Update for K-12 and Early Childcare Settings: Increased Spread of Multiple Respiratory Viruses Among Children and Adults in Wisconsin

Data from the Wisconsin Department of Health Services (DHS)

show [respiratory viruses are spreading rapidly in Wisconsin](#). In

recent weeks, the number of new respiratory syncytial virus (RSV), influenza (flu), and COVID-19 cases have all increased. People at the greatest risk of getting sick from these viruses include:

- Children.
- Older adults.
- People with weakened immune systems.

This is the first year these three viruses are circulating simultaneously. RSV and influenza activity is uncharacteristically high for this time of year and hospitalizations due to respiratory viruses are increasing in some parts of Wisconsin. DHS strongly recommends all Wisconsinites ages 6 months and older get their COVID-19 and flu vaccine. People can get their COVID-19 and flu vaccines at the same time. Everyone 5 years and older should also get an updated COVID-19 booster when [eligible](#).

Homework Club

Academic Coaching will be after school until 4:45pm in the SHS library on the following dates in November and December:

- Tuesday, Nov. 29
- Tuesday, Dec. 6
- Thursday, Dec. 8
- Tuesday, Dec. 13
- Thursday, Dec. 15

Please contact [Ms. Katy Mullen](#) with any questions.

[Here is a short overview video.](#)

On the packets, there is a one-time QR code to enter a student's name as it should appear on their diploma. Please make sure your student completes this. The school staff will be confirming these names and will contact you with any questions.

You can place your order online by clicking the button below. Payment in full is required if you order online. If you order apparel marked with an asterisk, including online orders, your apparel

will be available for pick up at our table on order day.

Join us on Nov. 24 from 6:30am-12:30pm to volunteer at the Madison Alliant Energy Center for the 8th Annual Madison Turkey Trot!
