What Is Schoology?

Teachers use Schoology to post their classroom materials online, provide a safe forum for students to discuss their ideas and collaborate on projects, and to assign and collect homework digitally. It helps students stay organized and it keeps the class connected.

Schoology: Parent Account

A Schoology Parent Account gives you access to:

- The classes your child is enrolled in
- Your child's upcoming assignments
- School and class announcements

Schoology makes it easy for parents to stay involved in their children's education.

Setting Up Your Account

Having a Parent account in Schoology is actually like having two accounts:

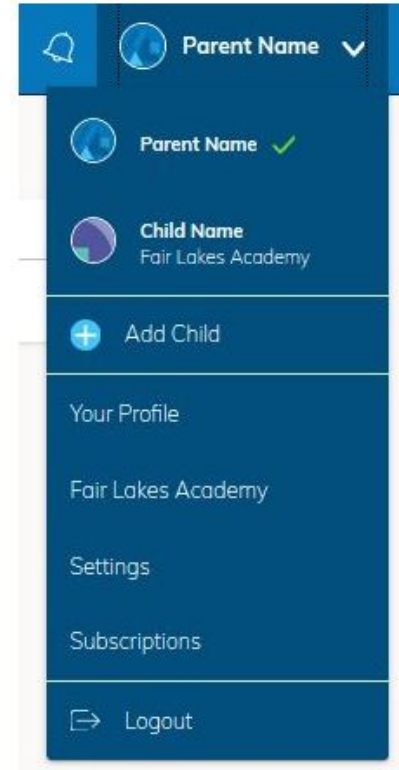

1. Your personal account, with your own name and information.
2. Your Child Activity view. From here, you can view Schoology from your child's perspective, and see what he or she sees, and receive updates about his or her activity.

The first time you log into Schoology, you may want to set up some of your account settings to make sure you get the most out of Schoology.

Setting Up Your Parent Email Digest

The Schoology Parent Email Digest is a brief summary of your child's activities delivered right to your inbox. Here, you can opt to receive it on a daily or weekly basis.

The screenshot shows the 'Account Settings' tab for a Schoology account. Under the 'Parent Email Digest' section, there are four settings: 'Email Summary' is set to 'On', 'Repeat' is set to 'Weekly', 'Time' is set to '03:00PM', and 'Day' is set to 'F' (Friday). The 'Day' setting is represented by a row of seven buttons labeled S, M, T, W, T, F, S, with the 'F' button highlighted in blue.

Setting Up Your Parent Email Digest

Depending on the settings configured by your child's teachers and school administrators, an example of a Parent Email Digest might look like this:

The table lists several courses with their respective grades and attendance records.
