

# DECEMBER PROFESSIONAL LEARNING OPPORTUNITIES

Registration for all courses:  
<https://registration.ccboe.com>

**MS Language Arts** - Plan your next language arts lesson with a veteran teacher teaching the same lessons as you. Each session participants will learn what lesson a veteran teacher will teach the next two weeks and learn details about one lesson.

## New Teacher Support

**Elementary Teachers** - What is differentiation? Time and support to differentiate upcoming material, how to grade differentiated? Dinner and a \$70 Stipend\* \*FOR CLASSROOM TEACHERS - See flyer for more details.

## Best Practices

**Secondary Social Studies Collaborative** - This series of four SECONDARY social studies evening sessions will be designed to have course and grade level social studies teachers collaborate on best practice strategies for teaching their particular subjects. Teacher stipend \$70 each session

**HS Math Collaborative** - This series of four mathematics evening sessions will be designed to have course and grade level mathematics teachers collaborate on best practice strategies for teaching their particular subjects. Stipend \$70 each session for teachers. IAs are invited to attend and will be paid according to their contract.

**PE Evening Collaborative** - New and veteran elementary and middle school physical education teachers will be afforded 2 hours during the evening PD to collaborate. Stipend \$70 each session.

## ESOL

12/1 - Long Term English Learner Support for High School Content teachers  
12/14 - SAIL Co-Teaching for ESOL and Content Teachers Collaboration

## Special Education

12/8 - PLO: Using Pathful to Effectively Implement Transition Services  
12/19 - These sections will be unstructured work sessions for Transition Liaisons and Case Managers to work on anything related to transition and get paid for their time!
