In order to ensure that your medical treatment will be paid for by Excalibur Insurance Management Services LLC you must select from one of the physicians or other health care providers as listed above.

You must continue to visit one of these physicians or other health care providers listed above, if you need treatment, for 90 days from the date of your first visit

After this 90-day period, if you still need treatment, you may choose to go to another physician or other health care provider for treatment. If this situation should arise let your employer and you Excalibur Insurance Management Services LLC Representative know within 5 days of the first visit.
