## Spotlight

**Natalie (Pool) Morrison (TMHS '14) & Andrew Pool (TMHS '17)**

Attending a military academy is rare and prestigious in itself, but even more so when a pair of siblings attend the same one just three years apart.

For Natalie (Pool) Morrison and Andrew Pool, these two siblings share a bond like no other. A bond which signifies family, service and sacrifice. As United States Naval Academy graduates, this Tomball family attributes much of their success to the upbringing and time spent in Tomball ISD schools.

Natalie, a 2014 graduate of Tomball Memorial High School, was a proud member of the first graduating class at TMHS and her younger brother, Andrew followed shortly behind as a member of

the 2017 graduating class.

Having grown up in Tomball their entire childhood, both Natalie and Andrew are children to current Tomball ISD Director of Health Services Cathy Pool and her husband, Jock. They attended Willow Creek Elementary, Northpointe Intermediate, Willow Wood Junior High and TMHS. Natalie did spend one year at THS prior to TMHS opening.

Both heavily involved in extracurricular activities while attending Tomball ISD schools, Natalie and Andrew gained an incredible educational experience.

As a member of the TMHS Lady Wildcats Soccer Team as well as Band, Natalie considers her very lucky to have experienced her entire childhood in TISD schools.

"The teachers, staff, and coaches, and their compassion for my success played a huge part in where I am today," she said. "Additionally, several friends I made in TISD I have been friends with for over 10 years now."

Andrew was just as active in school, participating in football, track, band, student council, NHS, Spanish Club all while serving as Class President.

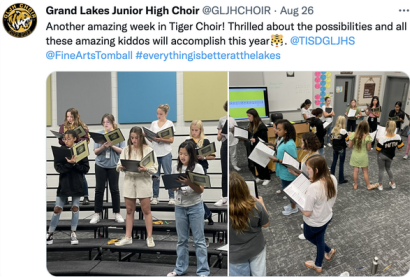

"My experience attending Tomball schools was great," he said. "The schools weren't too small or too big and most of my teachers and coaches took interest in me. I also made a lot of friends over the years."
