

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. **NOTE:** Information about the cost of this plan (called the premium) will be provided separately.

**This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage, visit [www.groupcertificate.humana.com](http://www.groupcertificate.humana.com) or by calling 866-4ASSIST (427-7478). For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms, see the Glossary. You can view the Glossary at <https://www.healthcare.gov/sbc-glossary/> or call 866-4ASSIST (427-7478) to request a copy.

Important Questions	Answers	Why This Matters:
<b>What is the overall deductible?</b>	Network: \$3,000 individual / \$6,000 family; Non-Network: \$6,000 individual / \$12,000 family	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this plan begins to pay. If you have other family members on the plan, each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
<b>Are there services covered before you meet your deductible?</b>	Network Providers: Yes. <u>Preventive Care</u> Non-Network Providers: No.	This plan covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this plan covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> .
<b>Are there other deductibles for specific services?</b>	No.	You don't have to meet <u>deductibles</u> for specific services.
<b>What is the out-of-pocket limit for this plan?</b>	For network providers: \$5,000 individual / \$10,000 family For non-network providers: \$10,000 individual / \$20,000 family	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this plan, they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
<b>What is not included in the out-of-pocket limit?</b>	Premiums, <u>balance-billing</u> charges, health care this plan doesn't cover, penalties for failure to obtain <u>preauthorization</u> for services, non-network transplant, non-network <u>prescription drugs</u> , non-network <u>specialty drugs</u> , non-network immune effector cell therapy	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .

Will you pay less if you use a <u>network provider</u> ?	Yes. See <a href="https://www.humana.com/directories">www.humana.com/directories</a> or call 866-4ASSIST (427-7478) for a list of <u>network providers</u> .	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware, your <u>network provider</u> might use an out-of-network provider for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .

 All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.
