New & Exciting Learning Opportunities!

A message from Community Education Director Jason Sellars

As I compose this open letter to our ISD 191 community, it's February 15th and we just received our first, substantial snowfall of the winter. Temperatures have been extremely mild and folks across our state anticipate an early spring and a warm summer.

For many families, summer is about exposing children to new and exciting learning opportunities outside. Our spring and summer Community Education catalog offers many new offerings for kids and families to experience nature, explore technology, and discover their more artistic side. New programs for youth include Sidewalk Chalk Art, Nature Ed with EcoElsa for families with preschoolers Worms and Mud, Pollinators and Preschoolers, Preschoolers and Ponds.

All of these activities will get students and families outside exploring the natural world around them.

Our GET TO IT summer camp experiences also offer a wide array of new, science-based activities, including AeroCode Academy, A Mystery in the Woods, Gizmos and Gadgets Lab, Design Your Own T-Shirt, Alien Ooze and Tech Lab, Exploring Cinematography, Engineers Odyssey Auto Innovators, Wild Animals Camp, SkyLens Workshop, Color Cubes: A Summer of Solving, and EcoFashion Camp.

Our staff is also here to support our adult communities with returning and new programs designed to take advantage of the warm summer months. Vanessa Merry teaches a fantastic Beginning Watercolor Painting classes either during the day or in the evening with all materials supplied. Goat Yoga continues to be a popular choice. Practice yoga outside in the presence of some very cute and playful goats at the Gray Hobby Farm. New offerings include Preserving Family Memories and Photos Camp with an experienced archivist, historian, and researcher. Find out the best way to Get Started, Scanning & Digitizing and Creating & Sharing your carefully curated family memories. Each session is a stand-alone experience or register for all three.

If your child loves participating in sports, we have you covered. I Got Skills soccer offers accessible and fun soccer opportunities for all age levels and skill levels. Our BLAZE camps include tennis, cross country running, track and field, swim and dive, football and basketball, and a whole host of other engaging sports opportunities for kids. Other offerings include Day Camps at IGM Gymnastics, Lynch Basketball Camp, DASH Multi Sport Camp, and Skateropolis.

Our catalog is available online at communityed191.org and in print form. I invite you to consider opportunities for the whole family through our Community Education Department.

From our Community Education family to your family, we wish you a fantastic summer!

Jason Sellars, Director of Community Education

Dance among the stars
Take home rockets, moon rocks, and shooting stars**

Family Fun Night is a District 191 Early Childhood Event. Bring the whole family. Activities are best suited for children up to age 6. Food will be available for purchase.

Rigorous opportunities for all students in District 191

As always, this catalog is so full of amazing opportunities for all members of the One91 Community, from birth to senior citizens. I know you'll find something that interests you and will help you grow and meet your personal goals for health, finances, professional development or just for having fun!

I also want you to know about the amazing opportunities that are happening inside our schools every day for our students.

Did you know that at Burnsville High School is now offering students the opportunity to earn their Associate of Arts degree by the time they graduate? Our Pathways model - from pre-kindergarten to grade 12 - is all about ensuring all students have access to rigorous learning, as well as experiences that spark their interests and help them prepare for their futures. Having a program where students can earn a college degree without ever leaving their high school is a perfect example, and we're doing it thanks to a brilliant partnership with Inver Hills Community College.

These opportunities and access are happening at all levels. Whether it's unique experiences like chess residencies for every fourth grader, visits from international music groups or coding and robotics starting as young as kindergarten, or ensuring every student has all of the foundational skills by implementing a new science-based reading curriculum or providing AVID College Readiness programs at both of our middle schools.

District 191's mission statement starts with "Each Student," and we mean it. We're always looking for ways to remove barriers and respond to the needs of our community. There's probably no part of us that does it better than Community Education. So I hope you find what you need here in this catalog, and if you don't, reach out and let us know what you need to be ready for your future.

Dr. Theresa Battle, Superintendent

EXPERIENCE ONE91

Blaze Your Path

Burnsville-Eagan-Savage School District 191 is a future-forward school district creating barrier-free pathways for learning for everyone in our community. We believe learning is a lifelong pursuit, and create programs, services and opportunities that inspire this belief.

Craft & Creative

Bob Ross Method of Oil Painting

Do you remember Bob Ross from the "Joy of Painting" series on PBS? His "Wet on Wet Technique" of painting is for all skill levels including those who have never painted before. Complete an entire oil painting. Be amazed at how much fun and enjoyment this painting technique will give you! Supply fee of \$15 payable to instructor. Bring a roll of paper towels to class.

Kristi Nelson is specifically trained in the Bob Ross style of painting, and has been a community art instructor for many years.

Tues 6-9 pm \$59 per class + supply fee DEC Senior Center Meeting Rm

Adventures with Fused Glass

Have fun with your friends and learn to make colorful projects in fused glass. This is a great way to spend time with friends and family in a collaborative artisan environment, and the projects make great gifts!

We are offering two projects this summer, Garden Stakes and Suncatcher. You will select your special COE glass, hand cut and design your project.

The instructor will take the project back to her studio for fusing in a kiln at about 1400 degrees. Drop off and pick up of projects will be arranged with the class. Items are ready for pick up 1-2 weeks after class.

Theresa Charpentier is a Yoga, Ayurvedic, Singing Healing Bowl Practitioner and Artist.

Welding with Greg Kraft Beginner Level

Learn to TIG weld safely and with confidence. TIG stands for Tungsten Inert Gas. This type of welding bonds metal to metal without the use of rods, sticks or wire feeds. Students should wear long sleeved cotton shirts, jeans or heavy-duty work pants, closed toe leather shoes or boots. Bring leather work gloves if you have them and your creativity. Instructor provides TIG welder, welding helmets, safety glasses, power tools and gloves and stones (if you do not have them).

Local artist Greg Kraft covers welding safety and introduces concepts of sculptural design. Greg's artistic journey began as a student in community education, where he learned a number of artistic techniques. After retiring from State service, Greg completed courses at Vesper Sculpture College in NE Minneapolis, where he learned to weld and teach community education classes in welding sculpture. Since 2015 he has enjoyed teaching sculpture and carving classes in a variety of folk schools and community education organizations. Park near the tennis courts and enter door 15.

