Below are the bid results for bid #23-010-BOE for the Purchase of Interactive Whiteboards. While originally we were looking at the Viewsonic boards, two other vendors bid three other equivalent alternatives that also meet our needs. I recommend awarding items #1-6 to Ockers as they are the lowest, responsible bidder for those items. They have also included in their bid 2 additional 65" boards on stands with 5 year warranties at no additional cost. I recommend awarding item #7 to Teq for Option #1. This will meet a specific department need that will guarantee the Smartnotebook software will run in its full capacity natively. Please contact me with any questions.
