

Regulation IS - 38.1 Procedures for Handling Questioned or Challenged School Library Materials

November 2022

I. Purpose. This administrative regulation establishes the Superintendent's expectations regarding procedures for receiving and handling questioned or challenged school library materials in the Beaufort County School District (BCSD).

II. Non-Discrimination. The BCSD affirms the right of all individuals to be treated with respect and to be protected from intimidation, discrimination, physical harm, and/or harassment. The BCSD is committed to nondiscrimination and equal opportunity for all students, parents/legal guardians, staff, visitors, applicants for admission and employment, personnel, and community members who participate or seek to participate in its educational programs or activities. Accordingly, the BCSD does not discriminate against any individual on the basis of race, religion, gender, gender identity, sexual orientation, sex, pregnancy, childbirth, or any related medical conditions, color, physical or mental disability, age (40 or older), ancestry, genetic information, national origin, or any other applicable status protected by Title VI, Title VII, Title IX or any other local, state, or federal law.

III. Reconsideration of School Library Materials.

- A. All BCSD employees are charged with the responsibility of upholding the principle of intellectual freedom rather than defending a selected educational resource.
- B. The BCSD shall be operated to promote academic freedom, the student's right to read, and the fair and reasonable competition of ideas and information. School officials may not broadly remove books from a school library based on "narrowly partisan or political" grounds that may violate students' first amendment rights to receive information and ideas.
- C. Under exigent circumstances, BCSD district administrators reserve the right to institute an Administrative Review Committee to conduct a review.
- D. The reconsideration process should conserve limited staff resources, discourage the monopolization of the challenge process by a few individuals, and require complainants to submit complete, substantive, and fully researched challenge requests.

IV. Rights to Challenge. Any BCSD student or employee, any parent/legal guardian of a BCSD student, and any person residing in a BCSD attendance zone may challenge specific materials found in school libraries.

- A. The BCSD recognizes the right of a parent/legal guardian to ask that particular school library materials not be made available to their own children, by completing the, "Request to Opt-Out of School Library Materials Form," attached to this Administrative Regulation as Attachment 1. This form is also available on the BCSD website and at the school site.
- B. Complainants may request the addition of, removal of, restriction of, or expanded access to the school library materials by completing the, "Request For Reconsideration Of School Library Materials Form," attached to this Administrative Regulation as Attachment 2. This form is also available on the BCSD website and at the school site.
- C. In reviewing challenges, priority will be given to:
 - Challenges filed by BCSD students (or their parents/legal guardians) who are currently and directly affected by the use of specific materials.
 - Challenges filed by BCSD teachers or school/district administrators whose students are currently and directly affected by the use of specific materials.

V. School-Site Reconsideration Procedure. Upon receiving a complaint, the school administrator (or their designee) should schedule an informal conference with the complainant and the school librarian or teacher concerned. If the complaint cannot be resolved satisfactorily during this informal conference, the following options are made available:

- A. If a student (or their parent/legal guardian) objects to specific materials located in a school or classroom library, they may request alternative instructional materials using the “Request to Opt-Out of School Library Materials Form”. The school administrator or their designee shall communicate this request to the student’s teachers, school librarian, and other staff as necessary.
- B. If the complainant would like to request any change that broadly affects access to the material in question, the following procedure shall be followed:
 - 1. The school administrator or their designee should explain the steps of the reconsideration process to the complainant. Without making any specific commitments which would affect general access to the material in question, the school administrator/designee should assure the complainant and any involved parties that BCSD policy will be followed. The material in question will be removed from general use throughout the BCSD during the reconsideration process.
 - 2. Complainants wishing to file a formal materials challenge should do so by completing the, “Request For Reconsideration Of School Library Materials Form,” in its entirety, returning a copy to the district Chief Instructional Services Officer or designee. A separate form must be completed for each material being requested for reconsideration. The form attached to this administrative regulation, shall be posted prominently on the district website, and available upon request at schools.
- C. To evaluate the challenged material(s), the Superintendent or designee shall appoint a Materials Reconsideration Committee which may be composed of an odd number of the following individuals:
 - 1. At least one teacher with expertise in the content area and grade level;
 - 2. At least one school librarian;
 - 3. At least one school administrator;
 - 4. At least one parent representing a school family other than the complainant;
 - 5. At least one community member;
 - 6. At least one district-level director or coordinator with expertise in the content area; and
 - 7. At least one member of a School Improvement Council within the district/school;
- D. When possible, each member of the Materials Reconsideration Committee should represent different schools, and none should be employed at the school for which the request has been filed. At the discretion of the Superintendent, exceptions to this rule may be made for material that is widely available at most BCSD schools.
- E. BCSD Materials Reconsideration Committee and Administrative Review Committee will use the “Beaufort County School District Reconsideration Committee Checklist” attached to this Administrative Regulation as Attachment 3.

VI. Materials Reconsideration Committee.

- A. The Materials Reconsideration Committee will study the complainant’s submissions on the, “Request For Reconsideration Of School Library Materials Form,” read/examine the referenced materials in full, and meet as a group to share and discuss their findings. The value of any material must be examined as a whole. The impact of an entire work will be considered, transcending individual words, phrases, and incidents

- B. The Materials Reconsideration Committee shall complete its review and issue a written report within fifteen (15) business days of initial receipt of the formal complaint. A copy of the report shall be sent to the complainant, the Superintendent, and the Board of Education.
- C. If the Materials Reconsideration Committee recommends any changes regarding access to the material in question (such as the addition/removal of the material) the Superintendent or designee will be responsible for communicating those changes to the appropriate personnel who shall ensure that such changes are made in a timely manner.
- D. If the Materials Reconsideration Committee recommends the material in question be removed, the BCSD must ensure no other copies exist in school library circulation within the BCSD for the school level(s) it has been recommended for removal.
- E. If the Materials Reconsideration Committee recommends the material in question is acceptable, the BCSD must immediately place such materials back into circulation.
- F. Appropriateness of a book or reading material cannot be challenged again until the expiration of five (5) years from the original challenge date.

VII. Administrative Review Committee. BCSD reserves the right to appoint an Administrative Review Committee, and to conduct a review of school library materials. The Administrative Review Committee members will consist:

- 1. At least one teacher with expertise in the context area and grade level;
- 2. At least one school librarian;
- 3. At least one school administrator;
- 4. At least one district-level director or coordinator with expertise in the content area;
- 5. At least one parent;
- 6. At least one community member;
- 7. At least one member of the School Improvement Council within the district/school; and

VIII. Appeals Process. Complainants wishing to appeal the decision of the Materials Reconsideration Committee must do so, in writing, to the Board of Education within seven (7) business days of receipt of the committee's decision. After reviewing the committee's report on the material in question, the Board of Education will make a determination regarding the material in question within fifteen (15) business days effective from the date the appeal is requested.