Iron Fish

Make an iron fish from a horseshoe. The iron fish may be used as a trivet, door stop or wall art. It may be combined with another horseshoe for a cell phone holder/charging station.

A403-4A Sa May 11 10 am-2 pm \$130 Nicollet 418C

Garden Sculpture

Make a sculpture for your home or garden while learning to TIG weld safely and with confidence. You will cut, bend and shape steel straps around a stone. Weld the steel to encase the stone and mount it on a steel rod with more welding. Greg Kraft covers welding safety and introduces concepts of sculptural design. Bring leather work gloves

A403-4B Tu June 25 5-9 pm \$130 Nicollet 418C

Burnsville Woodcarvers Club

This is a self-led workshop where woodcarvers inspire and learn from one another and share knowledge of the craft.

Participants provide their own projects and materials needed to complete them.

Seven Steps to Reverse or Prevent Diabetes

Diabetes is a condition in which too much belly fat leads a person to symptoms ranging from mild blood sugar imbalance to full blown diabetes. Whether you have a little extra weight around the middle, insulin resistance or type 2 diabetes, the root cause of ALL these conditions are the same - problems with our diet, lifestyle and exposure to environmental toxins. The good news is all of this can be reversed. Learn how to work with your doctor to help restore your body to health.

0720-4A M Apr 29

Posture & Osteoporosis

Have you ever caught sight of your reflection in a window or mirror to see that your head leads the way? Or noticed that your shoulders and upper back are too rounded forward? You'll learn simple techniques to improve posture and stand straighter. We'll do exercises to help flatten the upper back, unround shoulders and flatten your midsection. Learn how to reduce the risk of osteoporosis and how to regain bone mass. We'll discuss the latest research findings on nutrition, minerals and trace minerals needed for bone health; foods that help or harm your bones and more. Wear loose, comfortable clothing. You will need a resistance band or tube for some of the exercises.

NEW! Weekly Piano Lessons

Age 5-Adult of all levels and interests

Individualized lessons are 30-minutes and are held at Diamondhead Education Center on Wednesdays between the hours of 5 and 9 pm. Contact Community Education to discuss availability. 8 lessons/\$280. Materials fee of \$40 is payable to the instructor at the first class. Prefer that the student can read, or the parent may assist with reading. Students must have access to a keyboard or piano for practice at home. Parents can expect to engage in daily conversation centering on the student's success. As Wednesdays fill, we will consider other days of the week.

Call 952-707-4150 to discuss the times that may fit your schedule. We will share this information with the instructor and confirm your specific time with you. Payment is due at the time of registration.

Las lecciones individualizadas duran 30 minutos y se llevan a cabo en el Centro de Education de la Comunidad (Diamondhead) los miércoles entre las 5 y las 9 p.m. Comuníquese con Community Education para discutir la disponibilidad. 8 lecciones/\$280. La tarifa de materiales de \$40 se paga al instructor en la primera clase. Los estudiantes deben tener acceso a un teclado o piano para practicar en casa.

Me encantaría enseñarte a ti o a tu hijo/a porque también hablo español. Llame al 952-707-4150 para discutir los horarios que pueden ajustarse a su agenda. A medida que los miércoles se llenen, consideraremos otros días de la semana. Compartiremos esta información con el instructor y confirmaremos su horario específico con usted. El pago vence en el momento de la inscripción.

Jared Nelson started piano lessons at the age of 6. He's continued playing and added teaching about 3 years ago.

Personal Development

Learn How to Change Your Life

Through the Words You Speak & Thoughts You Think

Intuition and affirmations act as a team to defragment a cluttered mind. Intuition is a partner in the creative force that magnetizes that which we most desire. Moreover, intuition helps deepen our relationships with the people we love, even those who are no longer physically with us.

Affirmations, also a partner in the creative force, are a powerful instrument of transformation. Learn to use affirmations to help quiet that pervasive internal voice that says you can't, you won't, and you aren't good enough.

Learn to enhance personal boundaries, boost confidence and self-esteem and create positive change. Learn how to write and use affirmations to enrich career relationships, and health.

Learn to reduce stress and anxiety and strengthen problem solving skills by employing intuition and affirmations in your daily life.

Learn to be more receptive, creative, and innovative through enhanced intuition. Learn to identify signs from The Other Side.

You've seen her on Twin Cities Live, now join her in person, Jodi Livon, the Happy Medium and intuitive coach.

Neglected History with Frank Sachs Part 3

Study eclectic topics that are often overlooked or occasionally neglected, yet have been pivotal in determining the course of our nation's history.

1776-Origins of the American Flag

Betsy Ross and so much more

1884-Seneca Falls

Women's Declaration of Independence securing the vote and ERA.

1864-The Gettysburg Address

Second Fiddle takes First Place

1919-The Black Sox Scandal

Baseball loses its innocence when greed, exploitation and corruption are exposed

1961-To the Fall of the Wall in 1989

"Mr. Gorbachev, tear down this wall."

Instructor Frank Sachs is a lifelong history buff and retired educator. In addition to a 40-year career teaching AP History, Government and Constitutional Law, Mr. Sachs studied at the Supreme Court Institute for Teachers at Georgetown Law School, George Washington at Mount Vernon, and the Founding Fathers at NYU with Richard Brookhiser, the editor of the National Review.

Know Your Neighbor

Bringing people together
across differences since 2017

Know Your Neighbor facilitated conversations are flexible and focus on current events and life events. Join us for meaningful, respectful conversations. Through consistent conversations we learn to look past the differences and embrace the similarities among us. All are welcome.

2SLGBTQIA 101 Tues, April 16

An Adult Education Information Session. Walk away with a better understanding of gender, pronoun usage, and best practices for creating inclusive and supportive spaces. We will dive into thinking about our own experiences with gender and learn about the differences between gender identity, biological sex, gender expression, and sexual orientation. While our focus is on our youth, the intention of this workshop is to help foster affirming spaces for all people, minimize harm, and provide tools to interact with queer folks genuinely.

Our presenter, Hannah Edwards, (she/her) is the training coordinator for Minnesota's largest LGBTQ organization, Outfront MN. Hannah is also the Director of Transforming Families, Minnesota's largest and longest running support network for trans and non-binary youth and their parents and caregivers. Formerly, she was an art teacher in public schools. She believes that when we all know better we all can do better. When she's not working Hannah loves to spend time with her two daughters and her husband Dave.

