

eLearning Expectations and Schedule for SRRHS Students and Families

The high school will follow the schedule listed below for students to get support and complete assignments. Students who wish to work independently may complete assignments at any time throughout the day.

In advance, students will:

- Know where to access, be able to log in to Schoology, and access appropriate folders for each class.

On an eLearning day, students will:

- Complete eLearning day assignments within 3 school days.
- Communicate questions for teachers via phone and digital communications.

On an eLearning day, families will:

- Check in with the child to ensure they were able to obtain and complete their work.
- Communicate questions to teachers via email or other digital mediums.

On an eLearning day, teachers will:

- Post assignments on Schoology by 9:00 a.m. and be available during the class times below.
- **Storm Study:** At the end of the day, students may email or Schoology message a teacher to indicate they would like further support.
