

eLearning Expectations for SRR Middle School Students, Families and Staff

Starting in the 2022 - 2023 school year, the district will utilize eLearning days for full day closures for all students K - 12.

- The first day closure students and staff will not have school and there will be no eLearning.
- The second through the sixth full day closures will be eLearning days and staff and students will follow the eLearning plan.

Below are the eLearning expectations for students, staff, and families:

Expectations for Students:

On an eLearning day, students will:

- Complete eLearning day assignments within 3 school days.
- Communicate questions for teachers via school email, voicemail, and Schoology messages.

In advance, students will:

- Know where to access, be able to log in to Schoology, and access appropriate folders for each class.

Expectations for Families:

On an eLearning day, families will:

- Check in with your student to ensure they are able to obtain and complete their assigned work.
- Communicate questions for teachers via email or other digital mediums.

Expectations for Teachers:

- Post learning goals, activities, and assignments to their Schoology course by 9:00am.
- Be available for questions via school email, voicemail, and Schoology messages between 10:00 a.m. through 3:00 p.m.
- Address student/family questions in a timely manner.

eLearning Day Activities will:

- Provide flexible options to accommodate for students who do not have Internet access outside of school
- Be due within three school days; completion will count towards attendance.
- Reinforce previously learned skills & concepts
- Utilize teachers' eLearning tools

NOTE: Students will not lose school day privileges if activities are not complete.
