

Trigg County Operation Plan 2022-2023

Trigg County Schools will operate with traditional, in-person, instruction.

General Precautions

Face masks optional.

Minimal sharing of material.

Hand sanitizer will be available throughout classrooms, buildings, and on buses.

Hand washing will be strongly encouraged and opportunities will be given routinely.

School nurses will be available for symptom screening.

Parents are asked to keep students home if symptomatic.

Transportation Precautions

Hand sanitizer will be available.

Face masks are optional.

Buses will be routinely sanitized.

Custodial/Cleaning Precautions

All high touch surfaces (desks, tables, doorknobs, faucets etc) will be cleaned and sanitized regularly.

Electrostatic cleaning method will be used to sanitize facilities.

Emphasis will be placed on handwashing, social distancing, and mask wearing.

Hand sanitizer will be available throughout the building.

Students may carry **clear or mesh** backpacks throughout the day.

Athletic Precautions

Equipment will be cleaned regularly.

Hand washing will be highly encouraged and opportunities given.

Hand sanitizer will be available throughout facilities.