Registration is not required, but appreciated.

Health, Enrichment & Fitness

Chair Tai Chi

Tai Chi has been practiced in China for centuries for both its health benefits and to harmonize the body and mind. The slow-flowing movements of Tai Chi are non-impact and help build balance, flexibility, and strength while also reducing stress and relieving pain.

The class is particularly beneficial for those with limited mobility or with chronic conditions such as MS, Parkinson's or arthritis. Students will use a chair but may progress to standing, if appropriate. Join us for fun, exercise, and relaxation. For questions, call 952-707-4120 or send an email to anne.m.kamiri@gmail.com.

Brainpower In A Backpack

tinyurl.com/whatisbrainpower

BrainPower in a Backpack is ISD 191's Hunger Relief Project sponsored by 191 Community Education and Burnsville High School Youth Services benefiting all students, staff and families.

Burnsville High School student volunteers pack 600 to 700 weekend food packages available to all ISD 191 students in preschool, elementary, middle and high schools to help families who struggle to put enough food on the table.

Because academic performance is related to nutrition, BrainPower's goal is to improve the student learning experience for children with the greatest need in ISD 191.

Academics & STEM

Full Release Day

Great Reactions in Science

Grade 1-5

Join Science Explorers as we explore the fascinating world of chemistry! Experiment with mixtures that are sloppy, foamy, and more while investigating the differences between chemical and physical reactions. Please dress for a mess in our fun, "hands in" STEM class.

Science Explorers

TSE-04 W Apr 10 10 am-12 pm
\$39 DEC Room 1026

Virtual Reality Coding

Grade 3-7

Design, develop, and create 3D virtual reality environments and characters to make your own 3D games, virtual reality projects and Metaverse's new platform Hatch. Hatch is an incredibly fun and stimulating way to learn STEM. Virtual Reality programs can be viewed on most mobile phones and Virtual Reality systems like Oculus or Google Cardboard. However, worlds can be viewed on PCs, phones and tablets in 3D.

You will only need a laptop or computer to get started. Class information will be sent to your email 7-10 days before class, including how to register for a Hatch VR account.

Online Tech Academy programs simplify the world of educational technology for students by connecting science, technology, engineering, math and the arts. Classes are project-based, hands-on and designed to make learning fun.

Technical Requirements: Computer- PC (Windows 7 or later), Mac (OSX) with at least a 2GHz processor and 4GB of RAM. Chromebooks, Tablets, and Phones typically do not work. Broadband internet, webcam, microphone, speakers and Zoom must be installed on computers

ETA-3C Sa Apr 6, 13 2 sessions 10:30 am-12:30 pm \$79

Summer is a time of endless possibilities

The Community Education Youth Enrichment catalog is a treasure trove of opportunities aimed at bringing quality experiences to the youth of ISD 191.

In these pages, you will discover an assortment of summer programs that will inspire, educate, and empower.

Embark on exciting outdoor adventures with EcoElsa, create fascinating chalk art designs with The Chalk Gnome, explore new drawing experiences with The Blue Fox, and solve Rubik's Cube™ puzzles from Cubing Enrichment Opportunities.

Join the cast of Seussical Jr. musical theater camp, and invite family and friends to watch you perform on the Mraz Center stage.

Explore the many opportunities within ISD 191 Community Education and spend your summer with us; immersed in educational experiences that are your passport to a world of endless possibilities.

If there is something else you'd like to see offered in the future, please feel free to contact me at ajordan@isd191.org. Can't wait to see you in one of our summer classes.

Allison Jordan, Community Education
Youth Enrichment Coordinator

There's lots happening this spring & summer!

Keepsake Garden

Parent & child 18 months-6 years

Create alongside your child and paint a cheerful flower garden complete with the cutest little flowers you've ever seen. This very special flower garden features the artist's own little hand prints. Make a memory today, and treasure the keepsake for years to come.

AKC-KG4 Sa May 4 9-10 am \$39
DEC Room 1025

Dance Studio with Mayer Arts

Spring Theme Wish (For summer offerings see page 41)

Our dance classes are sure to keep students active. Mayer Arts teaches students proper technique, terminology, body awareness, and an appreciation for the arts. The goal of Mayer Arts is that students find a love for the arts, build healthy habits and self-esteem; skills that are helpful throughout their lives.

No class April 8. All classes are held Mondays in DEC Studio A.

All classes are Mon, Mar 25-May 20 8 sessions \$99 per class

Wish Upon a Ballet

Age 3-6

Wish Upon a Ballet is a dance program for children that incorporates popular children's stories as well as ballet stories to create a dance class that is more than ballet steps. Using musical instruments, parachutes and scarves we create a complete fairy tale experience while we skip, leap, jump, and spin. The movements and vocabulary of ballet are introduced in a fun and creative manner.

Stories and songs are always entertaining and preschool friendly. Parents, family and friends are invited to observe a special performance at the end of each class. Come join the fun!

DWB-4B 5:45-6:30 pm

Ballet and Tap Age 5-8

This class includes the Wish Upon a Ballet curriculum with the added fun of tap! Proper terms for dance steps will be taught as well as body awareness to improve posture, strength, and flexibility. Students will gain poise and confidence as they leap and spin! Ballet and tap shoes are required. DBT-04 6:30-7:15 pm

Jazz and Hip Hop Age 5-8

Get into the groove! Stay active while learning upbeat styles such as jazz and hip hop to your favorite songs. You'll learn warm up stretching, isolations and across the floor exercises. Come leap, turn and shine. Dancing improves posture, strength, and flexibility in a positive and self-esteem building atmosphere. Ballet or jazz shoes are required. DJH-04 7:15-8 pm

Cooking with Optimum Wellness

Spring Shakes Grade K-5

It's time to shake things up now that the weather is warming up! We'll make flavorful drinks with a twist on the modern milkshake. *No artificial colors, sugars, or flavors. On the Menu: Skittles Shake, Strawberry Cheesecake Shake, Banana Cream Pie Shake. Includes supplies. Bring your water bottle & come ready to eat your creations!

More Summer Gymnastics

IGM Summer Day Camps Age 4-12

IGM's Summer Camp is full of exciting activities that will get your kids moving!

IGM staff plans exciting games, arts & crafts, bounce house, and open gym time. Enjoy Wacky Wednesdays, Thinking Thursdays, Wet & Wild Fridays and more! You'll have a blast using the trampolines, tumble track, foam pits and mats of all shapes and sizes. Make this an unforgettable summer break full of flipping, jumping and climbing. Morning and afternoon snacks are included, bring a packed lunch.

NEW! Adaptive Gymnastics

Age 2-10

Empower your young child with special needs to cultivate a lifelong love of movement. Adaptive classes with EGA provide a nurturing and stimulating environment where children explore their physical abilities, build confidence, and discover hidden strengths through the joy of gymnastics.

Instructors are specialized and experienced in adaptive techniques. Classes are tailored to meet the unique needs and abilities of each child. Student: Instructor ratio: 4:1 (parent or para-educator participation is required)

These class are held at Elite Gymnastics Academy (EGA), 12500 Chowen Ave S in Burnsville

Project KIDS

Offering flexible care before and after GTI

Project KIDS School Age Care is available for students entering grades K-6 before and after GTI, half-day camps and classes. Enrollment forms must be completed and on file prior to the start date of your GTI class. For availability and cost, contact Stacey Konopa at 952-707-3008, skonopa@isd191.org

GTI is designed to stretch your mind, body and imagination

Combine your GTI camps with other opportunities at Gideon Pond throughout this brochure.

Activities marked ☀️ may be paired with GTI offering for a full day of activities along with At Lunch Bunch.

Please bring a nut free snack and beverage each day

Week of June 17

June 17, 18 & 20

Battle Drones

Grade 3-8

Learn how to fly like the pros in the Drone Racing League by training on a flight simulator. Once you've learned the basics of flying, you'll assemble your very own drone that you'll keep after the camp. Start with drone safety and maintenance, then take your drone to the skies and compete in numerous races and challenges. Led by experienced instructors, students leave camp with the skills and knowledge to pilot their drones and keep them running. The drones used in camps have cameras, and are perfect for entry level pilots. Additional drones may be purchased for \$50/drone.

COR Robotics

1BD-1A M, Tu, Th June 17-20 3 sessions
9 am-12 pm Gideon Pond 218 \$169

AeroCode Academy

Grade 3-8

AeroCode Academy is the most exciting way to learn how to program! Using block based programming tools to command drones, you will sharpen your skills and take to the skies. Starting with guided tutorials, students of all skill levels will find success before implementing their own custom programs. Teams of students will battle their drones in fun and exciting challenges that teach valuable 21st century programming skills, as well as teamwork and collaboration. Drone can be purchased to bring home for an additional \$100. No class June 19.

COR Robotics provides camps and activities that both educate and inspire the next generation of problem-solvers through the use of entertaining and engaging STEM activities.

1BD-1P M, Tu, Th June 17-20 3 sessions
1-4 pm Gideon Pond 218 \$109

Week of June 24

Outdoor Survival Skills

Age 6-14

Campers will learn survival skills through fun games and activities. By the end of camp, they will know a wide variety of outdoor survival skills like the rule of three, how to signal for help, shelter engineering, fire science and safety, treating water, orienteering, and more! Plus, they will get the chance to test out all their skills in a survival scenario and graduate from Survival Camp! The skills are not only great for a lost/survival situation but also for camping and outdoor excursions as well as teaching kids' confidence, self-reliance, teamwork, and problem solving. Make sure to dress for the weather and wear closed-toed shoes and long pants as most of the class will be spent outdoors!

EcoElsa

1OS-2A M-Th June 24-27 4 sessions
9 am-12 pm Gideon Pond 217 \$159

A Mystery in the Woods

Age 7-14

Someone is stirring up trouble in our park! Things are going missing and strange clues are being left behind. It is up to us to solve the mystery through a series of problem-solving activities and games. Learn about the natural world and use those skills to solve the mystery! We'll be doing a mix of indoor and outdoor activities, sometimes going off trail so make sure kids dress for the weather and wear closed-toed shoes!

EcoElsa

1MW-2P M-Th June 24-27 4 sessions
1-4 pm Gideon Pond 217 \$159

Minecraft Escape Room

Grade 2-5

Dig deep and explore puzzle-filled maps in this Minecraft camp! Using Minecraft EDU, you'll learn how to use redstone mechanisms and programmed commands in order to create the perfect Minecraft Escape Map. You'll design fun puzzles, engineering traps to trick your friends, and even make hidden rooms to hide your treasure! By the end of this class, you will be able to show off your new adventure mapping, redstone, and command skills to your friends. No advanced Minecraft knowledge required. Please bring a peanut-free snack and beverage.

Tech Tac Toe offers classes that engage children in multiple ways; from conceptualization to design, ultimately building life-skills such as problem solving, logic, and creativity. Programs are presented in a kid friendly manner and tailored to their abilities.

1AR-2A M-Th June 24-27 4 sessions
9 am-12 pm Gideon Pond 215 \$179

Minecraft World Edit

Grade 2-5

Because YOU have asked for it - we have created this extraordinary Minecraft camp! Explore the ins & outs of Minecraft World Edit and take your Minecraft skills to the next level. Learn how to modify the way Minecraft is played as you explore awesome commands to build your very own project. Time allowing, the camp also includes fun tutorial maps, architecture building, and even modifying the terrain.

Eco-Fashion Camp

Age 7-14

Our natural world has played a role in the clothes humans wear since the beginning. Join a naturalist from EcoElsa to connect nature to current fashion. Focus on the making and ideas phase with activities like grass weaving, making dyes from plants and creating designs based on nature. We will also learn how to make fashion more sustainable with upcycling and recycling activities. This is a great class for creative kids who enjoy problem solving. Themes of sustainability, body-positivity, and science are woven throughout the curriculum. With a mixture of indoor and outdoor activities, make sure kids dress for the weather in clothes they don't mind getting dirty and wear closed-toed shoes! Kids will take home most of their creations on the last day.

More Summer Classes & Camps

Animation Camp

Ages 9-12

Discover what it takes to animate a stop motion film. Learn about the history of animation, create your own flip book, and design your own characters! We will write and record a stop motion short. Come excited, leave inspired.

