine use
- Content on new and emerging products (e-cigs, hookah, synthetic marijuana)
- Tips and resources to avoid the temptation to smoke or to stop smoking

ASPIRE accounts have been activated for all Tomball ISD secondary principals to begin use of this program. It can be utilized as an alternative to suspension or as a preventative measure, if appropriate.

ASPIRE can be completed on any device (desktop, tablet, or smartphone) with Internet connection. The curriculum aligns with subject area standards in health, science, mathematics, social studies, and technology application. Educators have administrative access to track student progress.

What does the ASPIRE Student Program include?

- English and Spanish languages
- Closed captioning
- 8 Educational modules
- Pre- and post-tests
- Quizzes along the way
- Certificate of completion
- Reporting system with grades

More information on **ASPIRE**:

ALUMNI SPOTLIGHT

JOHN E. MCSTRAVICK | THS, '83 Tomball ISD School Board, Lawyer

When it comes to defining excellence and understanding growth in our community, our Tomball ISD Board of Trustees plays an integral role in implementing change for the betterment of our district.

For John E. McStravick, his commitment to the School Board dates back to the year 2000 but his love for Tomball has been instilled in him since his childhood. McStravick is a 1983 graduate of Tomball High School and with nearly 20 years serving as a valued Trustee, he has been fortunate to experience a multitude of change.

"Despite these changes [geographic], the District has, in my opinion, done a great job of helping to retain a small community feel within our schools," McStravick said. "That is something I want us to work hard to retain. It is just another facet of what makes Tomball ISD unique."

A proud Cougar he is, McStravick is a native of Tomball. After graduating from high school, he ventured off to College Station, receiving a degree in agricultural engineering from Texas A&M. He went on to pursue a 10-year career for Halliburton Energy Services, holding positions in engineering, management and sales.

"I had a very rewarding career as an engineer, but when the industry was going through a low cycle in the 90's, I decided I wanted to 'take more control of my destiny,'" McStravick recalled.

He went on to pursue a law degree and by 1998, he received his Juris Doctorate from St. Mary's University School of Law in San Antonio. He began his law career at a private practice in downtown Houston. He and his wife Jennifer, who he met at Texas A&M, decided to plant their roots back in the Tomball area.

"We had one child currently in school and two more who would start school soon, so finding a house in a good school district was important to us," he said.

It wasn't shortly after his arrival back home to Tomball that McStravick was eager to begin giving back to the community that supported him. When Tomball ISD launched a facilities study in 1999 in preparation for Bond 2000, McStravick was immediately interested.

"With three children who were or would be in TISD schools, I decided I would like to be a part of shaping the District moving forward and assist in this process. I was asked to be on the steering committee, which gave me the opportunity to learn a great deal about the current state of the District and interact with many of the administrators," he said.

And for McStravick and Tomball ISD, timing was everything.

"I then learned that a particular board member was not planning to run again. I had a strong desire to continue my relationship with TISD so I decided to file for the School Board position being vacated."

And nearly 20 years later, McStravick still remains a valued member of the Tomball ISD School Board.

"My parents were living examples of giving back to our community and I want to do my part to carry on their example and to respect the work of all those before us," McStravick said.

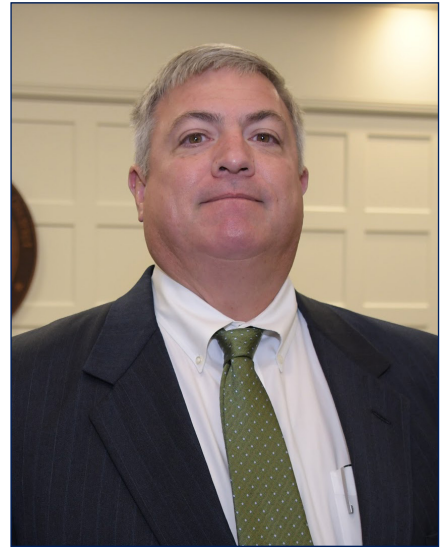

A community is only as strong as those who continue to serve and McStravick has committed his life to being a servant leader as a father figure, board member, and business leader.

As a proud graduate of Tomball High School, McStravick has had the opportunity to witness all three of his children also graduate from THS.

"I'm very pleased that they were able to experience, first hand, quality educators who I also had while in Tomball. I am more convinced today than ever that we made the right decision to move into this District," McStravick said.

In 2014, McStravick started a solo practice and currently practices law at the Law Office of John E. McStravick.

"The Tomball community is blessed to have had visionaries who helped make this community what it is today. The torch has been passed, as it should be, and it is up to us to carry that torch to take this community into the future being true to the legacy of those before us."

