KUDOS KORNER

I would like to recognize Karen Casey and Theresa Archibald for their above and beyond acts of kindness.

During our winter break when the District Office is closed, some of us staff members still work to keep the bills paid, payrolls processed, and employees taken care of. I was planning to work from December 27th through 29th to finalize the payroll process and work on an audit that was due by December 31st. Best laid plans didn't include a snowstorm that prevented me from driving to work from East of PA. Checks needed to be mailed on December 28th and 29th. Karen Casey and Theresa Archibald were able to make it into the office to get these mailed. As for the audit, Karen was able to email me the files I needed to complete before the deadline.

These are two of our many employees that I feel should be recognized for their unfailing kindness and dedication to see that our work gets done, even under adverse circumstances. Thank you Karen and Theresa for always being there for us!

Thank you,
Robin Hicks
Payroll Specialist

Shout out to our maintenance, custodial, and transportation teams for going above and beyond this week. These awesome staff members were clearing parking lots, walkways, de-icing, sanitizing, and getting students to and from school safely. Thank you!!

Often the most beneficial support parents receive comes from other parents of children with special needs.

We walk alongside those caring for an individual with developmental disabilities and/or special health care needs, connecting them with other parents who understand the path.

We are here to help guide, inform, educate and access services and resources available to individuals of all ages with developmental disabilities, their families and caregivers.
