Right now, today, this very moment, I am capable of giving myself, the gift of absolute self-assurance, self-belief, and powerful non-stop confidence in myself.

"IMPACT AND OUTCOME"
"TO, THROUGH, AND BEYOND COLLEGE"

Happy Monday Families,

We are heading into our second month of school, the time has really gone by! There has been a lot going on in the classes as it relates to instruction. Teachers are instructing students in the area of math, science, social studies, writing, and science. Teachers teach from bell to bell, meaning every second in the classroom is utilized for instruction. It is important that students arrive on time and stay the duration of the day.

Please be advised that parent teacher conferences are this week and all families are strongly encouraged to sign up to discuss your Scholar's academics with their teachers. This meeting will take place as part of the regularly scheduled conferences held by the school each year. This year, conferences will take place face to face in the cafeteria. It is extremely important to arrive on time, as meetings will take place in 10 minute increments. Families should only enter the building at their designated time to continue practicing safety measures while socially distancing. If additional time is needed, you can work with your child's teacher to schedule an additional meeting at a later date.

Here are a few tips for a successful conference:

- Jot down 1 or 2 things you want to discuss with your child's teacher
- Take notes on how your student can be supported at home academically
- Follow up with the teachers after the conference via email.

Should you have any additional questions or concerns, please reach out to me at aringo@npfcschools.org and I will respond within 48 hours or sooner.

Ms. Ringo,
Principal

Instructional priorities

Reading, writing, and discussion in all content areas to provide cohesive instruction and opportunities for productive struggle.

Provide effective feedback to students that affirms what they have done well and guides them toward academic improvement and achievement of learning goals.

Study and leverage student-level data on a regular and consistent basis to identify learning opportunities and create plans to address them.

Use rubrics as tools to provide a shared language with clear guidelines and expectations to provide a measure, adjust, and evaluate learning

DAILY ATTENDANCE MATTERS!

Here are a few practical tips to help support regular attendance:

- Make sure your children keep a regular bedtime and establish a morning routine.
- Lay out clothes and pack backpacks the night before.
- Ensure your children go to school every day unless they are sick and a doctor's note is required when student's have been out for 3 consecutive days
- Avoid scheduling vacations or doctor's appointments when school is in session.
- Talk to the principal for advice if your children feel anxious about going to school.

THIS WEEK'S SCHOOL-WIDE COOPERATIVE CHALLENGE:

"Practice Apologizing"

HOW TO APOLOGIZE

It's hard to admit that we were wrong. It takes courage, but you'll feel better afterwards.

UNIFORM POLICY

- ✓ Students must wear white button shirt, navy blue pants/skirt, black casual shoes
- ✓ Students will receive a documented uniform violation if they are out of uniform
- ✓ If a student receives 3 or more uniform violations, a parent meeting will be scheduled

EARLY DISMISSAL

Students will *only* be dismissed from class when a parent or family member listed on the emergency contact form physically arrives at the school and signs the student(s) out for the day.