TMHS HOMECOMING

BEHIND THE SCENES HERO

BETH YOUNG CAFETERIA MANAGER DECKER PRAIRIE ELEMENTARY

Beth Young is in her 6th year with Tomball ISD Child Nutrition and 5th year at Decker Prairie Elementary as Cafeteria Manager.

In Child Nutrition, Beth and her team prepare meals for breakfast and lunch for any student and staff on campus. As manager, she is also responsible for planning, ordering, receiving, preparing, cooking, cleaning, and maintaining a healthy inventory level and flow.

“Most importantly, it is my job to make sure that these kids get a healthy meal with a smile.”

When asked why she loves working for Tomball ISD ...

“I love working for TISD because, as a college student, and mother of five kids, this job allows me to see my family while still doing a job that I find exceptionally rewarding. It also gives me an opportunity to meet and hopefully make an impact on the lives of the fabulous students at DPES.”

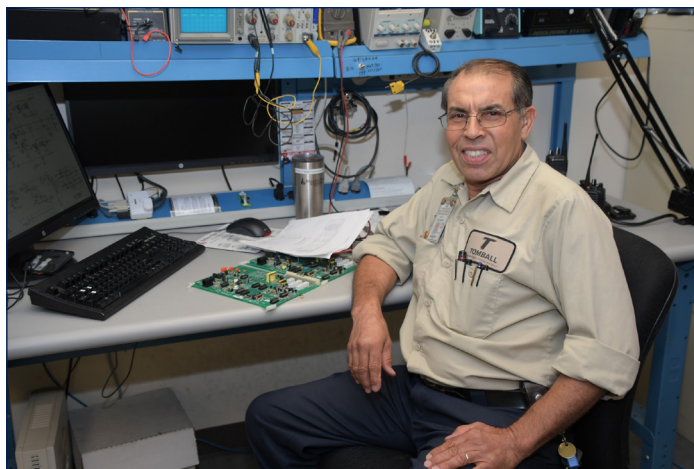

Outside work, Beth is pursuing her Masters degree in counseling. She loves to read and has been fortunate to share her love of reading with students at DPES by reading to some of them after work every week for the past few years.

ROBERT IBNOUSALAH TOMBALL ISD ELECTRONIC SYSTEMS SENIOR TECHNICIAN

Robert Ibnousalah has served Tomball ISD for 15 years as a technician. He currently is a journeyman in communication and electronic systems. In that role, he handles work on fire alarms, PA/intercom systems, athletic scoreboards, auditorium sound and lighting, school bus two-way communication and electronic circuits.

When asked why he serves Tomball ISD...

“It’s the opportunity to work for and with great people in the Ancillary Department as well as the pleasure of knowing so many wonderful and dedicated TISD school staff. I also have the opportunity to come to work each day with energy and enthusiasm, face a plethora of technical challenges and have a chance to resolve the issues as quickly as possible in order for schools to operate with ease.”

Outside work, Robert enjoys gardening, classic movies and music, reading, biking, traveling, woodworking and spending time with family and friends.

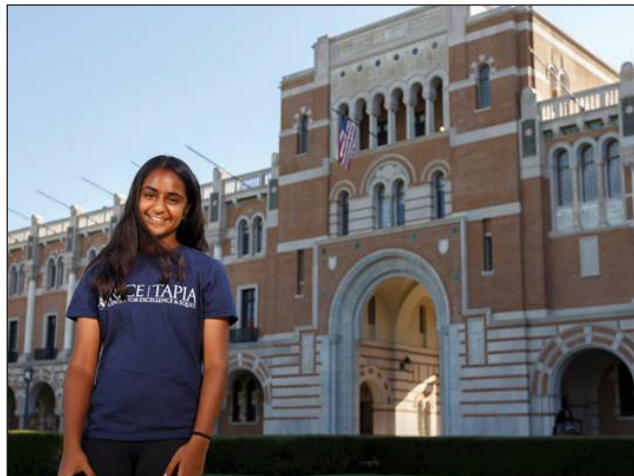

DESTINATION EXCELLENCE

CREEKSIDE FOREST ELEMENTARY DONATES 5,800 POUNDS OF PEANUT BUTTER

In an effort to remain committed to its community, Creekside Forest Elementary continued its Caring Hearts Giving by collecting 5,800 pounds of peanut butter, which will be donated to local food banks.

In just two weeks, the school community came together to support those in need.

DistrictZone Committee

As the Tomball Independent School District builds new schools, it becomes necessary to realign the attendance zones to achieve balance. Beginning in August 2020, the district will be opening a new elementary at the Cypress-Rosehill Complex. During this process, the Committee will work with a demographic consultant and jointly develop options for the new attendance boundaries. The committee will make a recommendation to the Board of Trustees, who will review and set the new attendance zones.

Timeline for Boundary Realignment

Committee Meeting #1*
October 3, 2019
9:00 - 11:00 a.m.

Committee Meeting #2*
October 10, 2019
