Re: Appointment as Chief Recovery Officer for the Scranton School District

Dear Dr. Finan:

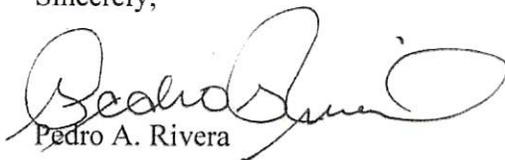

On February 1, 2019, the Scranton School District (District) was declared to be in Financial Recovery Status as defined in section 621-A of the Public School Code of 1949, 24 P.S. § 6-621-A. As such, section 631-A of the School Code directs the Secretary of Education to appoint a qualified individual to serve as Chief Recovery Officer for the District, 24 P.S. § 6-631-A.

The Chief Recovery Officer serves at the pleasure of the Secretary of Education and has the responsibility to oversee the implementation and administration of a financial recovery plan in the District, in coordination with the Department of Education.

In accordance with the authority granted to me under section 631-A of the School Code, I am appointing you to serve as the Chief Recovery Officer for the Scranton School District. Your appointment is effective immediately.

Thank you for accepting this challenge and for assisting the Department in efforts to serve the students of the Scranton School District. I look forward to working with you in this endeavor.

Sincerely,

Pedro A. Rivera
