

NEW PARADIGM LOVING ACADEMY

SCHOOL PLEDGE
Right now, today, this very moment, I am capable of giving myself, the gift of absolute self-assurance, self-belief, and powerful non-stop confidence in myself.

Happy Monday Families,

Time is really flying, as we are in our tenth week of school. Thank you for getting students to school on time daily. As the weather is changing, if you notice your student continuously sneezing, coughing, or show any other signs of possibly not feeling well, please keep them at home. If these symptoms are noticeable after they arrive at school, you will receive a phone call to pick them up immediately. Please do not send students to school with medications, as they are not allowed to treat themselves. Reach out to Ms. Ringo to discuss other alternatives. We know that the last two years have caused a slide in some student's academic growth. Please ensure you are sitting with your Scholar to work with them on their homework, give feedback if it is not correct, and use other resources for academic support. Lastly, when opportunities are emailed or sent through Dean's List for academic success, please sign your student up to get additional support.

If you have additional questions or concerns, feel free to reach out, thank you.

Ms. Ringo,
Principal

STUDENT SPOTLIGHT!!!!

Thanks to all the families who attended the Harvest Fest and brought other family members and friends. It was a huge success!

Shoutout to the Hines' Family for winning the prize for coordinating outfits!

Dean's List is a new software tool that we will use to analyze our attendance and behavior data, and most importantly to improve communication with our parents.

To start, we have scheduled continuous alerts in Deans List that will send messages to your cell phone or email address regarding areas of opportunities, positive behavior, and uniform violations.

SAFETY FIRST!!!!

As a reminder, all parents and visitors who arrive on the campus of Loving Academy are to adhere to the conduct and rules governed by New Paradigm for Education. Disruptive behavior is prohibited at all times and all cases will be individually addressed. Please be respectful and continue to model the behavior we expect from the students.

Instructional priorities

Reading, writing, and discussion in all content areas to provide cohesive instruction and opportunities for productive struggle.

Provide effective feedback to students that affirms what they have done well and guides them toward academic improvement and achievement of learning goals.

Study and leverage student-level data on a regular and consistent basis to identify learning opportunities and create plans to address them.

Use rubrics as tools to provide a shared language with clear guidelines and expectations to provide a measure, adjust, and evaluate learning
