Policies

The committee discussed changes to the Acceptable Use Agreements for employees, volunteers, and students. Policy EGA-E (Employees and Volunteers) and Policy JGA-R (Students) will be brought forward to the committee for a first read in August after suggestions by the committee are incorporated into the two policies documents.

Other

Director of Curriculum, Kaitlyn Hills, shared an update on math coaches in the schools and an overview of ExactPath, which will replace NWEA's Measures of Academic Progress (MAP) assessment. A full assessment presentation will be provided to the committee and full Board in September when district-wide data is available.
