BEYOND COLLEGE"**

Happy Monday Families,

We are heading into the 6th week of school and the students have been focusing on academic goal setting. A huge shoutout to the parents of the students who received perfect attendance awards for September. Attendance is a direct correlation to academic achievement. Another shoutout to the parents who participated in attendance meetings last week to develop a plan for student success.

Please check your student's backpack daily for homework and assist them as needed. Homework is factored into student's grades and can be the difference between a higher grade versus a lower grade. Do not hesitate to email me or call to schedule an appointment if you have questions or additional support is needed.

**Ms Ringo  
Principal**

**Provide effective feedback to students that affirms what they have done well and guides them toward academic improvement and achievement of learning goals.**

**Study and leverage student-level data on a regular and consistent basis to identify learning opportunities and create plans to address them.**

**Use rubrics as tools to provide a shared language with clear guidelines and expectations to provide a measure, adjust, and evaluate learning**

## DAILY ATTENDANCE MATTERS!

Here are a few practical tips to help support regular attendance:

- Make sure your children keep a regular bedtime and establish a morning routine.
- Lay out clothes and pack backpacks the night before.
- Ensure your children go to school every day unless they are sick.
- Avoid scheduling vacations or doctor's appointments when school is in session.
- Talk to the principal for advice if your children feel anxious about going to school.
