<p>HH - Debating - Grade 7-11</p>	<p>Debating is good for three reasons: First, it allows students to explore the art of logical argumentation. Debating is a serious challenge that makes students more eloquent, their argumentation more sophisticated, and gives them the confidence to excel at speaking to a room full of strangers as well as writing better essays. Second, debating introduces students to lots of new topics and problems. Students learn about politics, the economy, philosophy, history, and lots more! All of this with no previous knowledge required. It also gives students a chance to share knowledge of the things they are already passionate about. Third, debating is a chance for students to engage in healthy, intellectual competition with their friends, as well as make new ones from all around the world. This ASA will take students to national and international tournaments full of amazing, diverse students that are connected by a shared love of arguing with each other.</p>	<p>Year 7, Year 8, Year 9, Year 10, Year 11,</p>	<p>Mon</p>	<p>4:15:00 PM</p>	<p>5:15:00 PM</p>	<p>30.00</p>	<p>Blackley</p>	<p>Oliver</p>