Aryn Lill

AAC-8A M-Th Aug 12-15
4 sessions 9 am-12 pm
DEC Rm 1025 \$159

Sidewalk Chalk Art ☀️

Grade 3-5

Do you like to draw? Are you curious about how large pieces of sidewalk chalk art are created? Learn the basics of this diverse, exciting art form. Come prepared to get dirty while you explore new techniques, learn to use the gridding system, and create a large piece to take home. Continue drawing at home; tuition includes a professional series chalk set that is yours to keep. (Valued at \$10)

Allison Olstad, also known as the Chalk Gnome discovered the medium at a camp in 2017. She is a street artist and has participated in many local festivals.

SCA-2A Th June 27 9 am-12 pm
Gideon Pond 218 \$69

SCA-5A Th July 25 9 am-12 pm
Gideon Pond 218 \$69

Activities marked ☀️ may be paired with GTI offerings for a full day of activities along with At Lunch Bunch. Minimum age to attend is 6 years-old.

Dance Studio with Mayer Arts

Mayer Arts performance dance classes give you all the style and technique needed to grow as a dancer in a fun and affordable way! Not only fun, dance is proven to not only build strong bodies, but strong minds and self-esteem as well. **All summer activities held at Gideon Pond. For Spring classes, see page 30.**

Hip Hop Dance Party

Age 5-9 all levels welcome

Get into the Groove! Learn hip hop steps and dances to today's most popular music.

RDH-1A M July 8-Aug 12
6 sessions 6:45-7:30 pm \$75

Wish Upon a Ballet

Age 3-6

Wish Upon a Ballet uses popular children's stories to create a dance class that is more than ballet steps. Create a complete fairy tale experience using musical instruments, parachutes and scarves; leaps, jumps and spins. The movements and vocabulary of ballet are introduced and children learn an appreciation of dance and music while developing strength and flexibility. All students need ballet shoes and comfortable clothes they can move around in. Shoes will be available to order on the first day of class for an extra fee. Students must be potty trained.

Mickey and Minnie
6 sessions \$75

5 sessions 1-4 pm \$139

When registering, use the grade your child will be entering in Fall 2024

YOUTH 41

Youth Summer Musical Theater Camp - Seussical™ Jr Age 9-16

Director **Braylon Lane**

Budding young actors join Community Education for this two-week summer camp with live performances on the Mraz Center stage.

All your favorite Dr. Seuss characters spring to life onstage in Seussical JR. Transporting audiences from the Jungle of Nool to the Circus McGurkus, the Cat in the Hat, our narrator, tells the story of Horton, an elephant who discovers a speck of dust containing tiny people called the Whos, including Jojo, a Who child, who gets in trouble for thinking too many “thinks.” Ultimately, the powers of friendship, loyalty, family and community are challenged and emerge triumphant! (mtishows.com)

TYC-04 11 sessions \$159

All who audition are cast.

Must register to audition.

Parent Info Meeting & Auditions Tuesday, June 4, 4-7 pm at the Burnsville High School Mraz Center.

Camp includes pizza dinner on June 26 and 29 as well as a camp t-shirt. Please note t-shirt size when registering. Show costume will be provided.

Rehearsal Schedule

Mon-Sat, June 17-26 from 12-5 pm

Schedule updates will be communicated by camp staff. No rehearsal June 19.

Bring the whole family!

Public performances are at the Mraz Center

Burnsville High School, 600 E Hwy 13

June 26, 27, 28 at 7 pm & June 29 at 2 pm and 7 pm.

General Admission Tickets \$10 for public performances.

June 27 additional day performances for ISD 191 school groups.

Early Childhood Enrichment with Eco Elsa Adult & Child Age 3-5

Connecting People to Nature by “Teaching Anything Outdoors”. Classes take place at the McColl Pond ELC at Savage Community Park, 13550 Dakota Ave S in Savage. Make sure your family comes dressed for the weather and ready to potentially get a little wet or dirty! Wear closed toe shoes and bring a water bottle and snack each day.

Worms and Mud!

The littles will be excited and active while exploring the world of mud and worms through engaging activities with the help of an EcoElsa naturalist. A change of clothes for after class is also recommended!

EWM-04 W June 5 10 am-12 pm McColl Pond ELC
\$29/adult and child pair, \$39/adult and 2 children

Pollinators and Preschoolers

Bees, Butterflies, Hummingbirds, and more! Join a naturalist from EcoElsa to learn about pollinators and how they help the environment. Class includes tactile learning activities, exploration time, games, and art to help families engage and connect with their natural space. Participate in a variety of outdoor activities that are geared for preschoolers to get their minds and bodies moving!

EPP-1A F Aug 2 10 am-12 pm McColl Pond ELC
\$29/adult and child pair, \$39/adult and 2 children

Preschoolers and Ponds!

Join a Naturalist from EcoElsa to learn about the aquatic ecosystems and the animals who call them home. Families will also learn how to test the health of that ecosystem by collecting a survey of the animals found in the water. Other activities include exploring how we impact the quality of our water and actions to take to help it.

EPP-2A F Aug 9 10 am-12 pm McColl Pond ELC
\$29/adult and child pair, \$39/adult and 2 children

Ninja Training Camps

Ninja classes are held at Burnsville Conquer Gym 3203 Corporate Center Dr

All activities are coached by experienced Ninja Trainers.

Conquer Ninja Rec Team All Experience Levels

Ninja Obstacle Training is super popular with kids, and it's easy to see why. You practice on real obstacles inspired by the tv show like warped walls, salmon ladders, tilting ladders and so much more. It's a fun way to develop confidence, strength, endurance, balance and friendships. You benefit from training in agility, power, perseverance, and resilience; attributes that all athletes strive to improve. Rec Team members develop their Ninja Skills with over 40 different obstacles. 6 practices, 2 competitions.

More Sports Camps

Horse Camp at Capall Stables

Age 6-12

Horse Camp is the perfect introduction for horse crazy kids. Each day you will enjoy a craft. Campers will paint horses, bathe horses and learn to brush, lead, and ride a horse.

