STRONG SCHOOLS. STRONG COMMUNITY.

Our Mission: PASD creates learning communities that prepare each student to live, work and learn successfully in a changing world.

MARTY'S MINUTE

We made it to winter break! I hope you all have a restful and restorative couple of weeks ahead.

In keeping with my promise of transparency, I would like to share the presentation Kira Acker and I gave to the Board of Directors regarding our District Finances and ESSER III Budget update. ESSER Funds are administered through the U.S. Department of Education and is intended to support efforts by states and school districts to safely reopen and sustain the safe operation of schools as well as address learning loss.

To learn more about our District's plan, you can watch the presentation [here.](#)

*PAHS Music Department Holiday Concert
December 15, 2021*

Wow! What a show! All of our music students created an incredible performance on Wednesday! Thank you to our Music Department Heads, Jarret Hansen, John Lorentzen, and Nathan Rodahl for bringing much-needed joy and energy to the community!

Students at Dry Creek Elementary were visited by District Administrators and Board Members on Wednesday, Dec. 15th, for the Annual Read Aloud! Thank you to the special guest readers, Rachel Summers, Kira Acker, Sarah Methner, Michelle Olson, Mary Hebert, Marty Brewer, and Tanner Zahrt.

Great job to the Franklin Elementary Team for navigating a power outage on Tuesday! The school has three transformers within the building, and one failed, causing a power outage. The City of Port Angeles restored power and replaced the failed transformer. They also replaced the other two transformers initially installed in 1976!

Special thanks go out to the City Of Port Angeles for making Franklin a top priority this week. The city sent multiple linemen to Franklin to restore power as quickly as possible and get students back to class! Thank you, thank you!

A note from a Franklin Family: I would like to give a BIG THANK YOU to the Franklin staff, I know the closing of the school and having all children picked up can be overwhelming. Franklin staff did a wonderful job at making sure the children were picked up in a safe manner.

Thank you,
Stephanie Washburn

All students at PAHS attended a virtual assembly presented by The White Hatter on internet safety. This live and interactive presentation is designed to provide students with proactive, reflective online critical thinking and decision-making strategies that students can immediately put to good use. Our goal is to help students make the right online choices to keep them safe, savvy, and more digitally literate.

I wanted to submit my gratitude and "shout out" to our district Nursing staff. They ALL have been exceptional! Going above and beyond the call of duty for whatever it takes for our students, families, and staff. They are the ones we all are looking to for guidance, support, and professional knowledge during this pandemic. They're working "In the Trenches" with us and it's impressive. I appreciate each and every one of them!

Hamilton Elementary**

I would like to share an extra enthusiastic THANK YOU to Sharon Ganje with our Help Desk. Thank you, Sharon, for being so kind, flexible and responsive to my seemingly-endless need for tech help. Over the summer I changed both my name and my school, so the list of things I've needed help with has been quite long.

When the server did something unexpected with all of my Word files the day before my class newsletter was needed, Sharon came straight out to my classroom, found a work-around so I could make my newsletter, and then came back the next morning to make sure all of my files were restored.

This kind of quick response, always with a smile, always effective, is really nice, especially when one is frazzled by tech troubles!

**Big shout out to Sharon for being awesome!
- Jessica Baccus**

News and Notes, our PASD staff newsletter, is emailed out each week on Friday during the school year to all staff and is archived on the District's website under Departments, then Communications. Do you have a news item for the staff newsletter? Send an e-mail to Carmen Geyer, Communications & Community Relations Coordinator, at cgeyer@portangelesschools.org by the Wednesday before.
