

NEW PARADIGM LOVING ACADEMY

SCHOOL PLEDGE

Right now, today, this very moment, I am capable of giving

myself,

the gift of absolute self-assurance,

self-belief, and powerful non-stop confidence in myself.

"IMPACT AND OUTCOME"

"TO, THROUGH, AND BEYOND COLLEGE"

Happy Monday Families,

I hope you had a restful and safe weekend! Even though this is a two-day school week, students are still expected to attend school both days. Please note, there has been an increase in tardies, which will impact your students grades due to missing morning work. After 8:05, students are marked tardy and breakfast ends. Report cards were distributed last week and if you have any concerns, please reach out to myself or your student's teacher. The end of 2022 is quickly approaching and we are doing everything we can to ensure students are serviced socially, emotionally, academically, and behaviorally as we prepare to leave for the holiday break on December 16th. If you have additional questions or concerns, feel free to reach out, thank you.

Ms. Ringo,
Principal

A huge shoutout to our Chief Academic Officer, Dr. Kimberly Bland and fellow colleague, Mr. Motley, for creating an opportunity for our entire CMO to attend the Universal Soul Circus last week. The students, as well as the staff had an amazing time! For some of the students, it was their first time attending any circus and they have expressed the amount of fun they had even in the midst of a pandemic.

SAFETY FIRST!!!!

As a reminder, all parents and visitors who arrive on the campus of Loving Academy are to adhere to the conduct and rules governed by New Paradigm for Education. Disruptive behavior is prohibited at all times and all cases will be individually addressed. Please be respectful and continue to model the behavior we expect from the students.

Instructional priorities

Reading, writing, and discussion in all content areas to provide cohesive instruction and opportunities for productive struggle.

Provide effective feedback to students that affirms what they have done well and guides them toward academic improvement and achievement of learning goals.

Study and leverage student-level data on a regular and consistent basis to identify learning opportunities and create plans to address them.

Use rubrics as tools to provide a shared language with clear guidelines and expectations to provide a measure, adjust, and evaluate learning