The camp focus is teaching skills kids will need if they take riding lessons. Whether interested in riding lessons or not, there is something for every child to enjoy at camp.

Prepackaged snacks are served. Please bring your own if you have food allergies. Bring a water bottle. Wear long pants (preferably jeans) and close toed shoes. Riding helmet required. Bring your own or we will provide one for you to use. The stable is equipped with an indoor arena, so camp will be held rain or shine!

Check your confirmation email for the Freiheit Performance Horse Camp email waiver, which must be completed and turned in to camp staff.

Camps are held at Capall Stables, 4804 Clearwater Trail, Lonsdale.

Parents are responsible for transportation to and from the stable.

BLAZE Sports Camps

Use the grade your child is entering in the fall of 2024 when registering for summer activities. Students receiving educational benefits from ISD 191 may be eligible for reduced tuition. Please present your most recent educational benefit letter to Community Education with your registration. Call 952-707-4150 for assistance, Monday-Friday, 8 am-3:30 pm, or stop by the Community Education office at Diamondhead. For all camps, bring a water bottle each day, apply sunscreen and dress appropriately for the weather. Wear closed-toe athletic shoes unless other footwear is specified.

For camps that include a shirt, please indicate size when registering

No BLAZE camps June 19 and July 1-5

BLAZE Baseball Camp Age 9-15

Participants will improve their ability to consistently hit, field, and throw a baseball through the use of direct instruction and drills. Participants will have the opportunity to showcase their skills in a scrimmage on the final day of camp. Bring a baseball bat, batting helmet and a fielding glove. Player drop off is at the Northeast parking lot at BHS near the tennis courts.

Coach Justin Banitt

BBP-4A Tu, W, Th June 11-13 3 sessions 9 am-12 pm \$75 BHS Outdoor Campus

BLAZE Cross Country Running

The Summer Running program introduces young athletes to the great sport of Cross Country Running. We focus on aerobic endurance and fitness, core strength, flexibility, and the importance of sleep and nutrition. Each session consists of specific drills, games, core strength, stretching, and running some of the trails at Terrace Oaks. Our primary focus is to have fun! Bring a water bottle. Meet at Terrace Oaks East park located at 12650 Parc Drive, Burnsville.

Coaches Charlie Burnham, Nate Strand, Jeff Webber

BLAZE Performance

Grade 6-12 athletes in all sports
BLAZE Performance focuses on the development of movement, speed, agility and strength for all athletes.

Emphasis is on sport specifics and age groupings which allows students to train with their teammates. BLAZE Performance is appropriate for both student athletes as well as those focusing only on physical wellness.

From tracking various strength measurements in the weight room to laser-timed interval outcomes on the track or turf, we ensure that our athletes will perform at an elite level during their upcoming season.

Prepare for your upcoming season with your teammates at BLAZE Performance!

We train Monday-Thursday, between 7 am-12 pm. You will receive an email from the coach at least 48 hours prior to the first class indicating the start time of your 90 minute session.

Coch Ryan King is the head Strength and Conditioning Coordinator for Burnsville Athletics. He is the Offensive Coordinator/QBs Coach for the football team and JV Head Coach/Outfielders for the baseball team.

BLAZE Camp Informed Consent and Health Disclaimer

By registering for a BLAZE camp you agree to the following for yourself or your minor child/ren (under age 18 years)

INFORMED CONSENT: I hereby release and discharge ISD 191 Burnsville, Eagan, Savage Public Schools, its agents, coordinators, coaches, officers, employees, volunteers and insurers from all claims, demands, actions, judgments and executions. This release includes all claims that my child or I may have against ISD 191 Schools for all personal injuries, death or property damage caused by or arising out of participating in the ISD 191 Burnsville High School Summer Camp(s). I acknowledge and assume the risk of the inherent dangers involved in the program, for which my child is registering for including but not limited to the dangers created by physical exertion, collisions, rough terrain, faulty equipment, mistakes made by my child or other participants and illness. I have read this release, understand its terms and execute it voluntarily. I understand and agree that no one will be able to hold ISD 191 Burnsville, Eagan, Savage Public Schools liable for any injuries or death to my child or for damage to property. All BHS athletes, regardless of sport, are encouraged to participate in this ISD 191 Burnsville High School Summer Camp(s). I agree that my child will abide by the rules and regulations (including safety) of the program and will at all times wear any and all protective equipment required for the program.

Health Disclaimer: You agree to follow ISD 191 health and safety precautions. Community Education is open in compliance with State and Federal guidelines and although the district conducts regular and thorough cleaning of its buildings, we cannot guarantee that participants/visitors will not be exposed to COVID-19 or any other illness while using district facilities. You acknowledge this risk on behalf of yourself and your minor children as a condition of participation. Community Education is not responsible for determining whether or not any participant has or does not have COVID-19 or any other illness before, during or after this activity.

One191 Early Childhood programs offer a continuum of services that meet the needs of families. We strive to provide high quality learning experiences and resources for children and adults.

Early Childhood Family Education

ECFE, for families with children newborn-age 8, offers learning experiences that support, nurture, and engage your family.

Early Childhood Screening

Screening helps ensure that all young children are well equipped for learning, and families are aware of resources in the school and community. The ideal age for screening is 3 years old. Interpreters provided. This is a free service. Complete a screening request form on the website or call 952-707-4105.

District One91 Preschool Programs

Prekindergarten for 4 year olds
at each District 191 elementary school.

Preschool for 3 to 5 year olds
at Diamondhead Education Center.

Preschool Plus for parents and children
33 months-4 years.

Registration information
Call 952-707-4110 to learn more.

2024-25 Preschool Registration
To apply, download the application packet at communityed.isd191.org/early-childhood/preschool or pick one up at Diamondhead Education Center.

Ready to Grow & Ready to Learn

Early Care and Education for Children
6 weeks to 5 years

Provided Monday-Friday, 7 am-5:30 pm
at Diamondhead Education Center.
Contact Lyndsay Griffin at 952-707-4146,
lgriffin@isd191.org

READY! For Kindergarten

Parent education to support children's play and learning at home. Classes for parents of children, birth to 5 years. Free to District 191 residents.

ECFE Early Childhood Family Education

Registration is ongoing

Our classes provide families with warm and welcoming environments designed with the whole family in mind. Activity time is rich with play & learn stations that spark curiosity and exploration for parents and children. Enjoy quality time with your child, meet new people and see old friends.

