The musical is really fun. I'm enjoying the dancing for Jolly Holiday! Everyone should do the musical next year!
~6th grader, Ali Irion (Ensemble)

I'm excited for the lines and actions I get to do during the show. I think it will be a fun time; my character is a comical.
~7th grader, Declan Brannigan (George Banks)

The musical is really fun. I think it's a great way for students to get to know each other more. I'm most excited for the actual show!
~8th grader, Noelette Neville (Winifred Banks)

I'm really excited to see how it turns out. I think there has been a lot of growth for everyone involved. The choreography for the songs is going to be really cool!

NYAA WRESTLING NEEDS YOU

- WHAT:** Northridge Youth Wrestling Sign-Up
- WHO:** Kindergarten - 6th Graders
- WHERE:** nyaasports.com
- WHEN:** Registration ends 11/11/22
- COST:** \$75 (online @ nyaasports.com)

Northridge Youth Wrestling is looking to add as many youth wrestlers as possible. We want to rebuild the program to the **POWERHOUSE** it once was. The only way to do that is to start at the bottom and work our way up.

We practice in the wrestling building next to the elementary. More experienced kids practice M/W/F from 6:00-8:00 pm and less experienced/first year kids practice Tu/Th from 6:00-7:30 pm. Practice begins Monday, November 7th and you can try the first week before you register.

THIS CAN AND WILL BECOME A GREAT PROGRAM ONCE AGAIN WITH YOUR HELP!

Getting Teenagers to COOPERATE

Tuesday, November 15, 2022
6:30 - 8:30 p.m.

You are invited to attend a virtual Triple P discussion group program hosted by Our Futures in Licking County.

This program:

- is free
- will be held live on Zoom
- welcomes all parents, grandparents and caregivers

Please register by calling (740) 522-1234, ext. 22, or email TriplePSeminar@hotmail.com at least four days prior to seminar date.

You will receive a reminder and Zoom link prior to the seminar date you wish to attend.

for every parent

Getting Teenagers to Cooperate is a Triple P discussion group program that will help you deal with day-to-day challenges of parenting. It can be very difficult to know when to respect a teen's growing independence and when to insist they do as you ask! It is natural for teens to test limits, but they also must follow reasonable requests. During this program, you will be introduced to positive parenting strategies to help you prevent problems with your teen and to promote cooperation within your family.

Triple P is a research-based, internationally-recognized, multilevel parent support program funded by Licking Memorial Health Systems and supported by Mental Health and Recovery of Licking and Knox Counties and Our Futures in Licking County.

96 percent of parents who have tried some of the Triple P strategies have seen an improvement in their child's behavior!

Congrats
