Every year, Latin hosts an all-school event that brings together our dedicated community of nearly 1,000 parent/guardians, alumni, faculty, staff and friends to raise more than \$1 million in support of financial aid. We hope that your company will partner with Latin to continue our beloved tradition of Romans Raise and Revel, showcasing the spirit and generosity of the Latin community.

The gift of a Latin education has a transformative effect on every student. As a school community, we are committed to making a world-class education possible for families from socioeconomically diverse backgrounds. Your sponsorship would directly provide tuition assistance, athletic equipment, meal stipends, after-school resources and other funding for nearly 150 qualifying students. This year's event will be held on March 2, 2023.

We hope that you will join us as a corporate sponsor of **Romans Raise and Revel** at one of our many sponsorship levels.

Enclosed is our corporate sponsorship packet which includes more information about sponsorship levels and benefits. We look forward to discussing your gift and to answer any questions as you review these materials and consider your support.

We thank you for your consideration and welcome your generous support and engagement.

With sincere appreciation,

**SUPPORTING FINANCIAL AID**

Latin continually redefines excellence in liberal arts education for a changing world. Our vision challenges us to make learning even more personal, inquiry-based and inclusive for every member of the Latin community — all Latin Learners. Latin's annual fundraising events are a beloved tradition central to the culture of philanthropy at our school. This year's annual event plays a vital role in ensuring Latin can be accessible to more families, as every dollar raised directly supports financial aid for students. Developing strong-minded, gentle-hearted Romans takes true dedication and secure financial footing. Thank you for considering a gift that will shape our student's lives.

# CORPORATE SPONSORSHIP FORM

Thank you for your consideration of support for Latin School of Chicago's biennial fundraising event, Romans Raise & Revel. Your sponsorship empowers Latin to attract a socioeconomically, culturally and ethnically diverse student body. Latin has worked hard to build a school community that looks like the city of Chicago. In 2021, the school awarded more than \$4.6 million in need-based financial aid to students from over 76 Chicago neighborhoods and 19 suburbs. Your contribution will help us shape the next generation of Romans so that they can change the world!

Please complete and return this form, or call Jennifer Funchess, Assistant Director of Development, to make your gift.
