The monthly update for Northridge Schools & Community

NORTHRIDGE VIKINGS PTO HELPS MAKE DREAMS COME TRUE

The Northridge Vikings Parent Teacher Organization recently purchased a book vending machine for the Elementary school. The idea was brought to the PTO by elementary instructional coach, Ashley Ramsey, in hopes of building excitement around literacy, as well as a way to put more books in students' hands. "Four years ago, I saw a photo of a book vending machine at another school," Ramsey said. "I dreamed about it at our school, and thanks to PTO our dream has come true!" Every student will receive at least one token to use in the book vending machine throughout the year. The custom wrap on the machine compliments the theme of nature found throughout the elementary building.

Another great idea was introduced to the PTO by elementary principal, Jill Beaver. In hopes of building moral and excitement around education at a higher level, Beaver suggested the PTO expand the organization to the middle school. After reviewing and planning over the summer, the PTO has officially added grades 6-8 to the organization. We appreciate the PTO, all of our families and community who help make these dreams a reality!

NORTHRIDGE SOCCER KICKS OFF TO A GREAT START

The Northridge High School soccer program is bigger than ever before! The co-ed varsity team has started the season with a 5-1 record, and the newly formed Girls team is also fighting hard with a record of 2-2-1 in their inaugural season. Be sure to catch a home game for both teams!

Good Luck, Vikings!

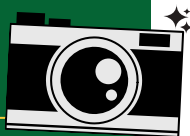

HELLO September

PreK-8 Grade PTO Meeting

Thursday, September 1
3:15pm Elementary Library

Middle School & High School Picture Day

Thursday, September 1
All Day

Elementary School Picture Day

Thursday, September 8
