Talk Sup Week 12 Review and Preview

November 28, 2022

Good morning Sayreville! I hope you had a happy Thanksgiving and a most relaxing and enjoyable holiday weekend. Welcome to another edition of Talk Sup, my weekly newsletter.

Thanks to our magnificent teachers and instructional staff, our students had a ton of fun learning last week. Students

and staff across the district celebrated Thanksgiving. At the high school, students in Mr.

Gliddon's, Mr. Ganu's, and Ms. Giorgianni's classes celebrated "Friendsgiving." At the middle school, staff enjoyed a New Jersey style breakfast, compliments of the administration, and then had a ball participating with students in an assembly entitled "Almost

Anything Goes." In Project Before, preschool students made butter and

applesauce. In the Bombers Beyond 18-21-Year-Old Program, students began working in the Bombers Beyond Café, which will open very soon, and learned how to use their newly purchased cleaning equipment.

This past week, our students and staff continued to impress us with their remarkable accomplishments. We commend and congratulate 2020 Sayreville War Memorial graduate James Adams for being selected to participate in the Bonnie Bassler Lab at Princeton University. If you are unfamiliar with Bonnie Bassler, she is the biologist who discovered how bacteria communicate. We also commend and thank the 1st Presbyterian Church in Sayreville and Christ Episcopal Church in South Amboy for donating Thanksgiving dinners to eight Sayreville Families in need. Likewise, we commend our wonderfully generous staff and the district's Culture and Climate Committee for raising and donating \$905 to the Middlesex County Food Pantry. Bomber Nation salutes all our students, staff, and community members for representing Sayreville in such an impeccable manner. They Rock!
