NORTHRIDGE VARSITY BASKETBALL TEAM GIVES BACK TO COMMUNITY

Big Buddies!

A Message from the Croton Church of Christ

On Wednesday, February 9th the Northridge Varsity Boys Basketball team did a whole lot of playing off the court at Croton Church's "After School Special." Coaches are not only teaching these young men how to play the game of basketball well but teaching them how to give back to their community and pay it forward in the game of life. They were outstanding role models and gave of themselves to 67 Kindergarten through Fifth Graders at our "After School Special." The kids attending absolutely loved having the group with them. We would love to welcome other teams and Viking youth to come visit and be "Big Buddies" and positive mentors to our awesome group of students. We have a weekly group of dedicated Vikings (Kennedy Chalfant, Nolan Laslo, Autumn and Cora Hill, Gabby Hupp, Cheyann Severance and Olivia Debolt) serving and showing the younger Vikings friendship and positive modeling.

"After School Special" is every Wednesday at the Croton Church of Christ for grades K-5. This program offers students open gym, activities engaging in creativity, arts and crafts, music, games, and snack.

On Sunday, crowds were treated to the musical and vocal performances of our bands and choirs! Excellent job, NMS musicians and directors!

The Northridge Elementary School is looking forward to a visit from author/Illustrator Steve Harpster on Friday, March 18. Harpster has illustrated over 100 books for kids, and travels all over the country teaching students how to draw using letters and numbers. He will lead sessions for grades K-5 which includes a drawing lesson to show students that they have the power to draw, create and imagine their own worlds and stories. Families have the opportunity to purchase books for Harpster to sign and draw in on the day of the visit. Thank you to Northridge PTO for funding this special event.