Parent discussion time supports adults and provides information helpful for parenting in today's world.

Two hour classes consist of parent-child activity time, followed by parent discussion, which is led by a licensed Family Educator in a separate space. During 90 minute classes, parent discussion may be less formal since families stay together the entire time.

Tuition is based on a Sliding Fee Scale which is determined by income.

You may register for the full year as soon as registration is open. Full payment must accompany each registration.

Spring Quarter April 15-June 6

No class May 6, 27

Infants & Toddlers Newborn To Age 3

Infant and toddler classes are set up with age appropriate activities in a safe environment geared toward building skills and confidence. Smaller age brackets offer parents the opportunity to meet other families with similar aged children while receiving support and information specific to the age and stage of their child. **Most classes are 90 minutes and are non-separating. Classes are held at DEC.**

Infants

Come together to share in the joy and transition to parenthood. You've prepared for this journey, and now your baby has arrived. Explore the 4th trimester and beyond with the support of a licensed early childhood parent educator. Grow your supportive community in this space where the educator will provide resources and you bring your questions and experiences to share with one another.

Celebrating Babies

Free for Parents & Newborn-12 months

Many cultures have ways of celebrating new members of the family. We would love to meet your little one and you too! ECFE is a great place to meet others with children the same age as yours. Lifelong friendships have developed among folks who meet at ECFE while focusing on the needs of babies and themselves. Bring your questions and your baby to this free class. Space is limited, please register in advance.

E0-44 Apr 19-May 31 Fri 11 am-12:30 pm Rm 1030 Fee C

Evening with the Tots

Newborn-36 months

An evening just for families with newborn-36 month old children. Gather to receive support, resources and activities planned just for you.

E2-34 Apr 17-June 5 Wed 6:30-8 pm Rm 1030 Fee A

Growing Babies on the Move

15-30 months

Babies and young toddlers are on the go! Come to ECFE for support, information, and activities for these busy times.

E0-54 Apr 19-May 31 Fri 9-10:30 am Rm 1030 Fee C

Transitions in Parenting

6-24 months

Adding a child to your family is an adjustment for big sisters and brothers. Changing roles within the family and possible changes to your employment create new dynamics.

E0-14 Apr 16-June 4 Tues 9-10:30 am Rm 1030 Fee A

Toddlers

Information and activities for families with toddlers. Emerging language skills and independence bring joys and frustrations for your child and you. We will explore ways to offer choices to your child and gain cooperation.

Terrific 2s & 3s Age 24-28 months

You'll love being a part of this supportive community as your child transitions from toddler to preschooler. In addition to support, we provide engaging activities and information families with 2 and 3 year olds find helpful.

E3-14 Apr 18-June 6 Thur 9:45-11:45 am Rm 1031 Fee B

Toddler Topics Age 15 months-3 years

Toddlers grow and change at a rapid pace. Just when you think you have your little one figured out, they change again! From crawling to running, crying to using words, focusing on adults to seeking out playmates... toddler time is a period of rapid growth! Classroom activities are designed for young learners who learn best while having fun. Caregivers assist in selection of discussion topics. No class May 6, 27.

E2-14 Apr 15-June 3 Mon 10-11:30 am Rm 1030 Fee C

Learn more about how young children develop!

Help Me Grow has many resources for parents and professionals, including information on developmental milestones, caregiver strategies to support development, and how screening and evaluation can benefit young children.

www.helpmegrowmn.org

GROWING THE FUTURE FAMILY STRONG

Our Mission

Nurturing the growth and development of children in the context of family and community relationships by providing a continuum of high quality family and early childhood education and experiences.

Early Childhood Programs CORE COMPONENTS

Parents are a child's first and most important teacher

Social emotional development is the foundation for strength and growth

Connecting children to nature through outdoor learning is essential

MN Early Childhood Indicators of Progress is an important guiding tool

Engagement with community partnerships and events is a valuable resource

Mixed Age Classes Newborn-Pre K

ECFE offers a variety of classes for families with children newborn through pre-kindergarten age. Families enjoy a wide assortment of activities, support and connections during class. In a 2 hour class, families are together for a portion of class and then adults separate for more in depth parenting discussion.

Book Discussion Classes

We use a text to generate intentional conversation on a specific topic. Our time together encourages thought provoking conversations in a safe space. Books are available for participants to check out for the duration of class.

Bringing Up Race: How to Raise a Kind Child in a Prejudiced World 2021, by Uji Asika.

Possible topics for discussion include: how to have open, honest, age-appropriate conversations about race, and how children and parents can handle racial bullying.

E5-14 Tu Apr 16-June 4
9:45-11:45 am DEC Rm 1031 Fee B

ECFE Connections

All families share the goal of happy, healthy kids. Understanding development and temperament helps strengthen connections within the family. We'll explore how personalities mesh or conflict affects family dynamics.

E5-24 Wed Apr 17-June 5
9:30-11:30 am DEC Rm 1033 Fee B

Fabulous Fridays

Multifaceted fun for everyone. We'll focus on fascinating activities, building friendships for kids and parents, and flexible discussion topics to fit your family's needs. Hurray for Fabulous Friday.

E5-44 Fri Apr 19-May 31
9:30-11:30 am DEC Rm 1033 Fee D

Family Transitions

Family support for rapid changes in the early years. Parents suggest topics to discuss which may include adding a sibling, starting preschool, and new work schedules. This class begins with short periods of separation that grow to nearly an hour of parent discussion. Children are cared for by our experienced and skilled early childhood team during parent discussion. No class May 6, 27.

E5-04 Mon Apr 15-June 3
9:30-11:30 am DEC Rm 1033 Fee D

Me and My Dad

A special time just for dad and the kids. ECFE plans fun activities, circle time, gym time and more. Parent discussion focuses on topics important to dads. No class May 6, 27.

E6-14 Mon Apr 15-June 3
5:45-7:45 pm DEC Rm 1033 Fee D

Grand Ol'Fridays with Grandparents

Connect with fellow grandparents sharing in the modern family and caregiving experience. Feel welcome to share your family traditions, celebrations and heritage as well as special ways to love your grandchildren. Come as you are!

E5-54 Fri Apr 19-May 31
9:30-11:30 am DEC Rm 1031 Fee D

Nature Fun: Inside & Out

During Minnesota's coldest days, we'll bring nature inside for exploration. We'll talk about the right clothes for every weather condition and make a plan to enjoy time together outside. We'll talk about the restorative power of nature and its effects on the mind and body. As spring returns, we'll continue the fun at a park.

READY! For Kindergarten

Parent Education classes to support children’s play and learning at home

Classes for parents of children, birth to 5 years. Free to District 191 residents.

READY! For Kindergarten impacts the lively early learning years before a child enters school. This time lays the foundation for all future learning. Parents learn how to “Play with a purpose,” which builds strong minds and relationships. You’ll receive FREE materials to make learning at home fun and effective based on your child’s age as of September 1, 2023.

Tuesday classes presented online in real time. Registered families will receive instructions via email on how to join. Thursday and Saturday classes held in the Community Campus on the upper level of Diamondhead Education Center, DEC C Wing. No childcare provided. Babies Birth-4 months are welcome to attend with parents. Orientation is required for first time attendees and begins 30 minutes prior to class start time.

Parents enroll in one session per season. Preregistration is required. One set of materials per family, full attendance required to receive the materials for use at home. Out of district residents are welcome to attend for the cost of the materials, \$50. For more information, email preschool@isd191.org

E5-21 W July 10-Aug 7 9 am-11 am DEC Rm 1031

Weather Cancellations

Alerts will be posted on the District and Community Education websites. Information will be relayed through local television and radio stations along with Facebook and Twitter accounts.

Photos in Classes

One91 Early Childhood Programs periodically take pictures of participants in our classes and during other sponsored activities. These photos may be used in community education and district publications or other promotional materials. By registering for a class with us, you are giving permission for use of your photos. If you do not wish to have your picture taken or published, you must provide us written notice in advance.

Email Notifications

Include your email address on your registration. We send a confirmation email and messages regarding changes to class via email. We will never give your information to any other agency it is strictly for use by District 191.

Our experienced and caring teaching staff lead parents and children in engaging and stimulating activities that spark curiosity and exploration.

Immunizations

Minnesota law requires children enrolled in early education programs to be immunized against certain diseases or file a legal medical or conscientious exemption. Immunizations must be on file PRIOR to the start date of class, current as appropriate to the child's age or in progress, in order to attend One91 Early Childhood Programs.

District 191 requires immunization records for Early Childhood Family Education (ECFE) classes that run six weeks or more, One91 Preschool, and Kindergarten classes.

Submit a current copy of your child's immunization records to the District 191 Early Childhood Nurse, Fax to 952-707-4166 or complete the Early Childhood Immunization Form on our website and mail or drop off at the Community Education office at Diamondhead Education Center.

Class Cancellations

If Community Education cancels class due to low enrollment, you will receive a full refund. If you cancel out of a class more than 5 business days before the class start date, you will receive a refund less a \$10 processing fee. If you cancel less than 5 business days before the start of a class or activity there will be no refund. No refunds for online classes once the meeting information has been sent.

If you find that a class is not the right fit for you or your child, contact us after the first week of class for assistance in finding a better fit. If a class is not available, you will receive a credit on your community education account for use on a future class.

Interested in joining the Advisory Council

If you are interested in being part of the ECFE Advisory Council please send an email to csampers@isd191.org letting us know a little bit about yourself and why you would like to join.

ECFE Registration

Return with payment to ECFE 200 W. Burnsville Parkway, Burnsville, MN 55337

Payment and a copy of immunization record must be submitted at the time of registration.

Please register each child attending class. Do not send cash in the mail

One91 PRESCHOOL

Sparking the Love of Learning

In preschool, Pathways learning is designed to spark the love of learning. Our students widen their worlds and build foundational skills to continue their learning journey.

Children learn and grow best through play experiences. We embed skill-building into play to promote healthy development of the whole child throughout the classroom. For example, math skills show up at the snack table, the block corner, in cooking activities and more. communityed.isd191.org/early-childhood/preschool

Flexible Programs for Every Family

One91 Preschool provides flexible options for families based on schedule, location and cost. No matter which option, One91 Preschool is ready to spark curiosity, creativity, engagement, knowledge, and a love of learning in each child. Fees are based on income unless otherwise listed. Scholarships may be available for qualifying residents of District 191. [Watch for an email from your classroom teacher with Open House information.](#)

Ready to Grow & Ready to Learn

Care for Young Children

Year-round Monday-Friday,
7 am-5:30 pm

Ready to Grow/Ready to Learn is proud to have earned our Parent Aware Four-Star Rating! This Parent Aware Rating means we're using school readiness best practices to make sure the kids we care for are prepared for kindergarten. Flexible care schedules at Diamondhead Education Center. For more information or to schedule a tour for either program, contact Lyndsay at 952-707-4146, lgriffin@isd191.org.

Ready to Grow

Infant/Toddler Care
6 weeks to 3 years

You and your infant or toddler benefit from individualized care. Ready to Grow embraces the philosophy of primary care giving that allows for nurturing and attachment to and from your child's primary caregiver.

Ready to Learn

Care & Education
33 months to 5 years

The Ready to Learn curriculum focuses on school readiness in the areas of language and literacy, science and math, creative art and music, dramatic play and movement as well as health and nutrition. We believe play is a central component to the curriculum.

Ready for School?

If you have a 3, 4 or 5-year-old, check in with us before kindergarten to make sure your child is on track.

one91
Burnsville Eagan Savage

Register today!

What is early childhood screening?

Screening is an early look at a child's development and begins as early as age three. This can give parents peace of mind that their child is developing normally, and if needed, allows health and developmental concerns to be addressed at least one to two years before a child enters kindergarten.

The state of Minnesota requires health and developmental screening for every child before they start kindergarten. Burnsville-Eagan-Savage District 191 offers this service at no cost.

REGISTER TODAY!

Early childhood screening checks:

- Fine and gross motor skills
- Height and weight
- Vision and hearing
- Cognitive and social development
- Speech and language development
- Immunizations

If you have a child under the age of 3 and have concerns about their development
Call Early Childhood Special Education at 952-895-6610
