POTENTIAL

Big Brothers Big Sisters is a national organization working in your community to clear the path to a youth's biggest possible future. Joining parent and guardians with our staff, we match each youth with a mentor to foster a friendship built on trust, learning and growth. Together, we are Defenders of Potential!

POTENTIAL TO CHANGE THE WORLD

Littles are youth who need friendship, advice, guidance, and fun. They are all different yet they all have one thing in common: a need for a consistent caring adult friend and positive role model.

Youth are matched between the ages of 7 to 14 years old and face some type of adversity in life.

The majority of our Littles are self-referrals, meaning the guardian calls the office and requests service. The remainder of the youth are referred by social service agencies, schools, recruitment, or by other professionals in our community.

Matches are made based on personality, geographic location, interests, and the needs of the youth to reach set goals.
