## Tomball ISD Board of Trustees

Tomball ISD is governed by an elected seven-member board. School Board members are guardians of the public trust and, through the policies they make, are ultimately responsible for the success or failure of local public education. The board serves as the advocate for educational excellence for the community's youth and puts those interests first.

Liam Goudeket: THS '97

A passion for swimming turned into a love for serving others for this local Tomball family.

The Goudekets own and operate FINS Swim School and since 2000, have devoted their time and energy to creating a safe, world-class experience for those learning to swim.

For son Liam, he has been a part of the FINS journey for over 15 years, led by parents Bill and Kathy.

Liam is a Tomball native, having attended Lakewood Elementary, Tomball Junior High and later graduating from Tomball High School in 1997.

"I was born in Oklahoma but moved to Tomball when I was only a year old. I wasn't born here but we got here as fast as we could," Liam said.

During his time in school, Liam was a part of the football team and remembers going to games on Friday nights or getting dropped off at the Tomball movie theater.

"Tomball has always been a special place," he said. "It has amazing schools, a great downtown, good freeway access to get in and out of town easily, and a great community with amenities like parks and restaurants."
