

Introducing... Hamden Schools Invention Convention

The Hamden Public School science department is proud to offer all elementary school children the opportunity to participate in the Hamden Schools Invention Convention.

This is an award-winning STEM program that is part of the Connecticut Invention Convention and the National Invention Convention.

Participating children will have the opportunity to develop critical-thinking and problem-solving skills through invention and innovation.

Want to find out more about how your child can get involved?

The parent informational session will be held on December 7th from 6:15 – 7:00 at Hamden Middle School. Please RSVP to Shelby Irwin at sheirwin@hamden.org or Lisa Kingston at lkingston@hamden.org by December 1st.

We hope to see you there!

Students can join their school's Invention Convention Google Classroom with the codes listed below.
