OLDER ANNOUNCEMENTS

Want to see the world as the locals do? Join us on a tour of Italy! Dates for this authentic, in depth tour will be June 12-21. Any student who registers by November 1 will be able to put their name in a drawing for \$500 off the total trip cost. Please stop by room 250 for more information. This trip is not sponsored by Troy City Schools.

Dress - We want to remind the students of our dress code in the student handbook, which is shared below. We understand trends change over time and want to provide ample time for you to help your child prepare for the upcoming school year. There were several questions last year about midriffs. The expectation at Troy High School is that when a student is standing, their shirt should meet the waistline of their pants/shorts, leaving no skin exposed. This will be shared with students at the start of the school year and will be enforced. Hopefully this provides clarity to the expectation at THS with regard to this portion of the dress code.

“Parents should closely monitor what their child is wearing to school to ensure that appropriate attire is worn and body parts are adequately covered. Clothing/accessories shall not detract from the learning environment, nor shall clothing provide a safety risk to students. Shorts and skirts should not be inappropriately tight or short and midriffs must not be exposed. Clothing that endorses the use of alcohol, tobacco, and other drugs, or portrays violence, gang membership, or has suggestive language on it, is not permitted. Hats and head coverings should be removed upon entering the school building. Violation of this dress code will result in the student being asked to call home for appropriate clothing or the student will be given proper alternative clothing for the day.”

Math Chatters:

What are Math Chatters? They are a group of your peers in the library available for tutoring on all things mathemagical. Our belief is that Math is enjoyable if it makes sense, and the Math Chatters are here to bring joy back to your math life! Simply sign up for the library in the morning for your study hall, and look for the table with the Math Chatter sign located on it. Need additional information? See Mrs. Fultz in the library or Mrs. Lehmkuhl in room 166.
