

Grade 5 Transition

Northeast and South Intermediate Schools

May 24, 2021

5th grade students at NSIS and SSIS

- Students will be organized by grade level throughout the school day and will have limited interaction with older students
- 5th grade academics will remain consistent district-wide
- Students will eat lunch as a grade level
- Students will have the added protection of full time School Resource Officer (SRO)

5th grade students at NSIS and SSIS

- 5th grade students and parents will have daily access to a guidance counselor
- Students will have access to a full time mental health team in the school building
- Students will have access to join our clubs and other organizations *(Please note: PIAA sports do not begin until grade 7)*

5th grade students at NSIS and SSIS

- Orientation will be held in August for all 5th grade students and their parents/guardians. They will have an opportunity to explore the building and learn about school routines. Dates will be forthcoming
- As always, parents will be kept informed through the use of One Call Now, social media, and most importantly, our school websites
