

Pharmacy Technician Program

Begin your career in this essential health care field! Work with patients, dispensing prescription drugs and medical devices and advising them on their use.

Prepare for your new career here at Great Oaks!

The Great Oaks Partnership Program

This 50-hour comprehensive program will start you on the journey to become a Certified Pharmacy Technician. This course includes classroom, lecture, hands-on labs and an 80-hour clinical externship.

Review the *Roadmap to becoming a Certified Pharmacy Technician* on reverse to understand the requirements to program completion.

Employment

When you successfully complete this program, you will have the skills necessary to gain employment in a number of capacities. You'll find job opportunities in hospitals, home infusion pharmacies, community pharmacies,

and other health care settings – working under the supervision of a registered pharmacist.

Certifications

This program meets the necessary requirements to take the Pharmacy Technician Certified Board (PTCB) – Certified Pharmacy Technician (PTCB) exam.

Clinical externship

As part of this Pharmacy Technician Program, you are required to participate in an 80-hour clinical externship.

The Pharmacy Technician Program is offered at Great Oaks by Condensed Curriculum International (CCI). Since 1993, CCI has supported schools in communities nationwide with educational programs focused on healthcare and other in-demand disciplines.

The next class begins soon!
