All entry-level **Building Service Worker (BSW)** positions in St. Mary's County Public Schools are now filled through the use of a pooled interviewing system. Advanced positions (Building Service Manager and Assistant Building Service Manager) will continue to be posted and filled individually. In order to be considered for any BSW position, you must become a member of this applicant pool. As positions come available at sites that pool members have designated as desirable, they will be contacted and offered an interview.

To become a member of the BSW Pool of Applicants, please fill out the information below:

- 
1. Please check all that apply:
