Mayor of Tomball Lori Klein Quinn, THS '73

Born and raised in Tomball with generations calling this town home, Lori Klein Quinn has continued to share a passion for giving back.

Recently elected as Mayor of Tomball, Klein Quinn has proudly served this community and attributes it being a great place because of those who call it home.

"I truly believe it is the people that make Tomball a special place to live."

Klein Quinn attended Tomball Lutheran School through the eighth grade before becoming a Cougar and graduating from Tomball High School in 1973, as part of the first class to graduate 100 students.

Her servant heart began back in her school days when she was part of many service organizations, along with representing THS as a member of the basketball team, tennis team, volleyball team, participating in band as drum major and majorette, as well as serving on Student Council and National Honor Society. Klein Quinn was also named Homecoming Queen and Miss Tomball in 1972, all while graduating No. 3 in her class.

"My parents' rule was that I could be involved in as many activities as I wanted as long as my grades did not suffer. Throughout my time in Tomball, I was able to create so many memories, including those lasting friendships that still exist today," she said.

Following graduation from THS, Klein Quinn attended the University of Houston at Clear Lake and earned a degree in Accounting in 1977. She went on to pursue her MS in Financial Planning from College of Financial Planning in Denver, Colorado. From there, she became a CPA and Certified Financial Planner (CFP).

After working at various CPA firms, Klein Quinn returned home to Tomball, for good.
